

Daniel analysis framework

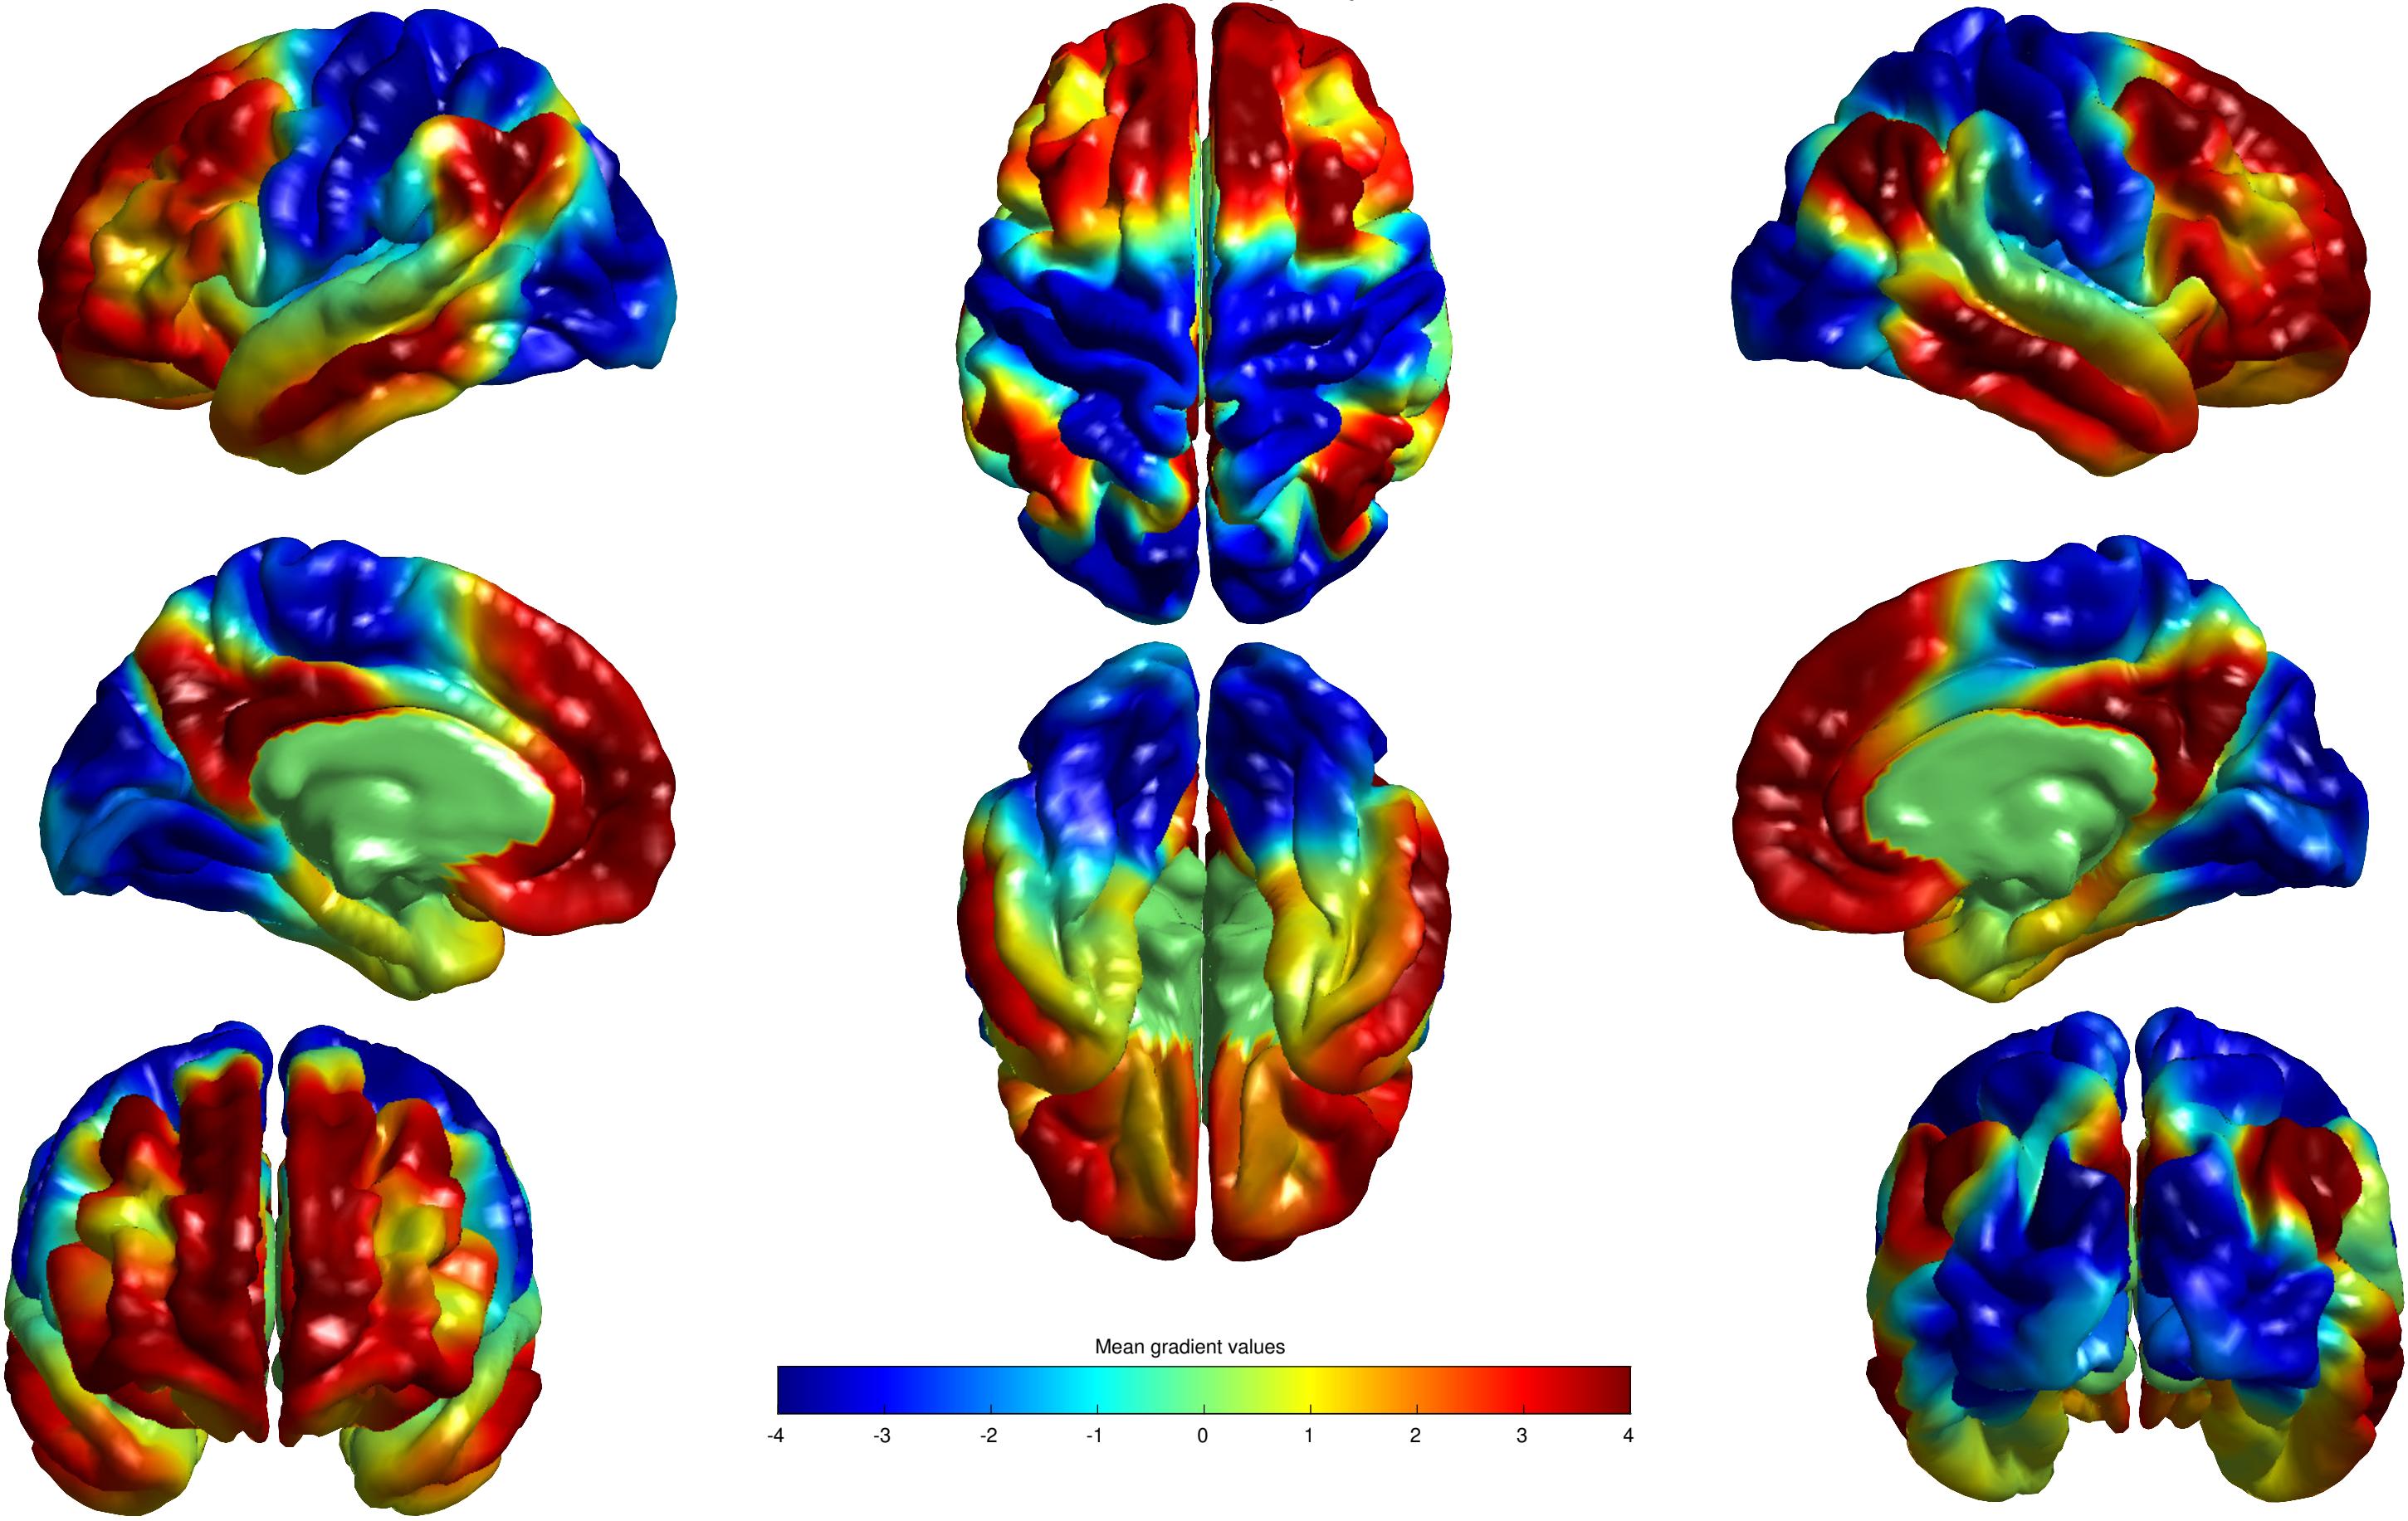

Comparison between control and meditation (Mixed control vs meditation only)
c v m

