

meditation analysis vs control analysis

image sequence

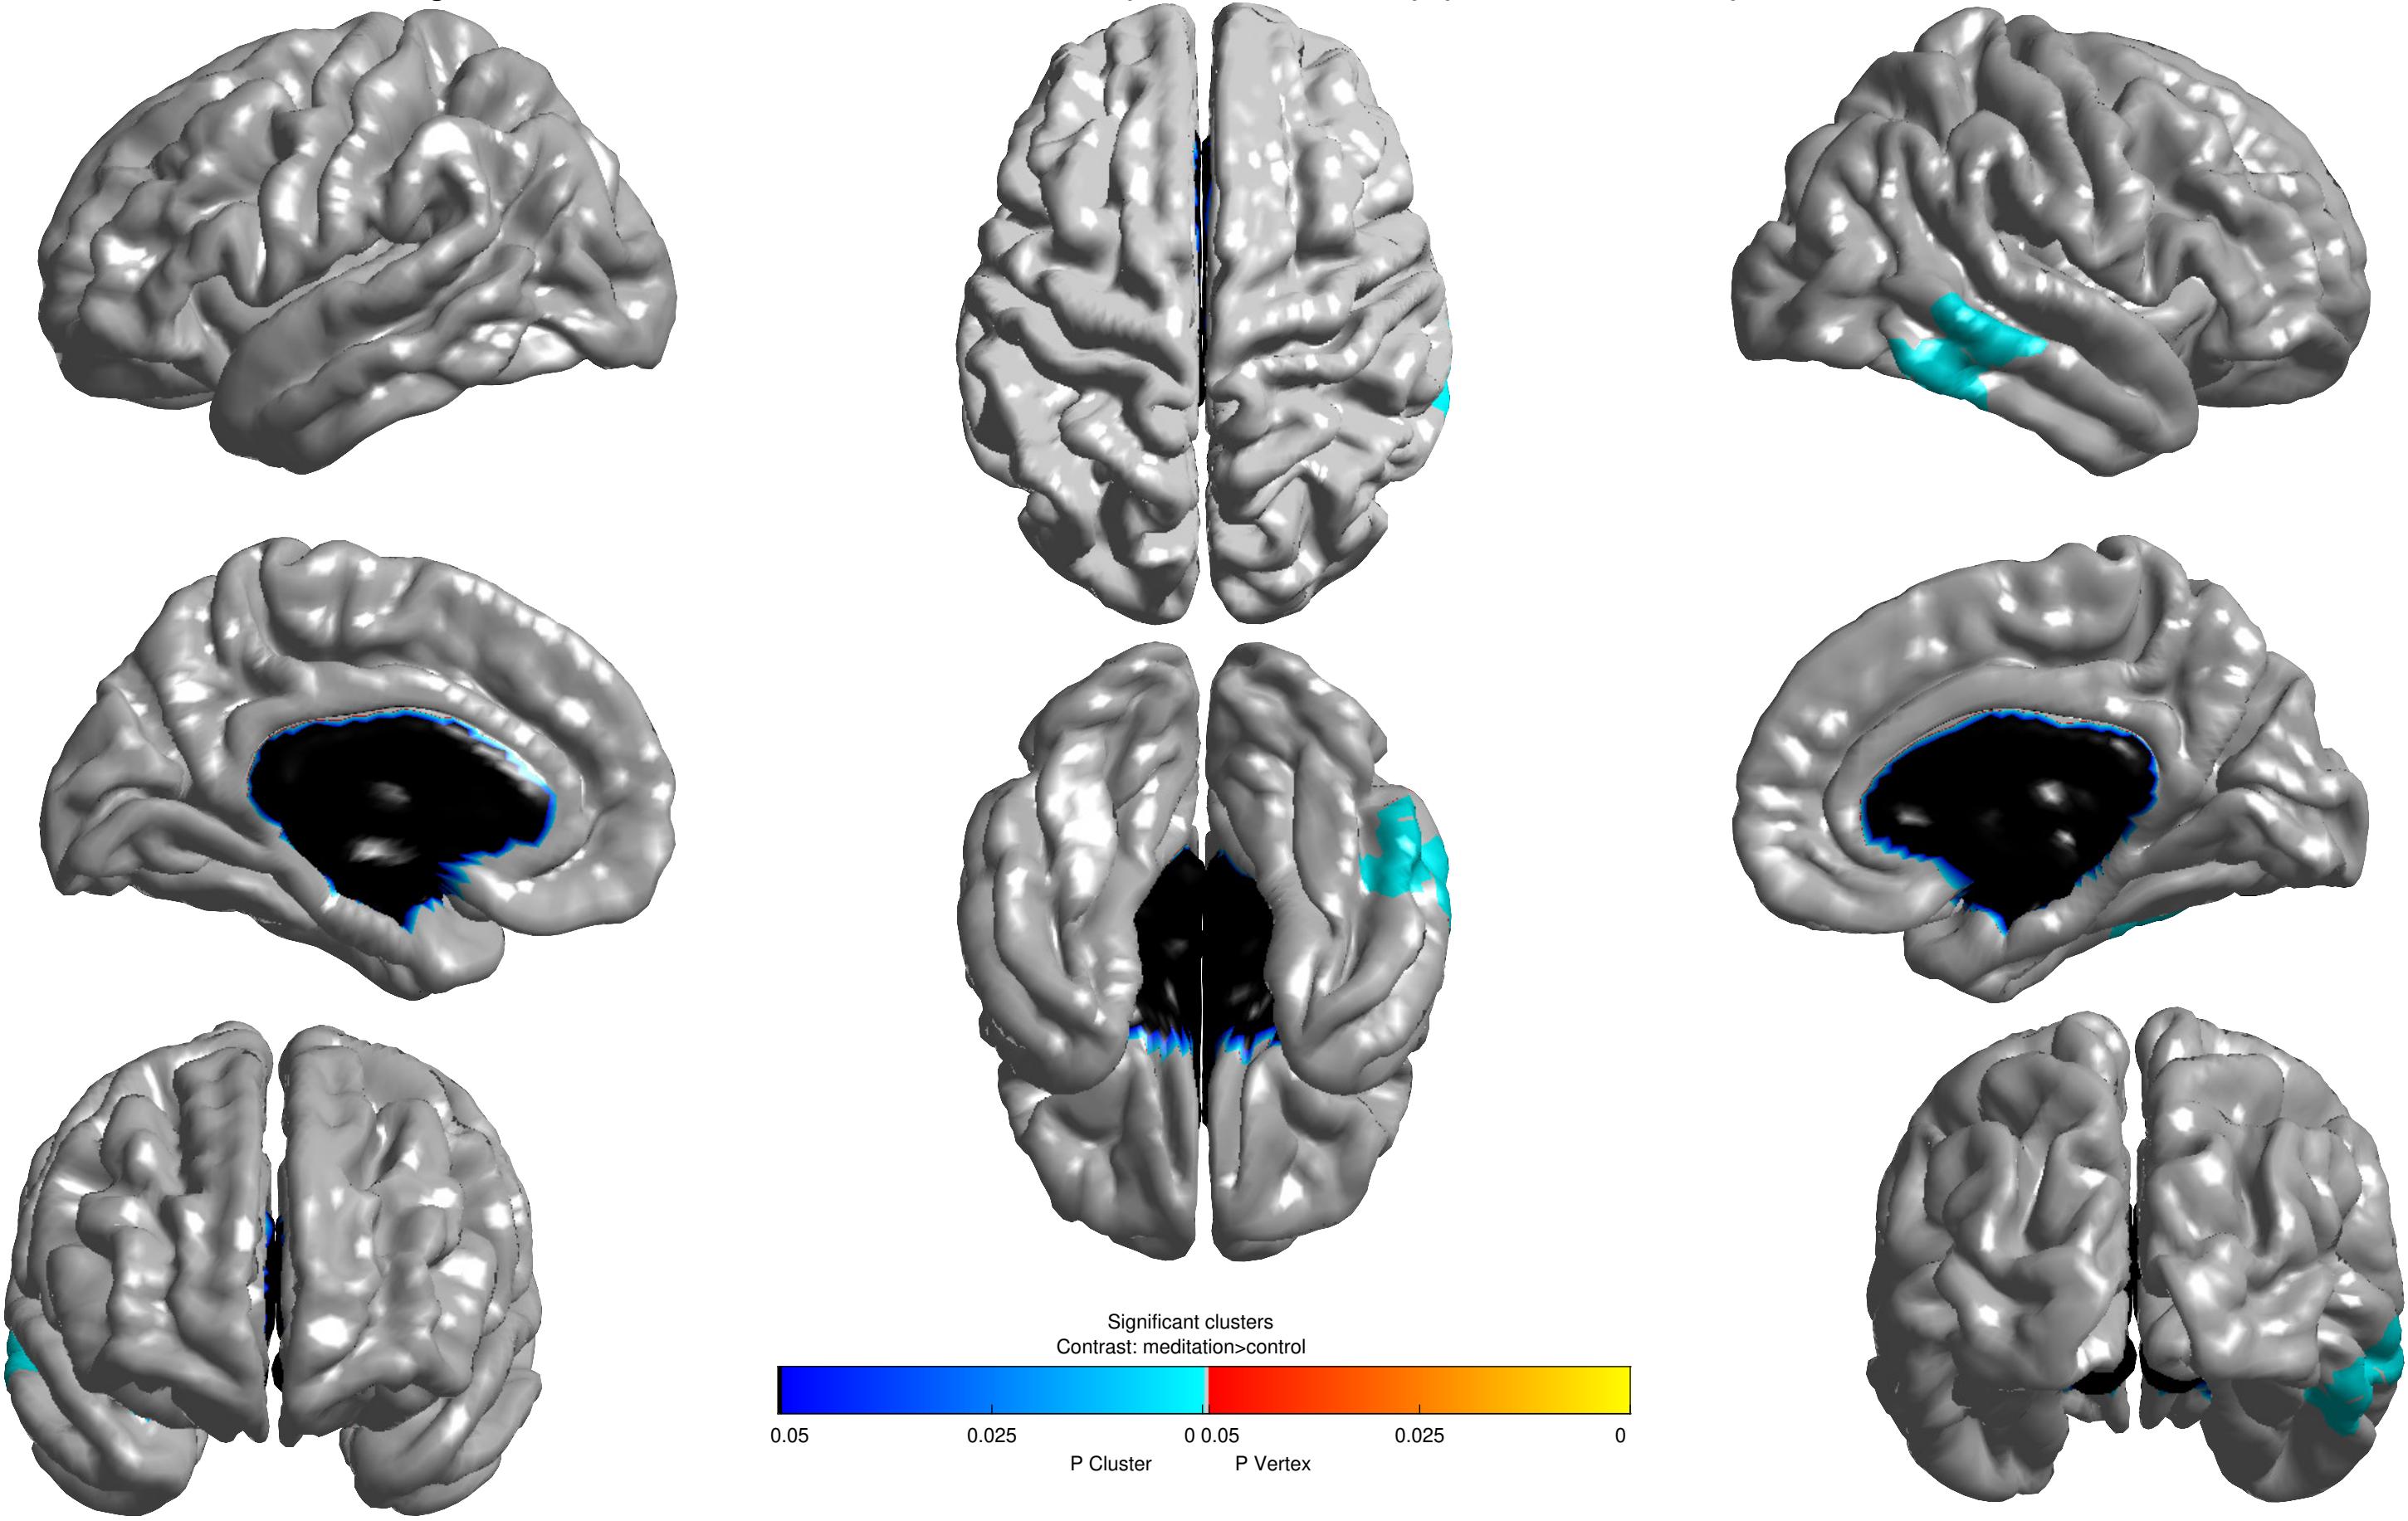

meditation Gradient (Dim1)

