MH Gradient (Dim1)

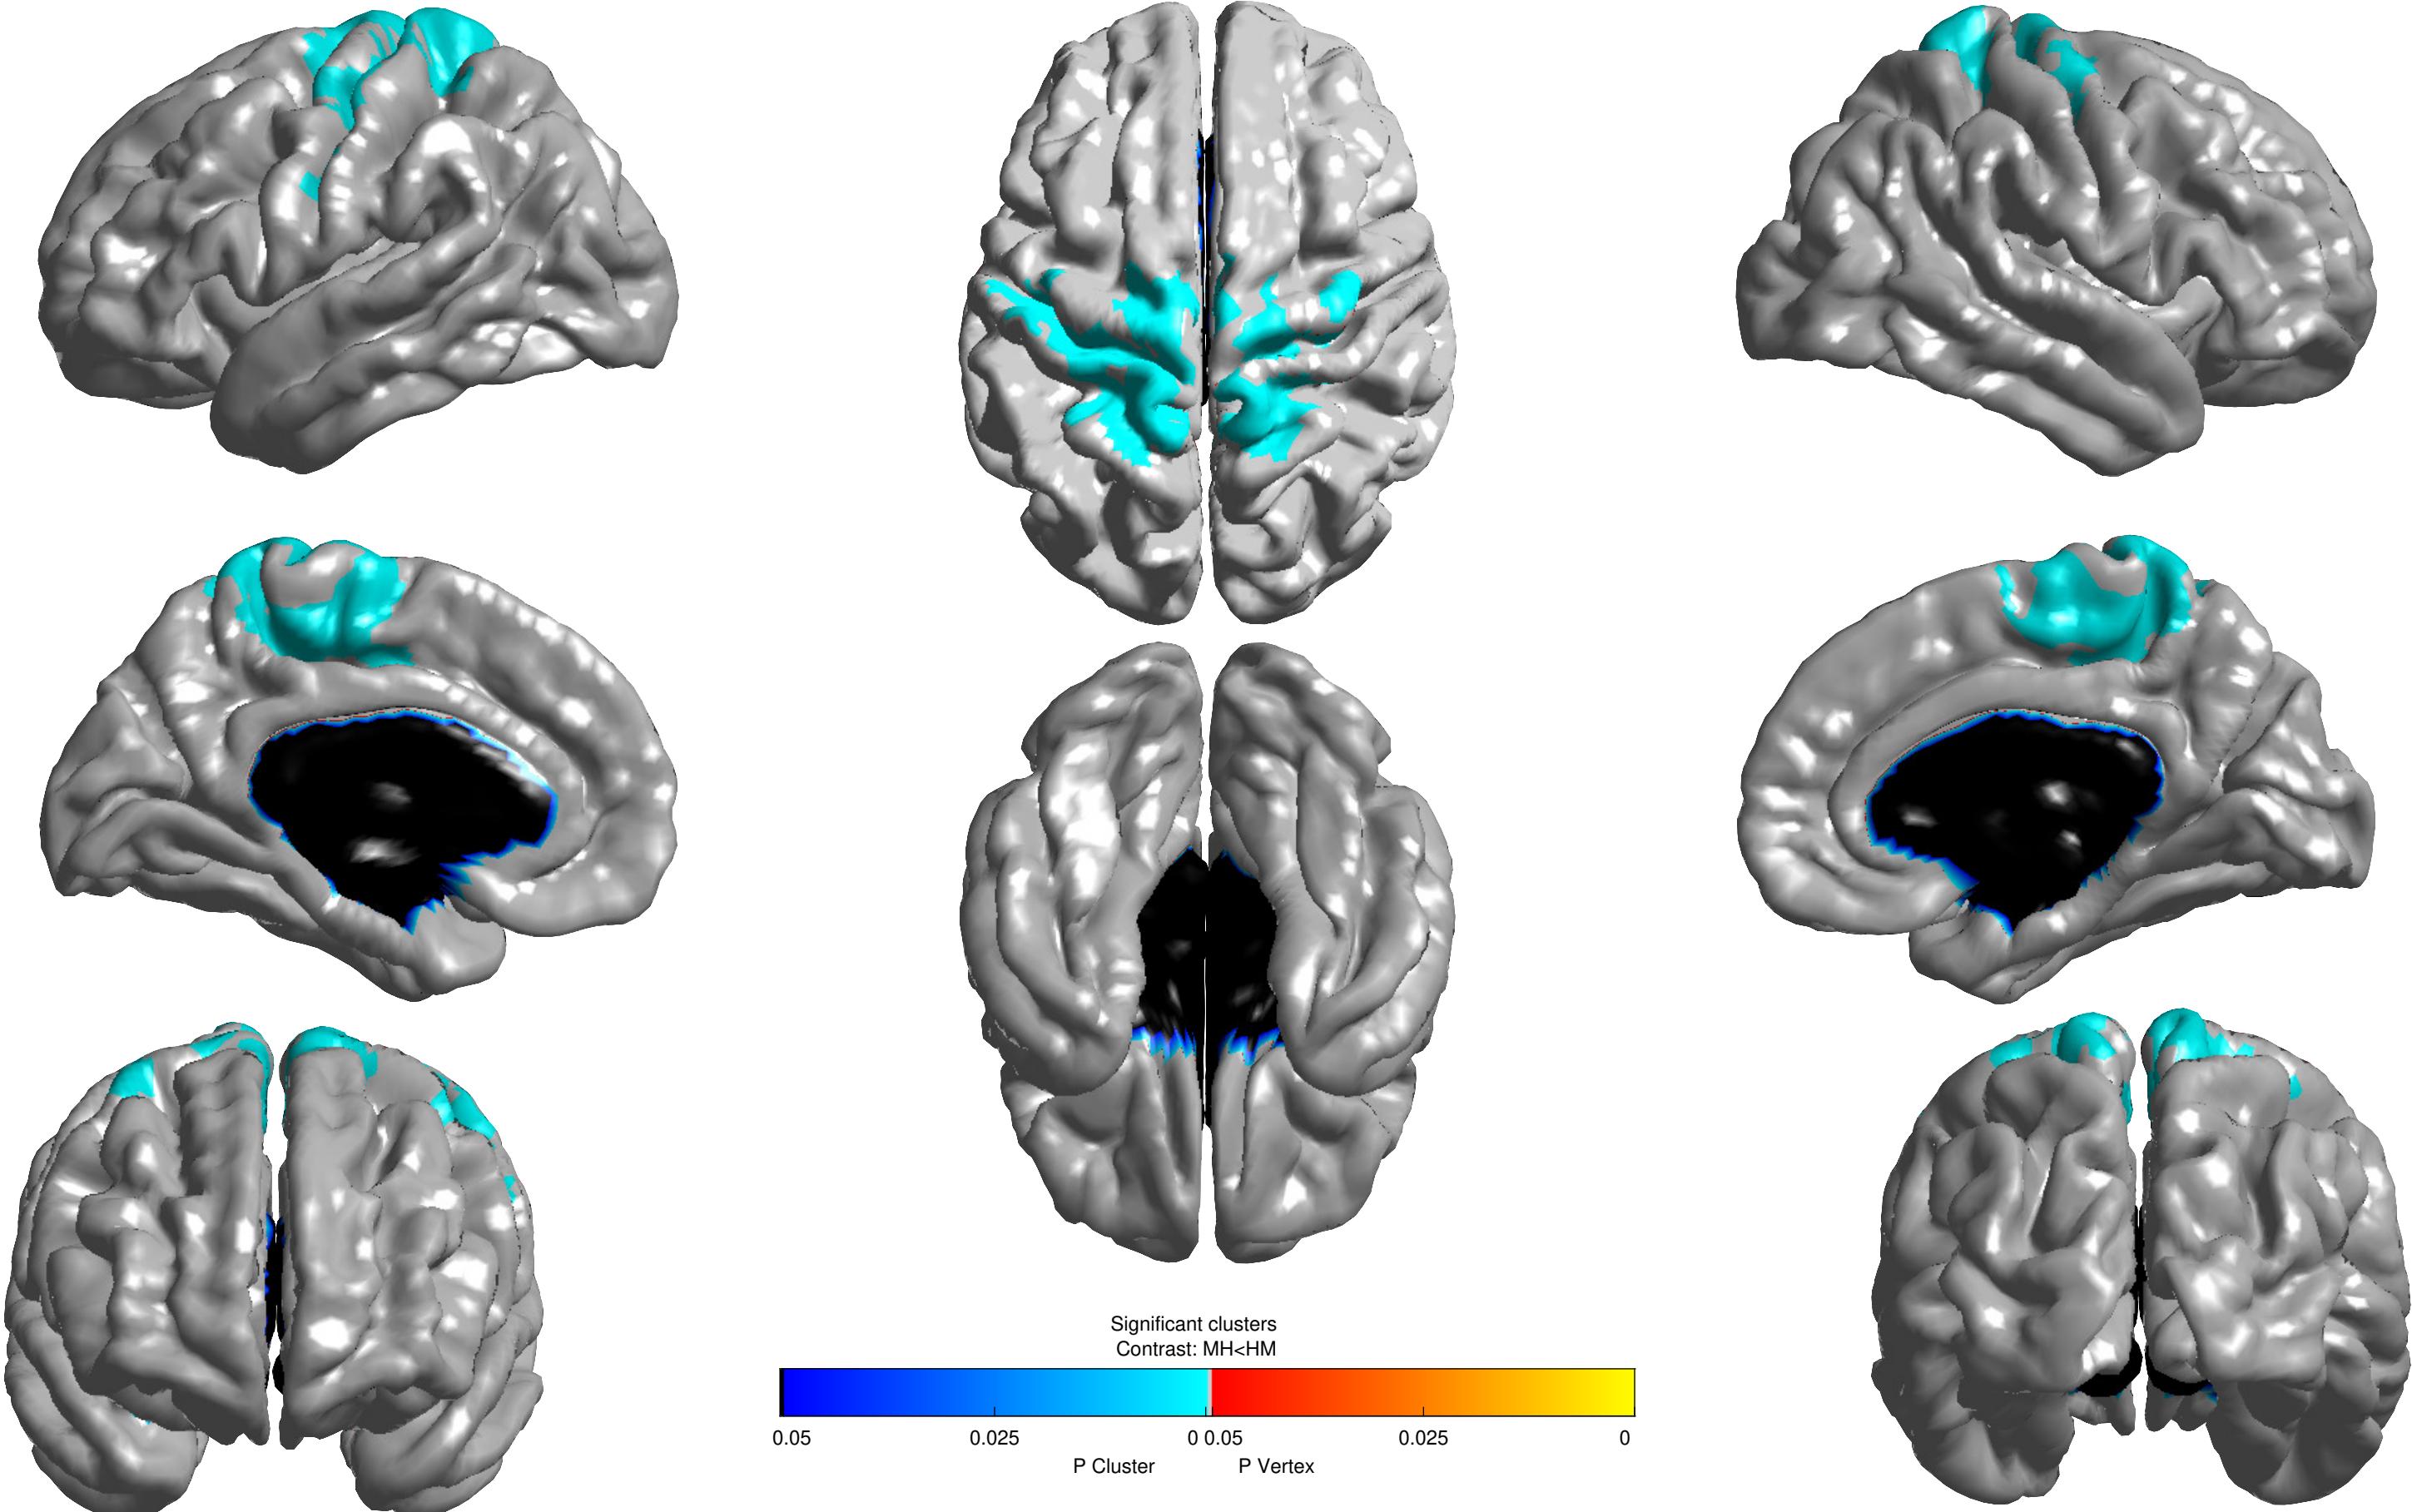

HM