image sequence

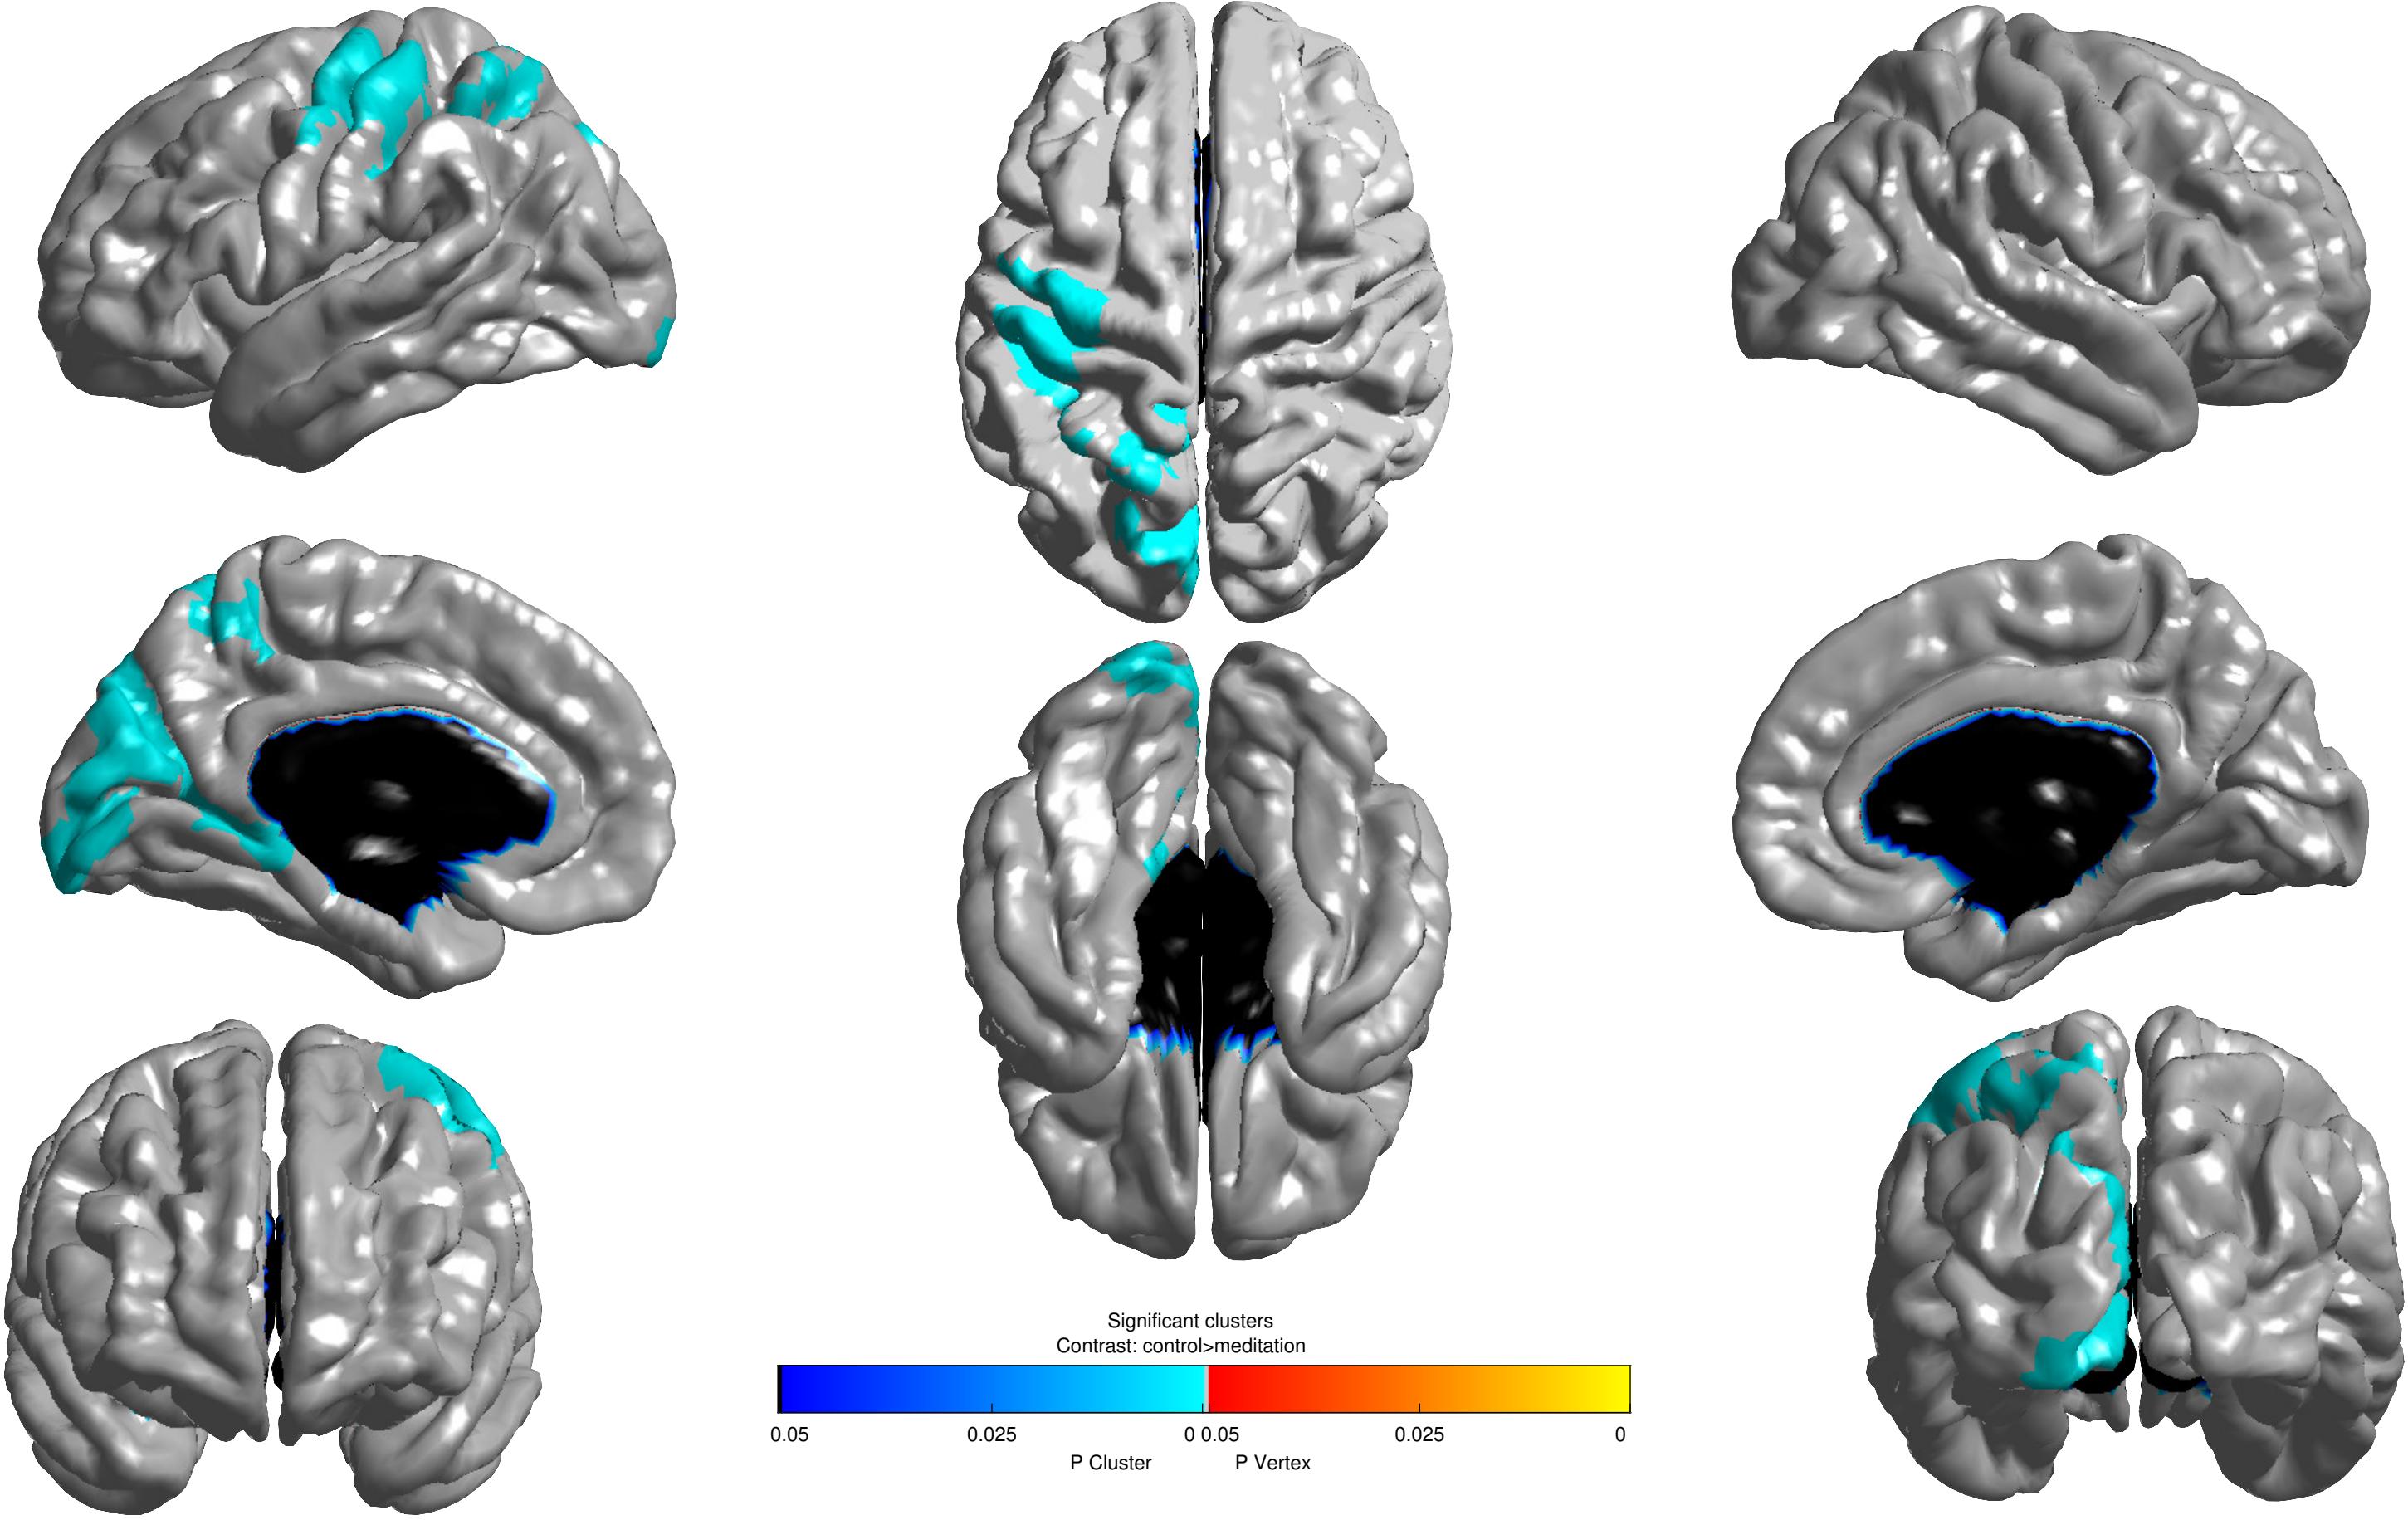

control Gradient (Dim1)