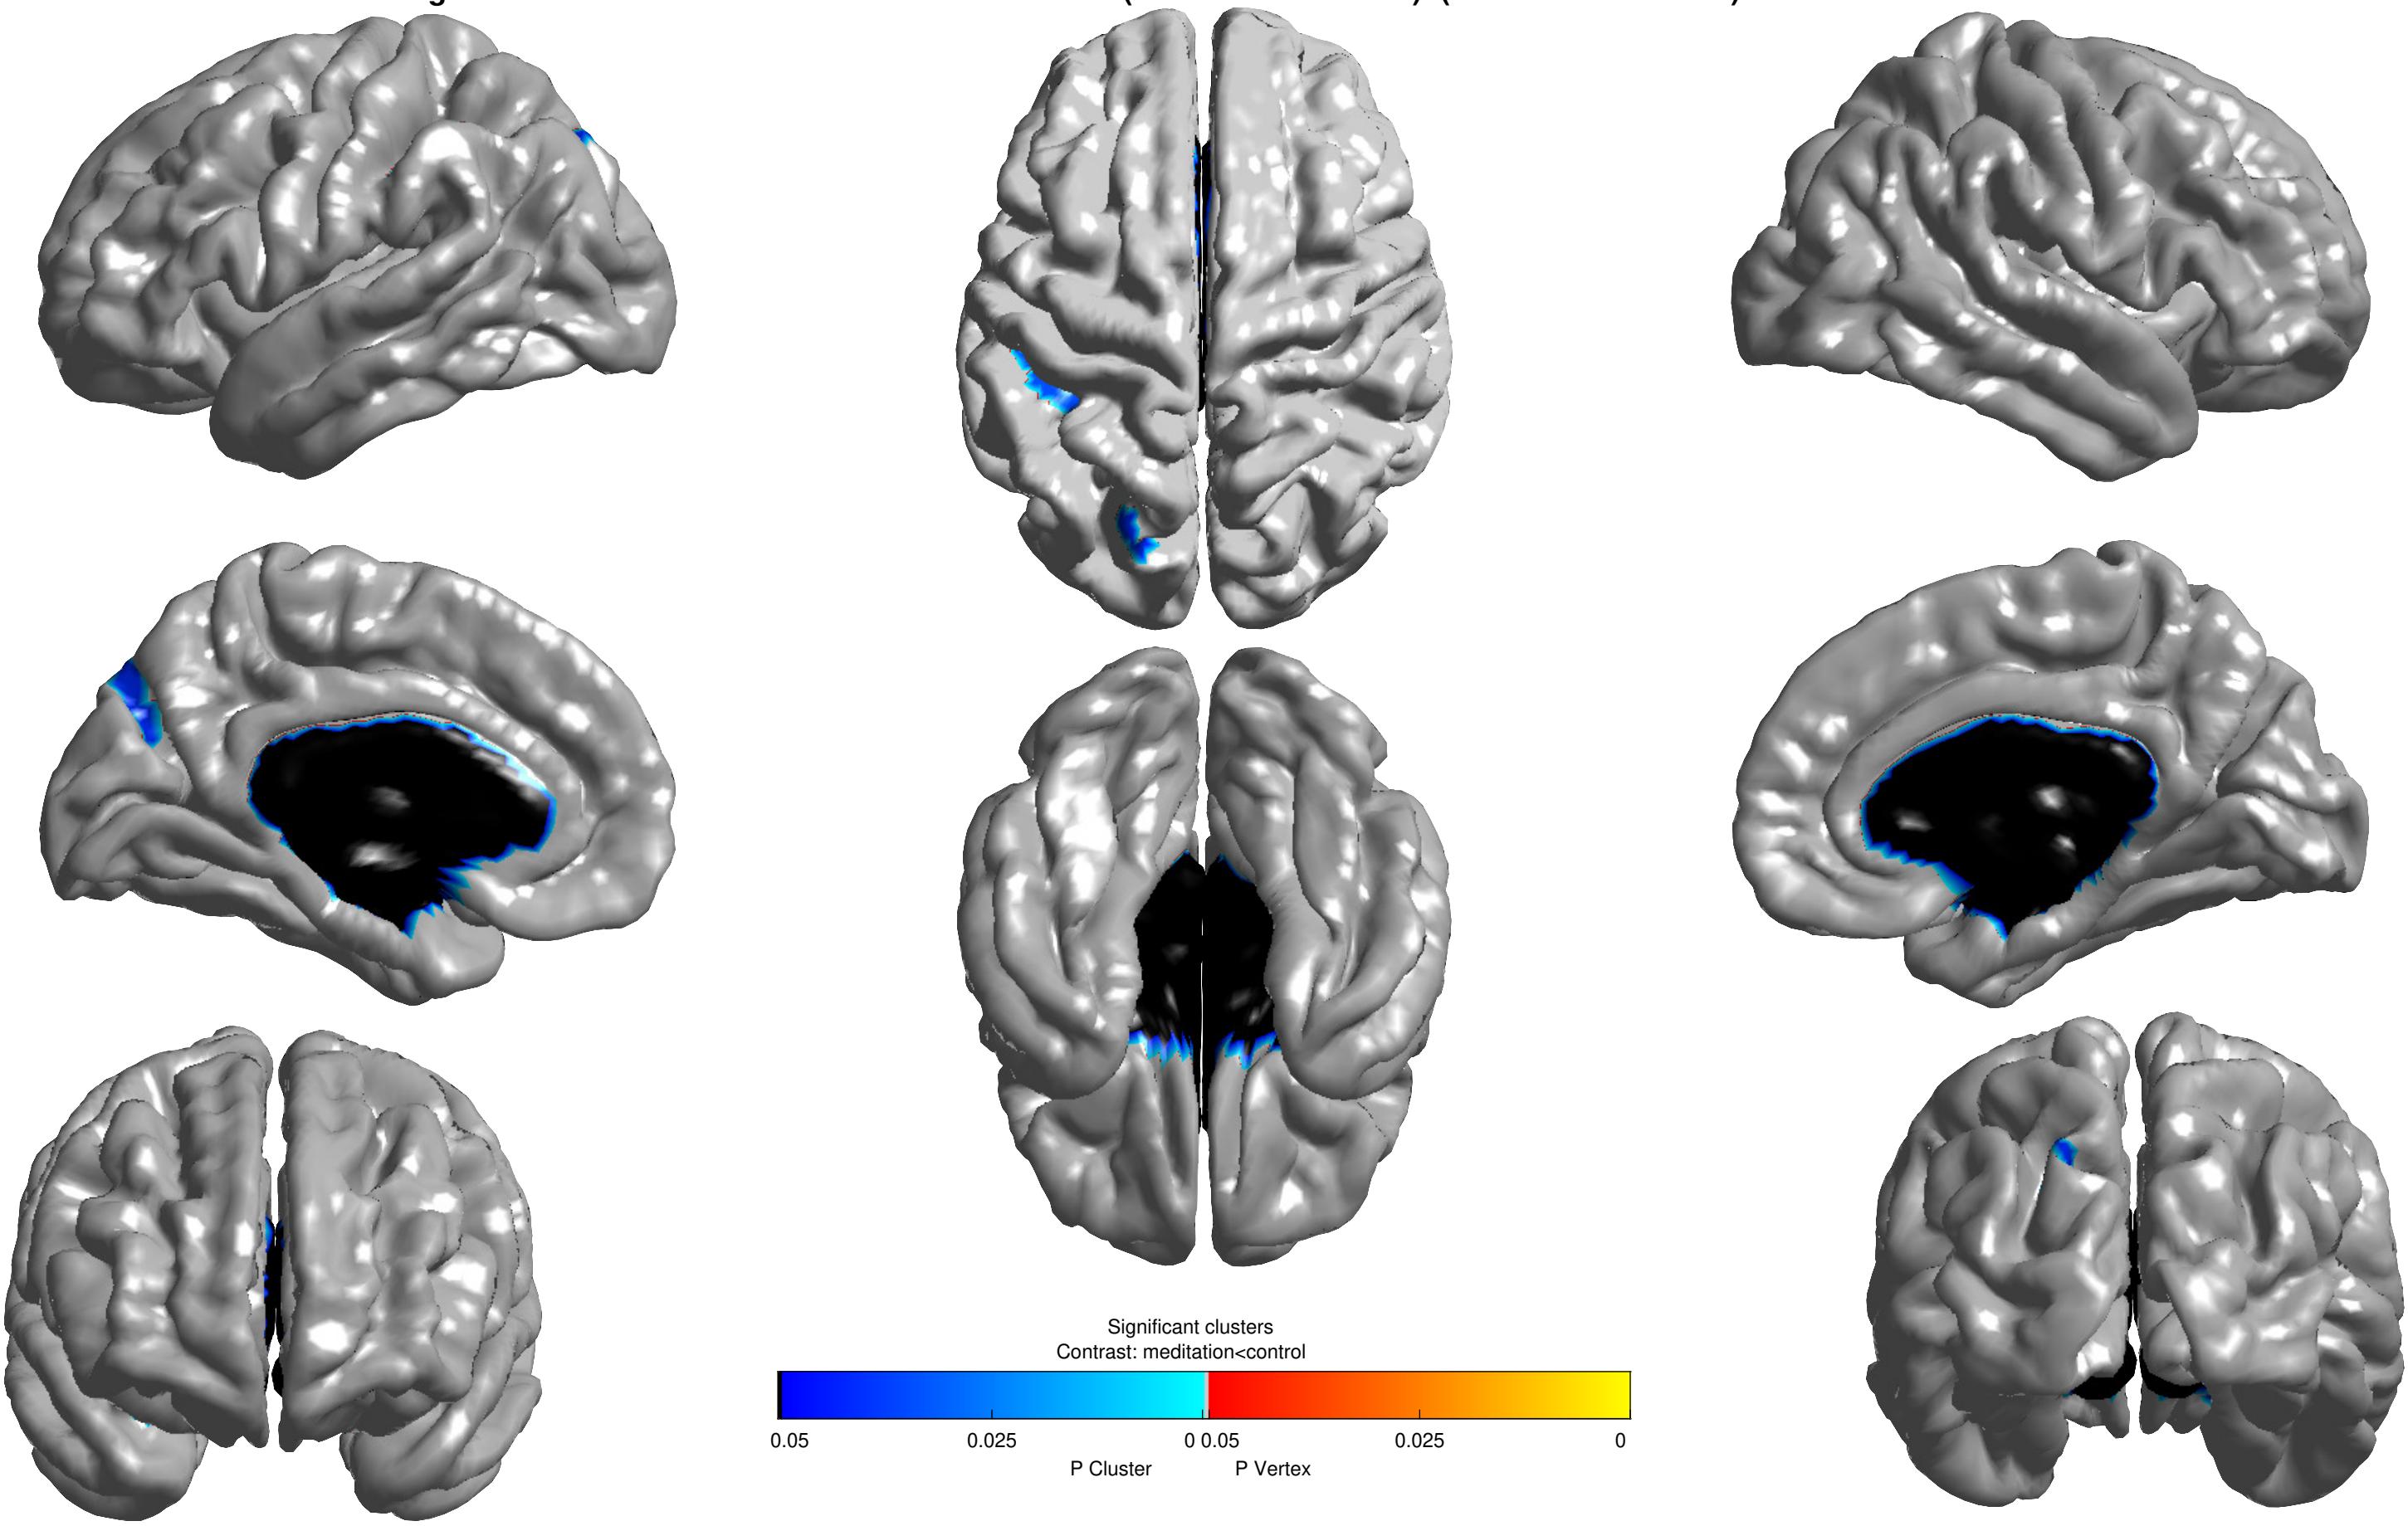

control Gradient (Dim1)