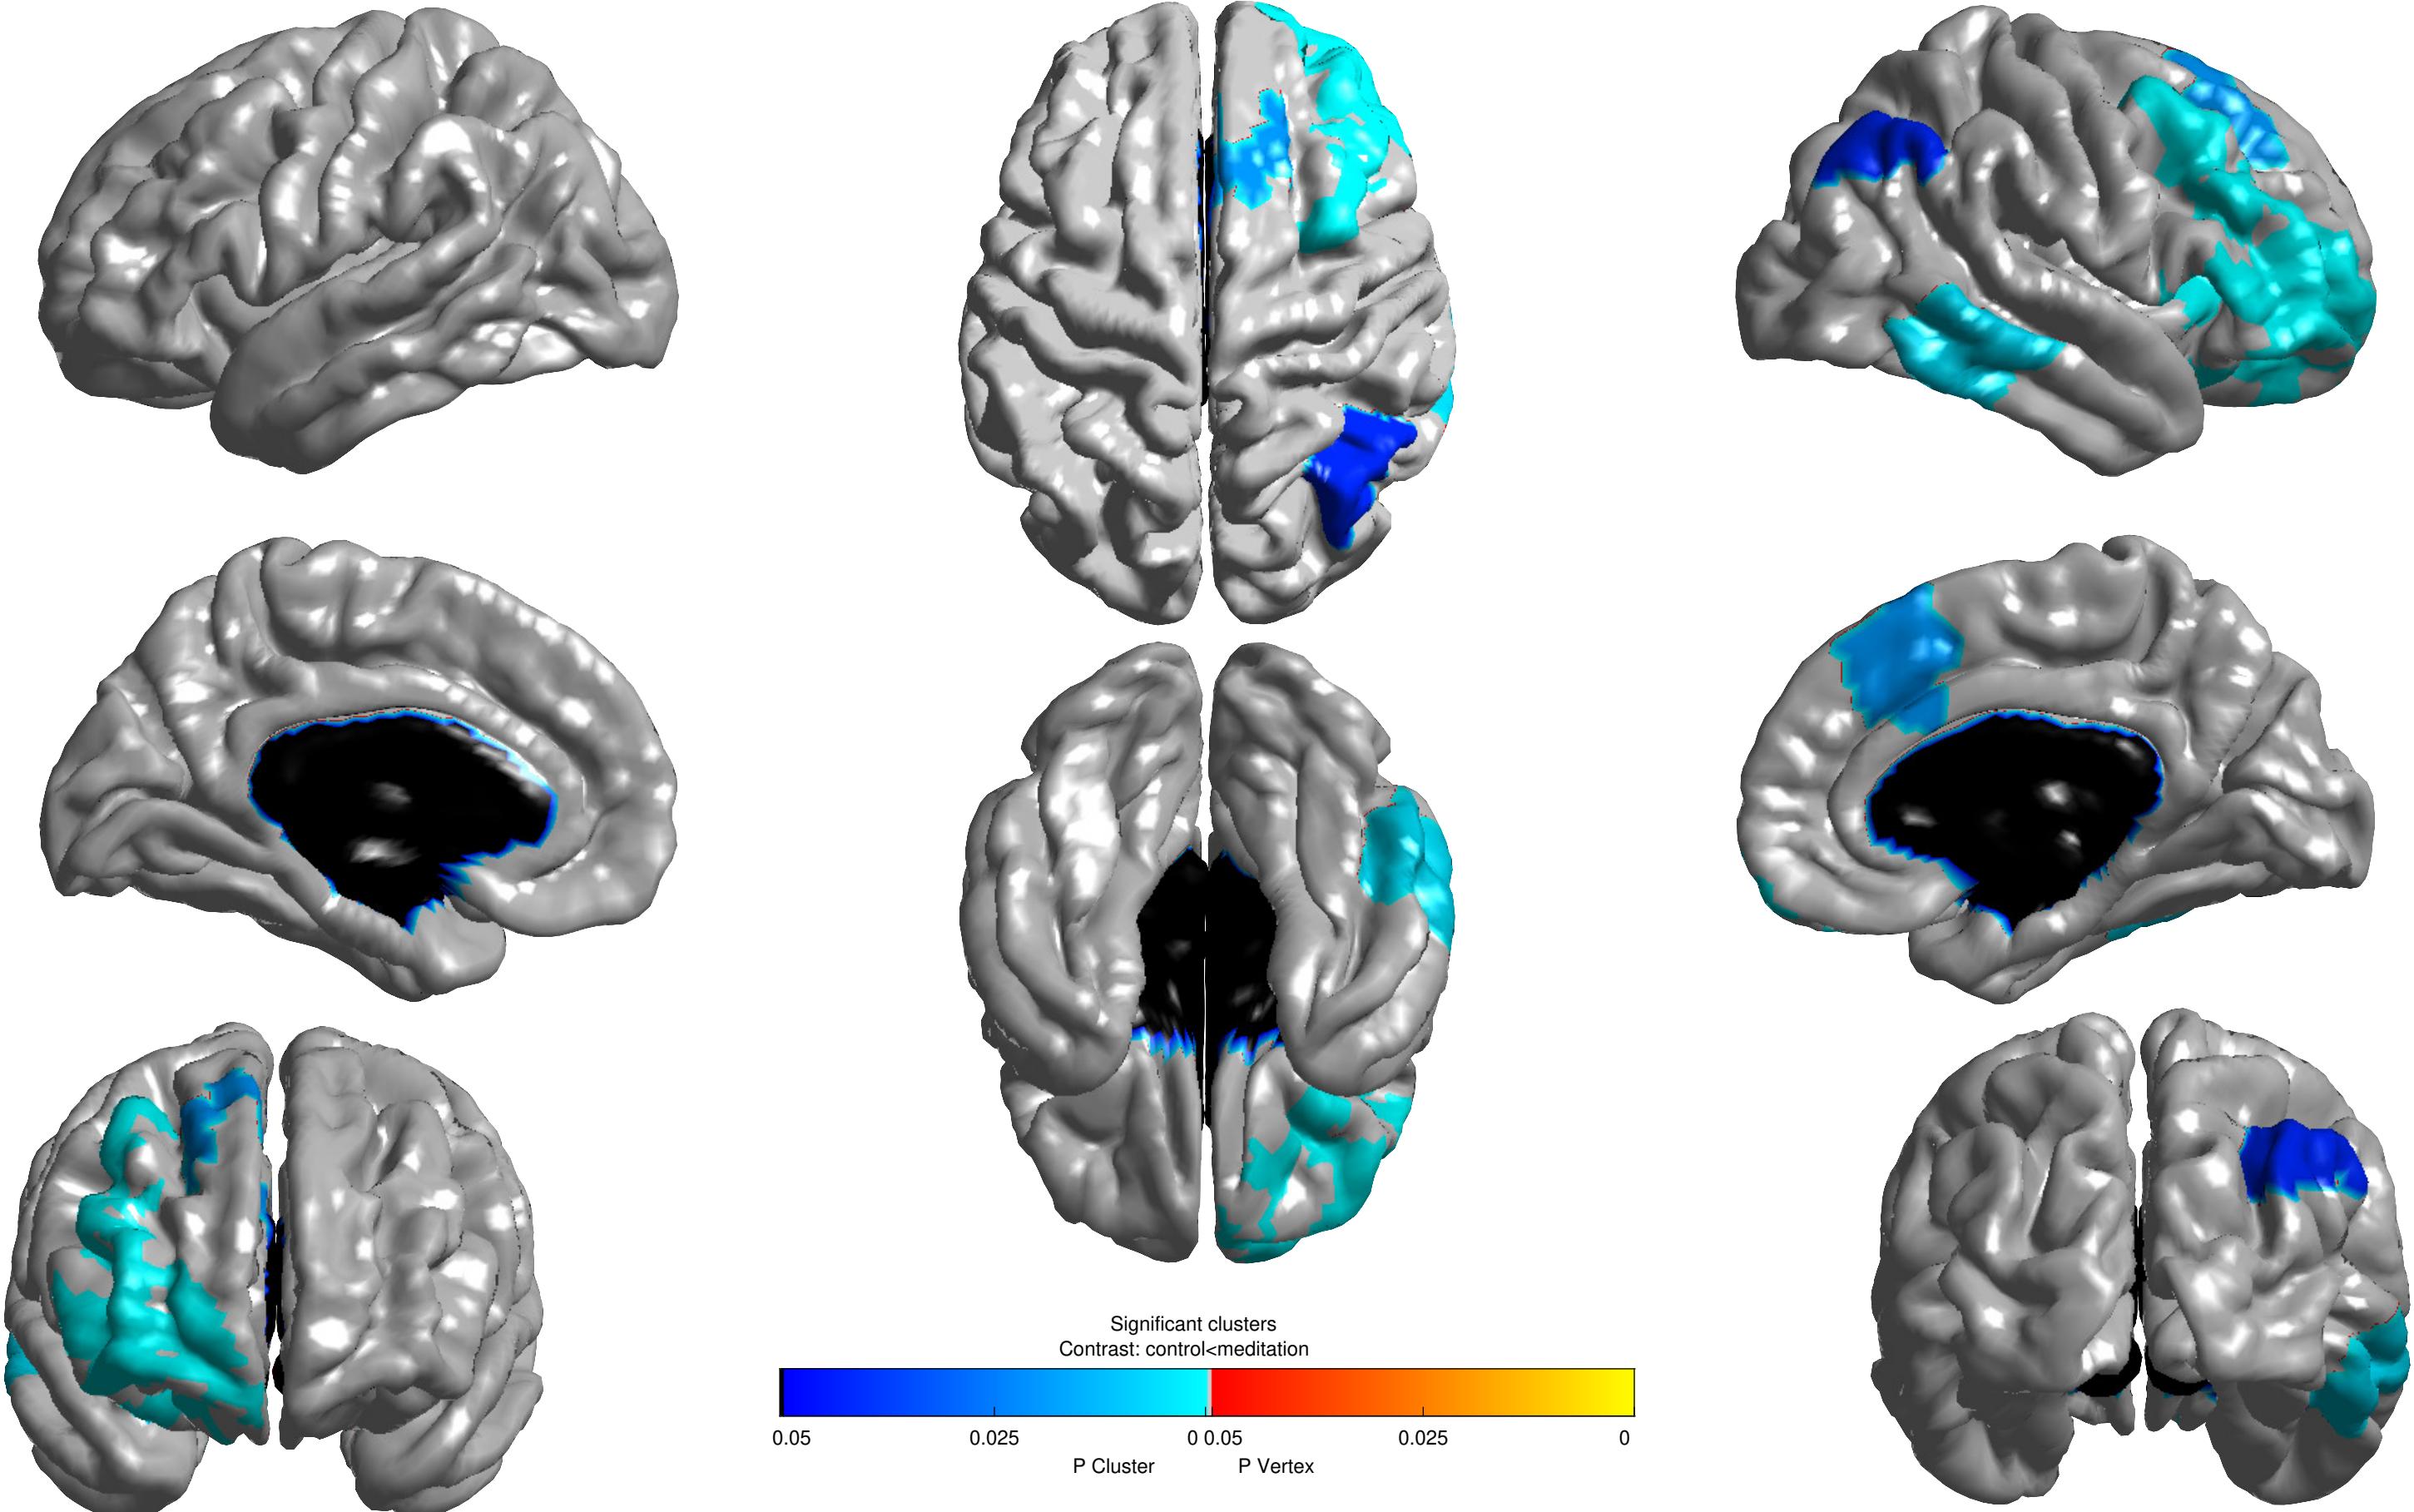

meditation Gradient (Dim1)