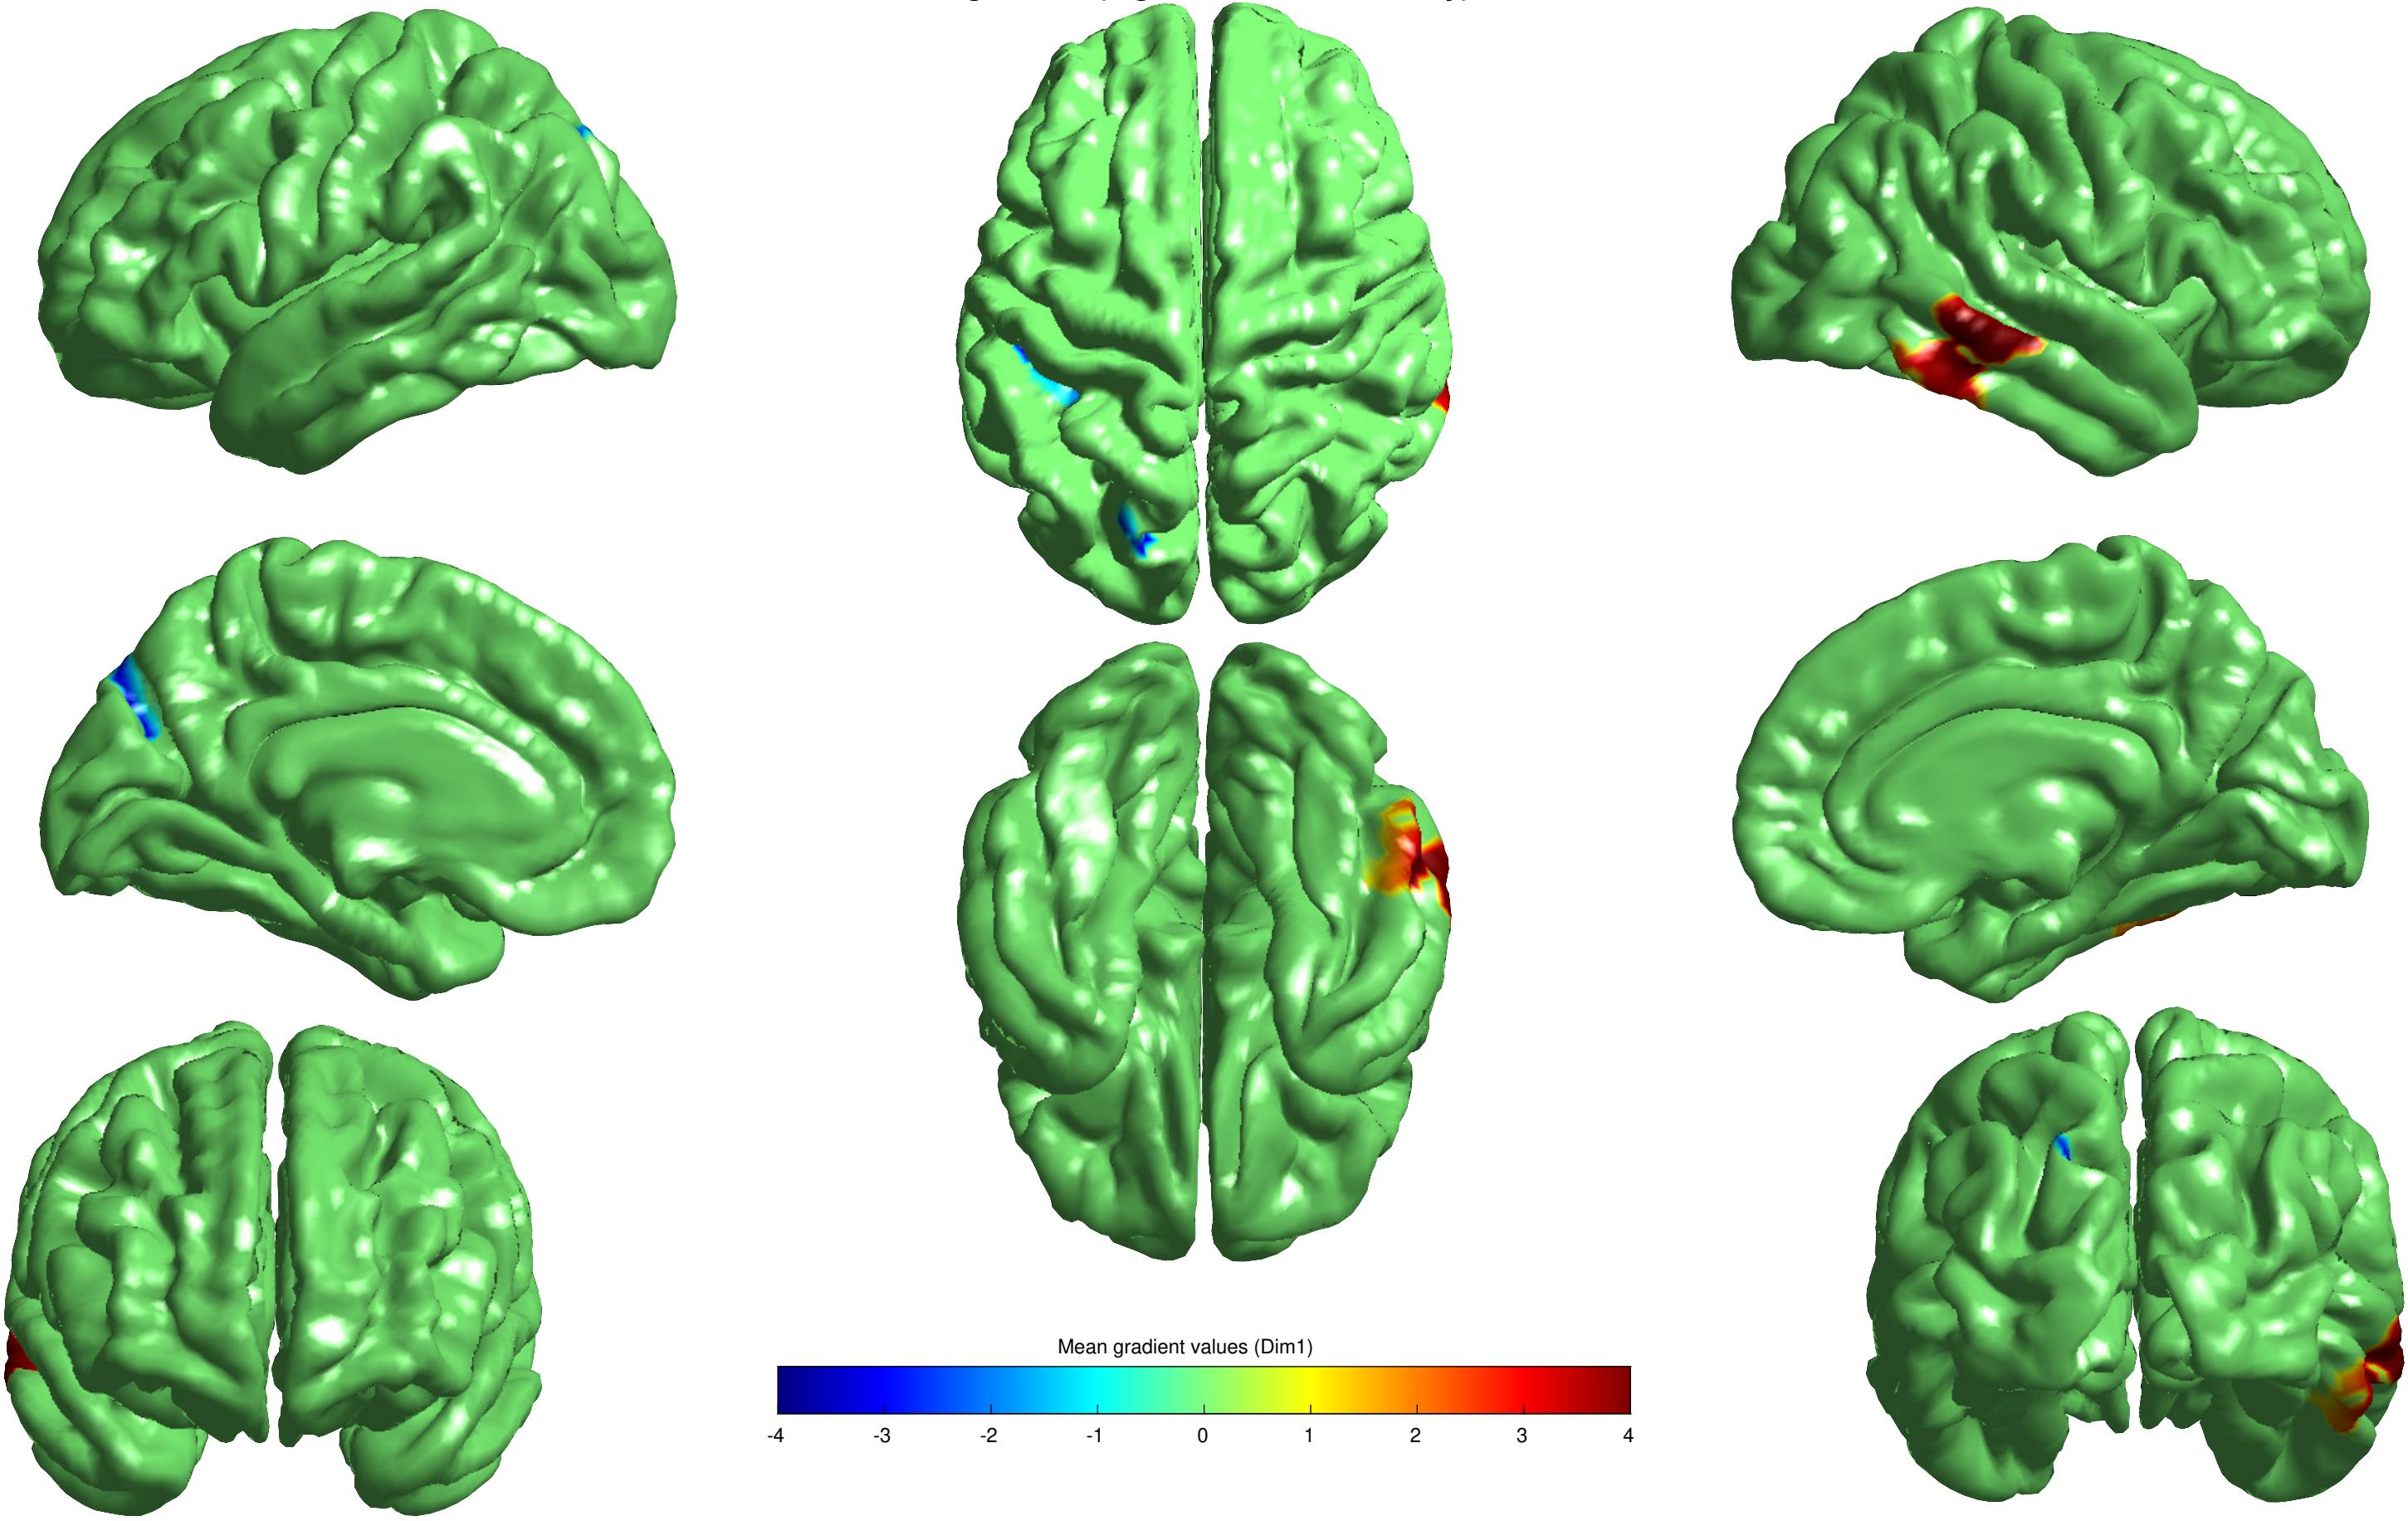

Significant clusters and vertices for dimension 1 (meditation>control) (corrected with RFT)