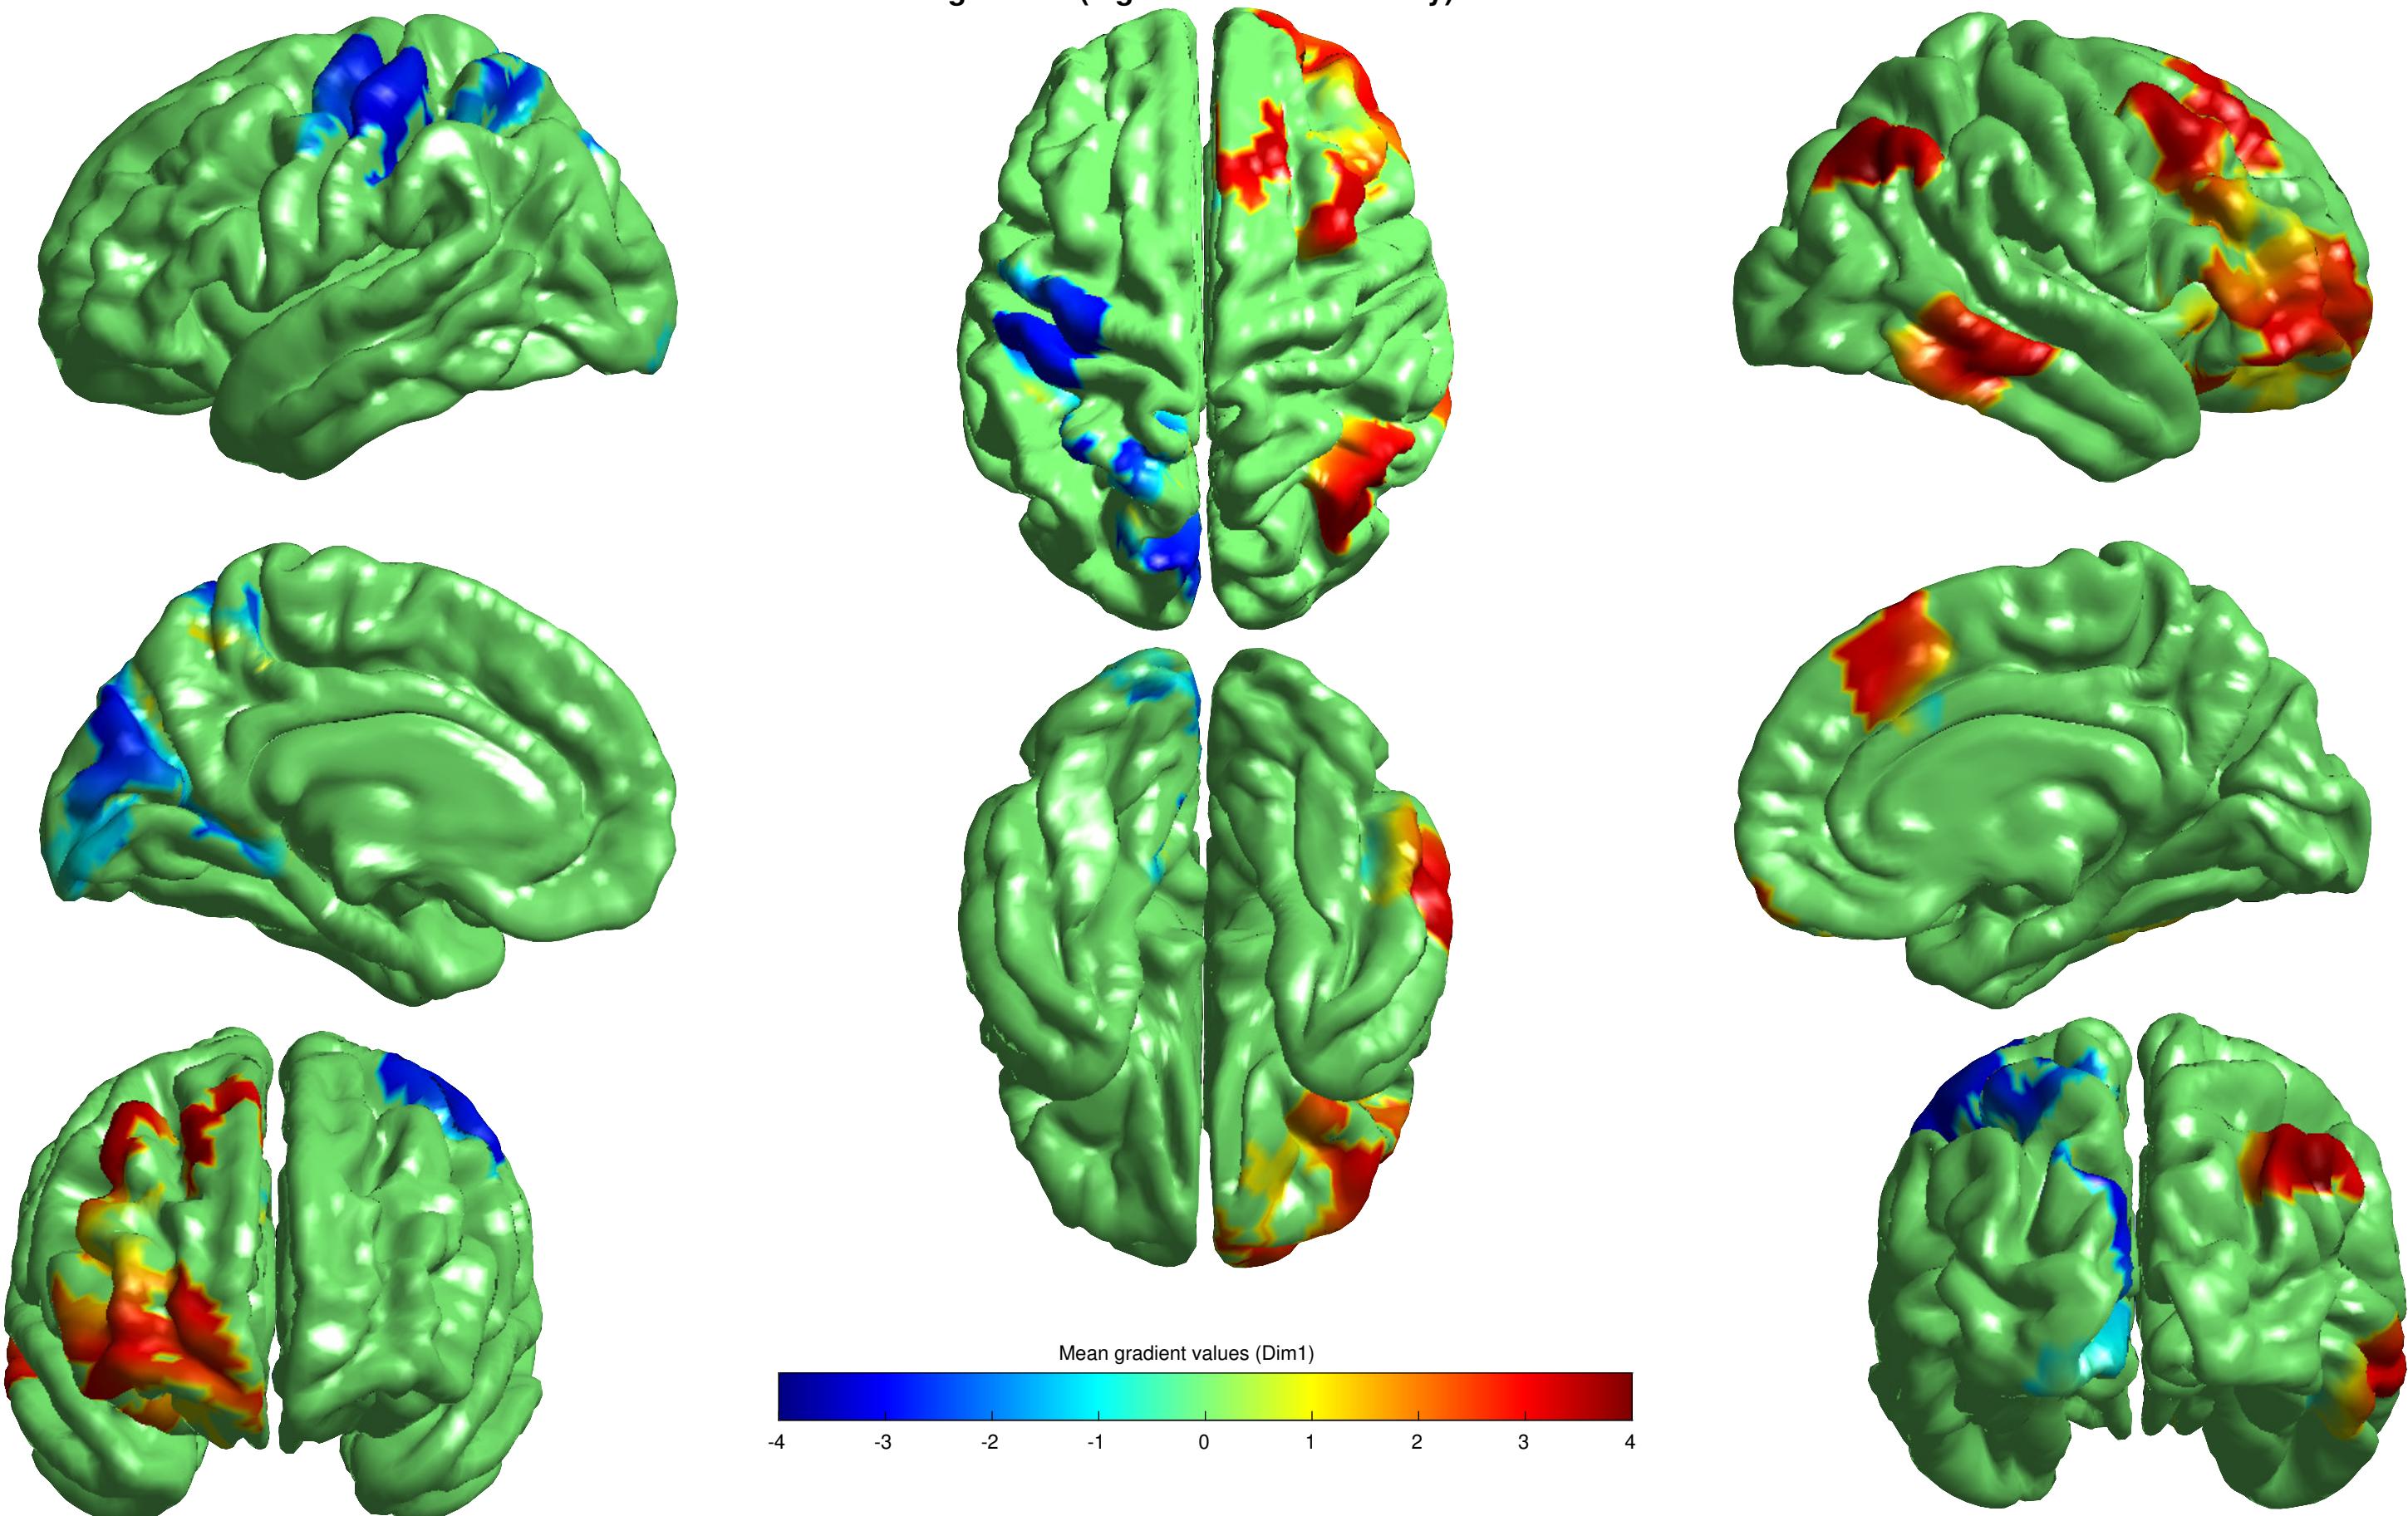

Significant clusters and vertices for dimension 1 (control>meditation) (corrected with RFT)

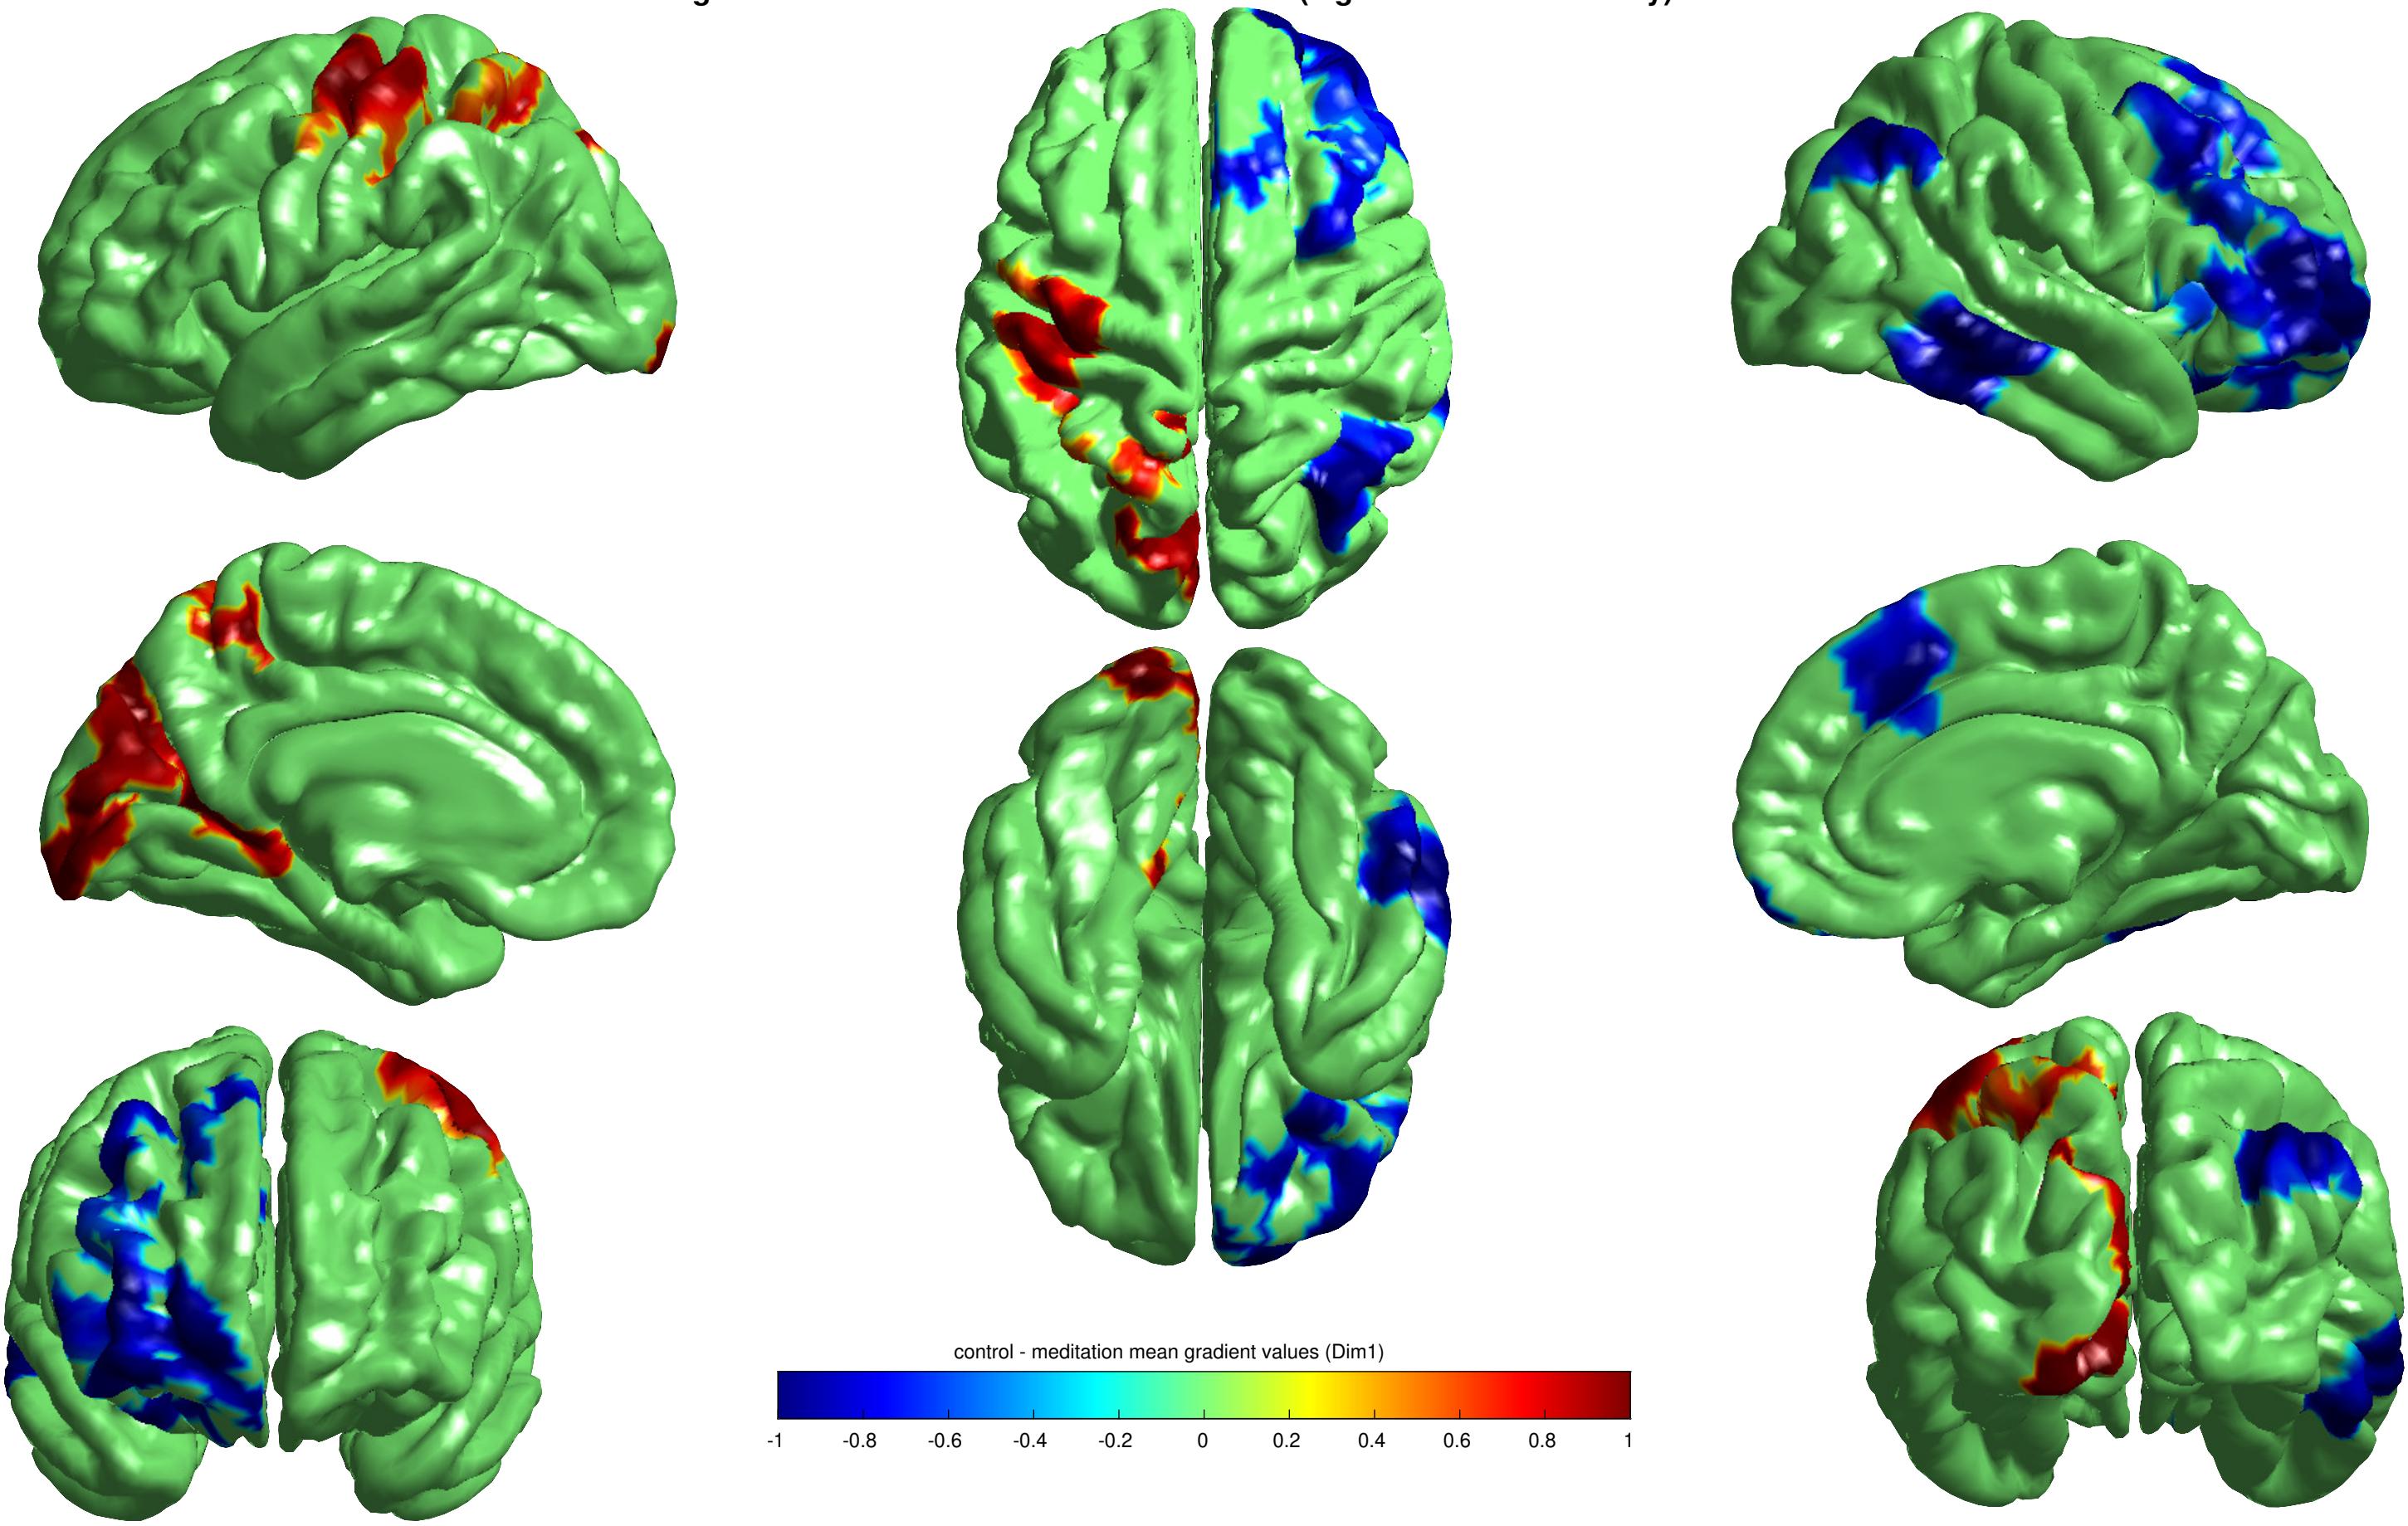

Significant clusters and vertices for dimension 1 (control<meditation) (corrected with RFT)