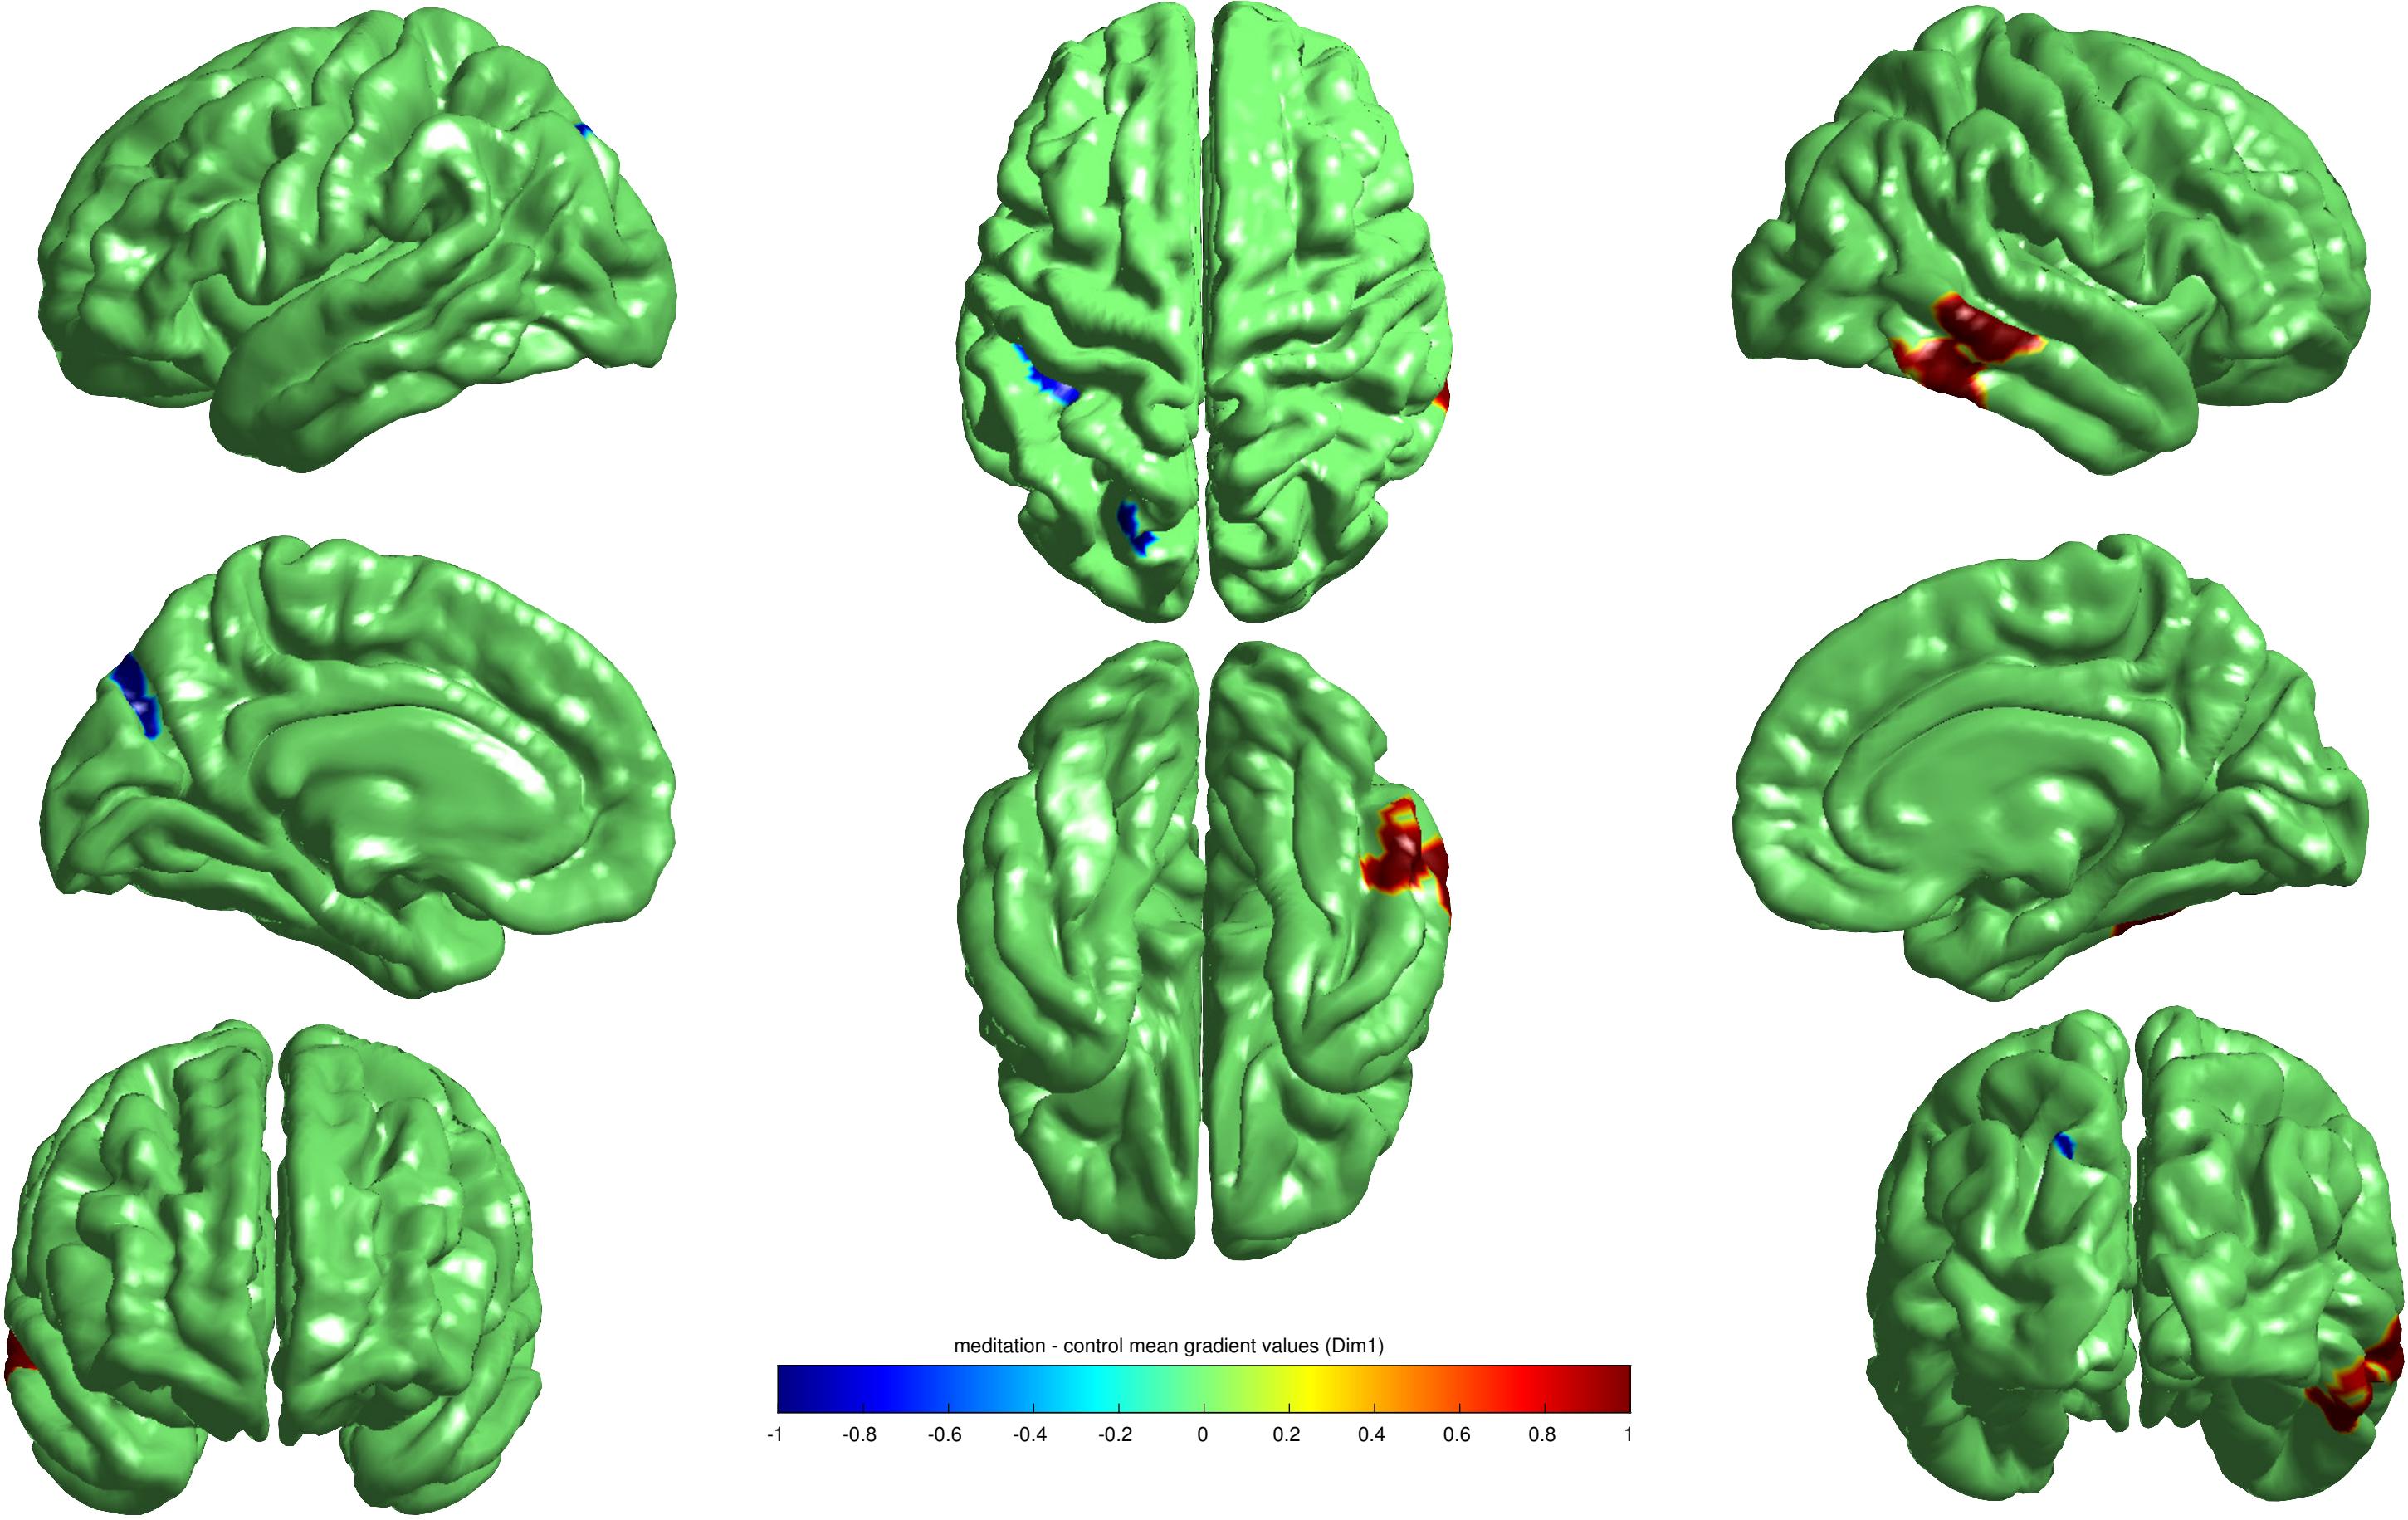

Significant clusters and vertices for dimension 1 (meditation<control) (corrected with RFT)

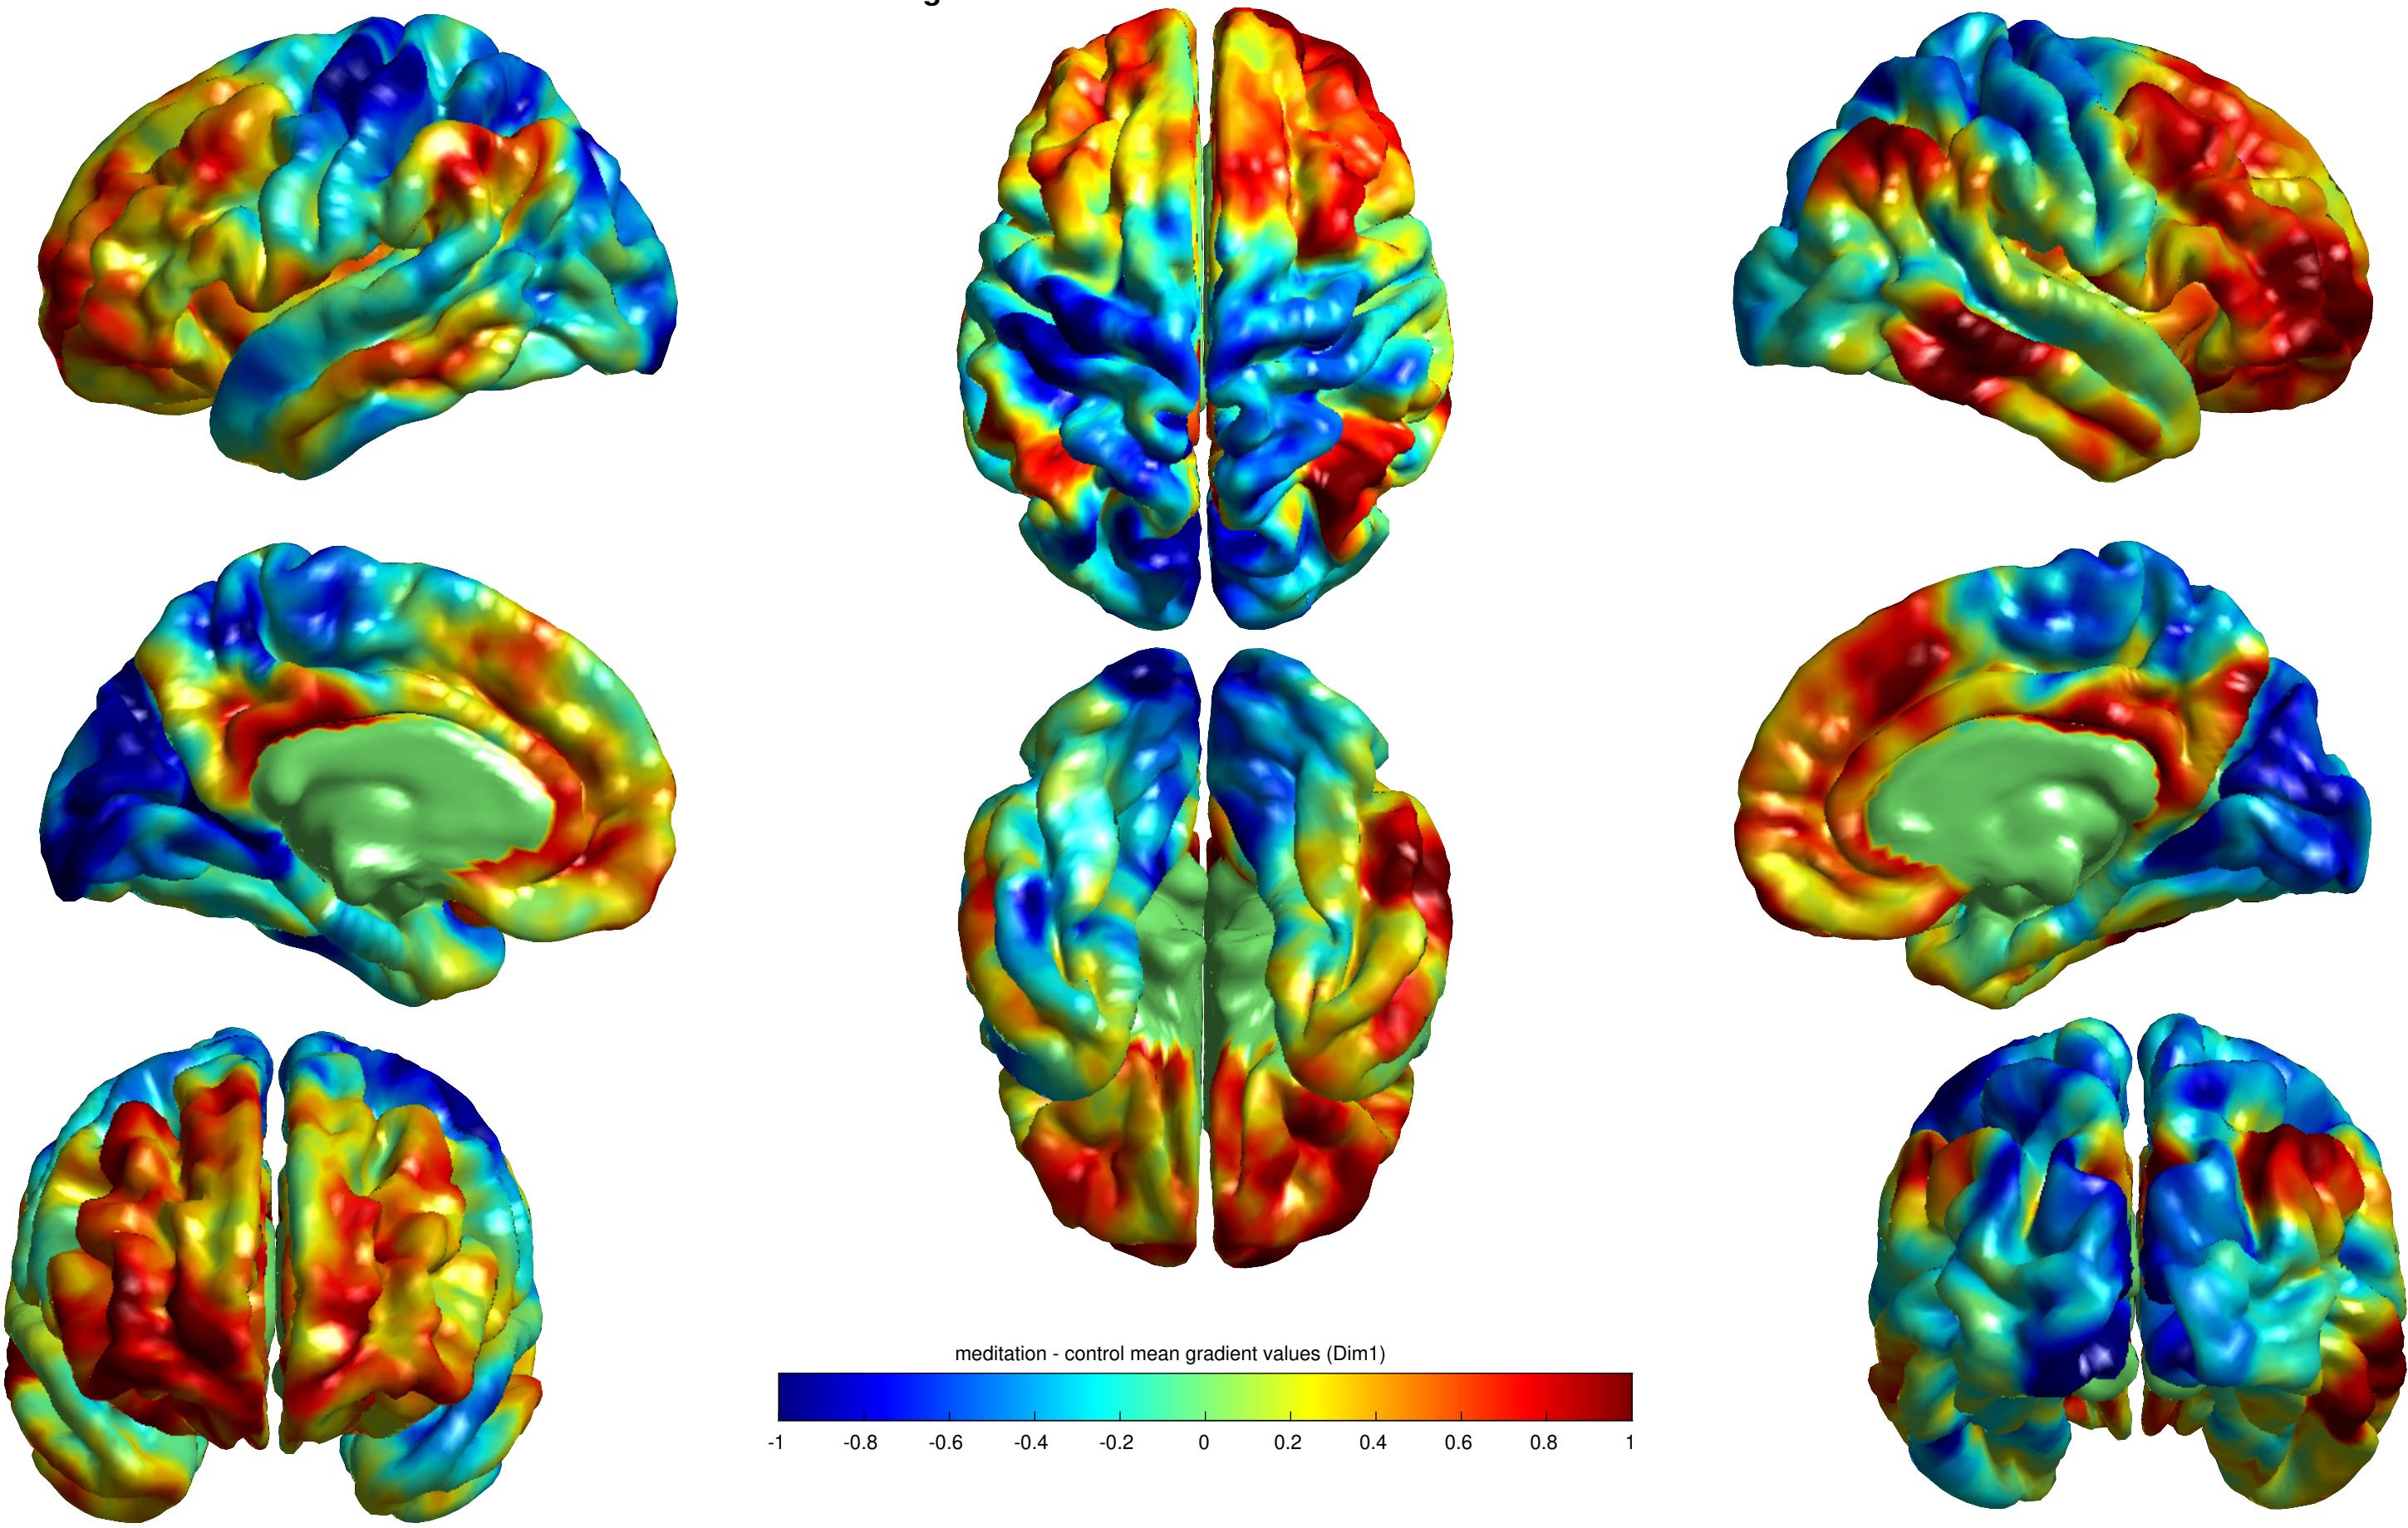

**meditation gradient (significant clusters only)**

Difference of gradient between meditation and control (significant clusters only)

Difference of gradient between meditation and control

# Histogram of the meditation and control gradients (Dim1)