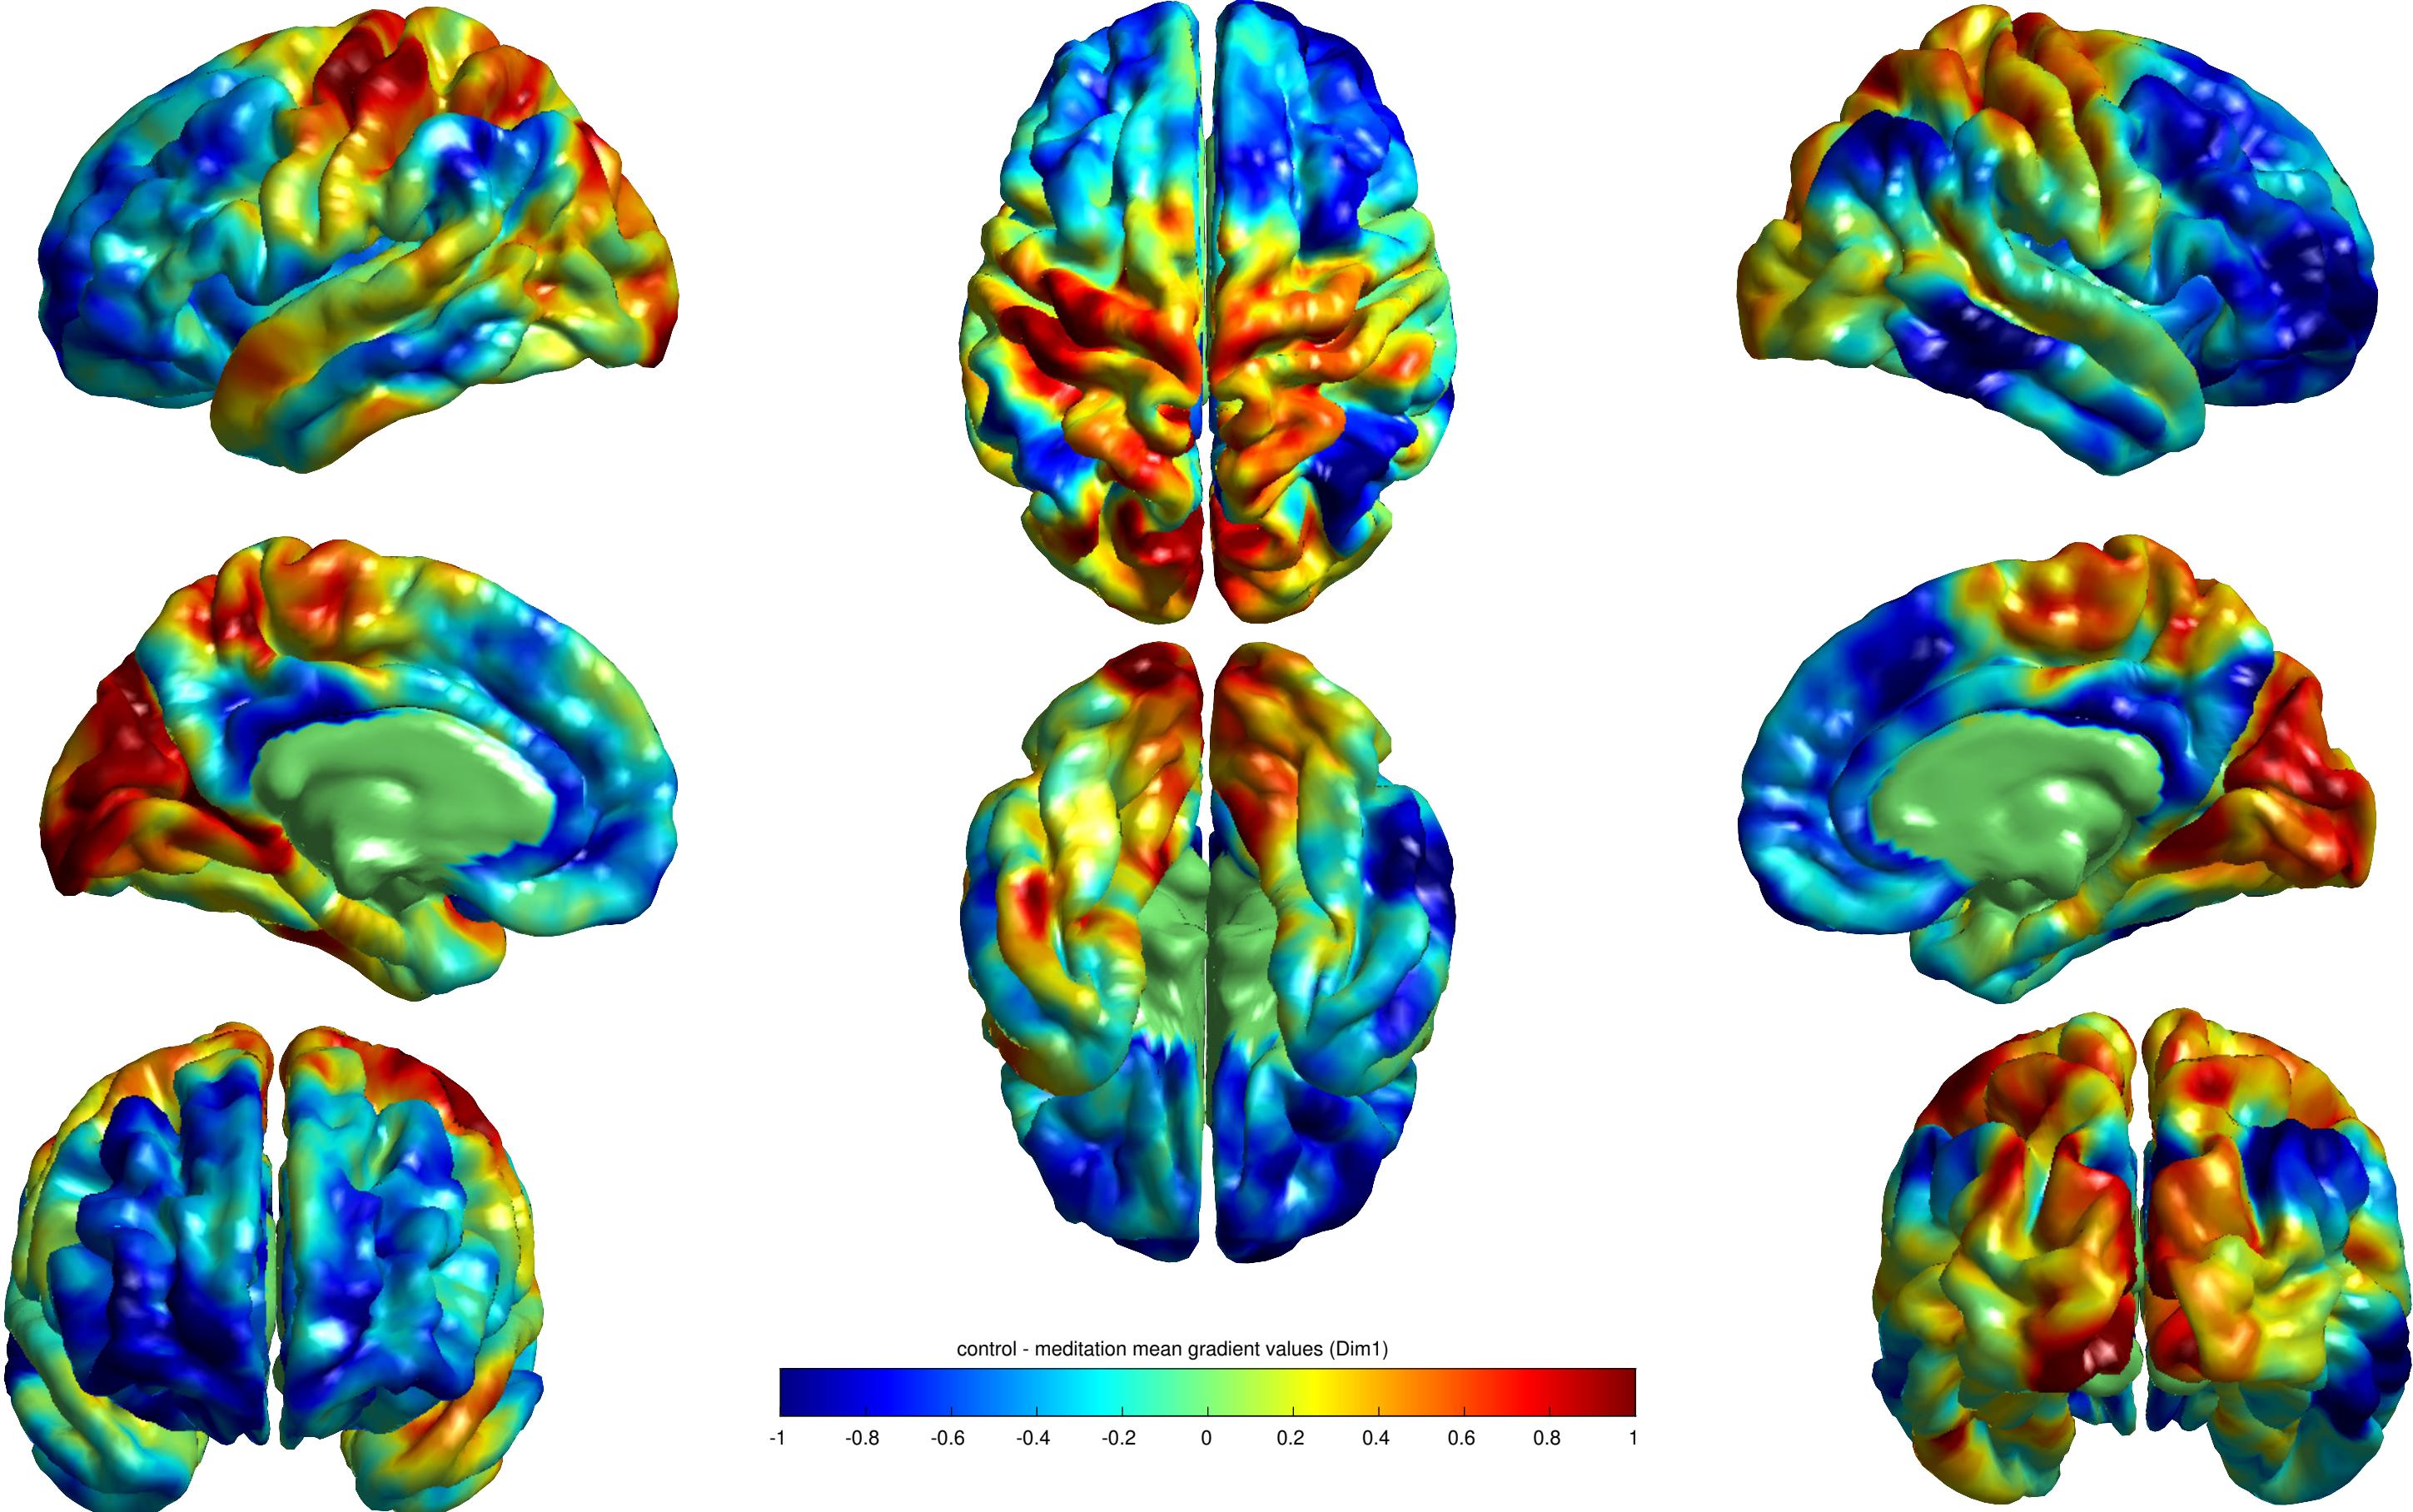

control gradient (significant clusters only)

Difference of gradient between control and meditation (significant clusters only)

Difference of gradient between control and meditation

Histogram of the control and meditation gradients (Dim1)