Gradient (Dim1)

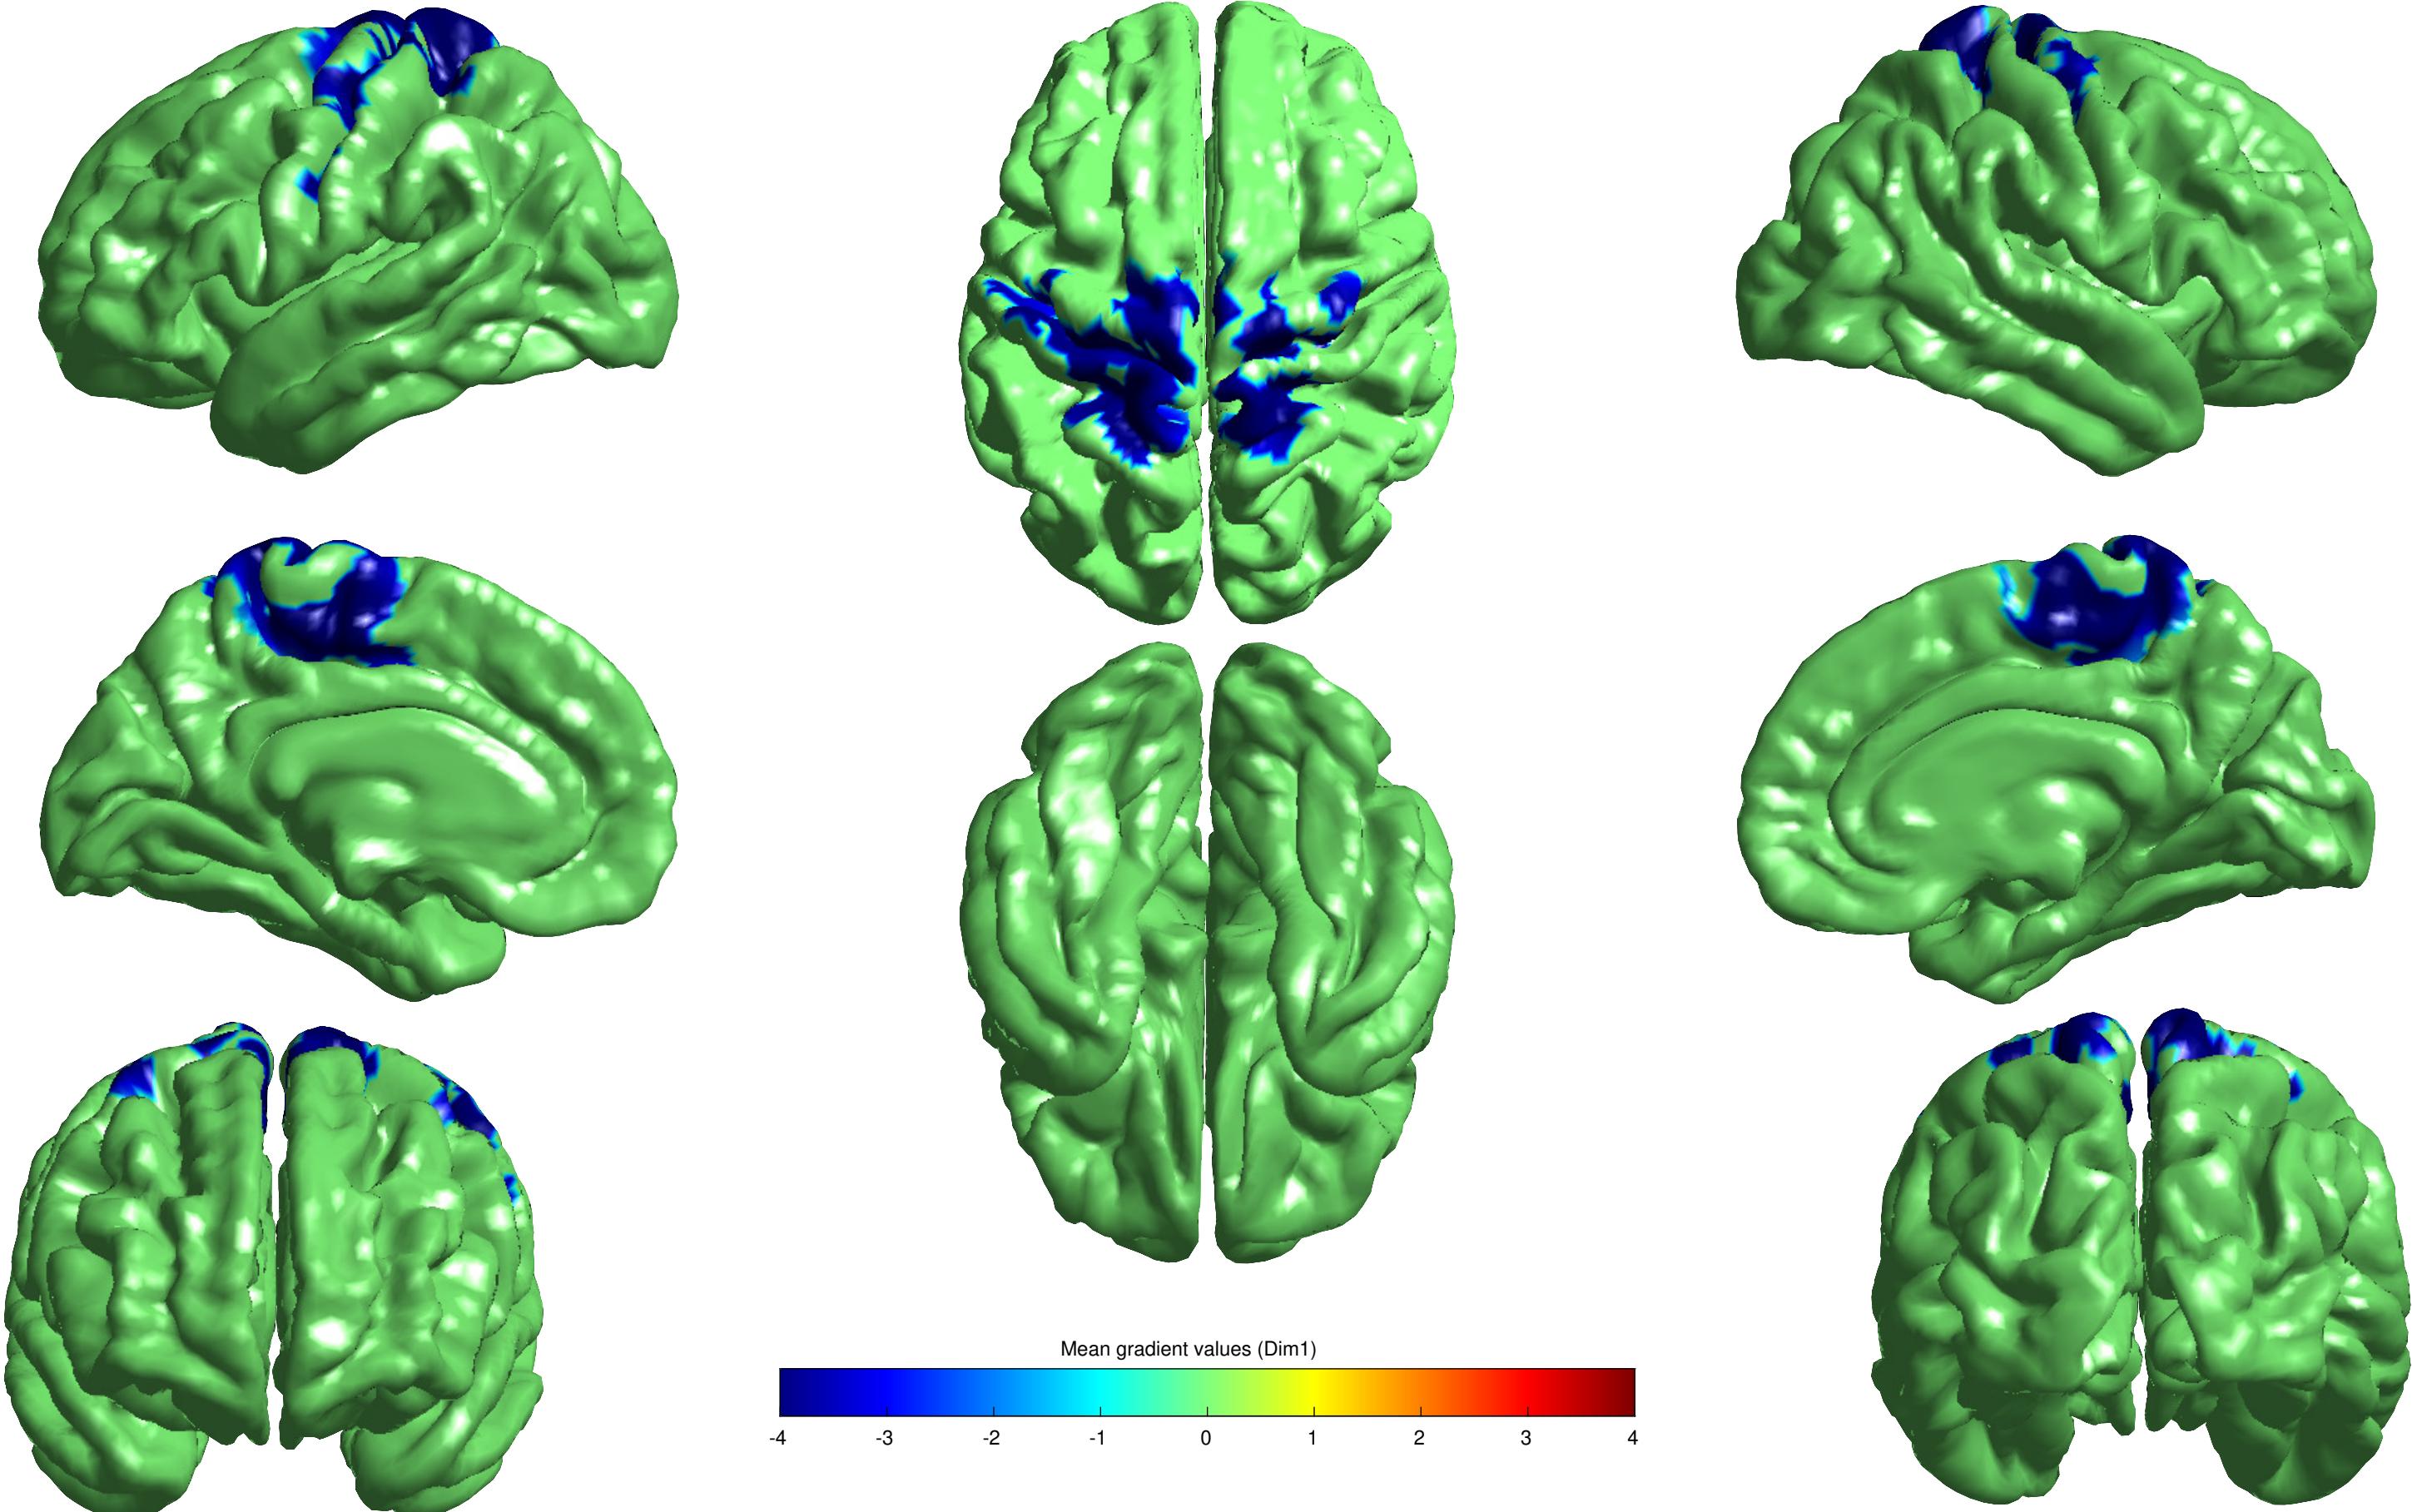

Significant clusters and vertices for dimension 1 (MH>HM) (corrected with RFT)

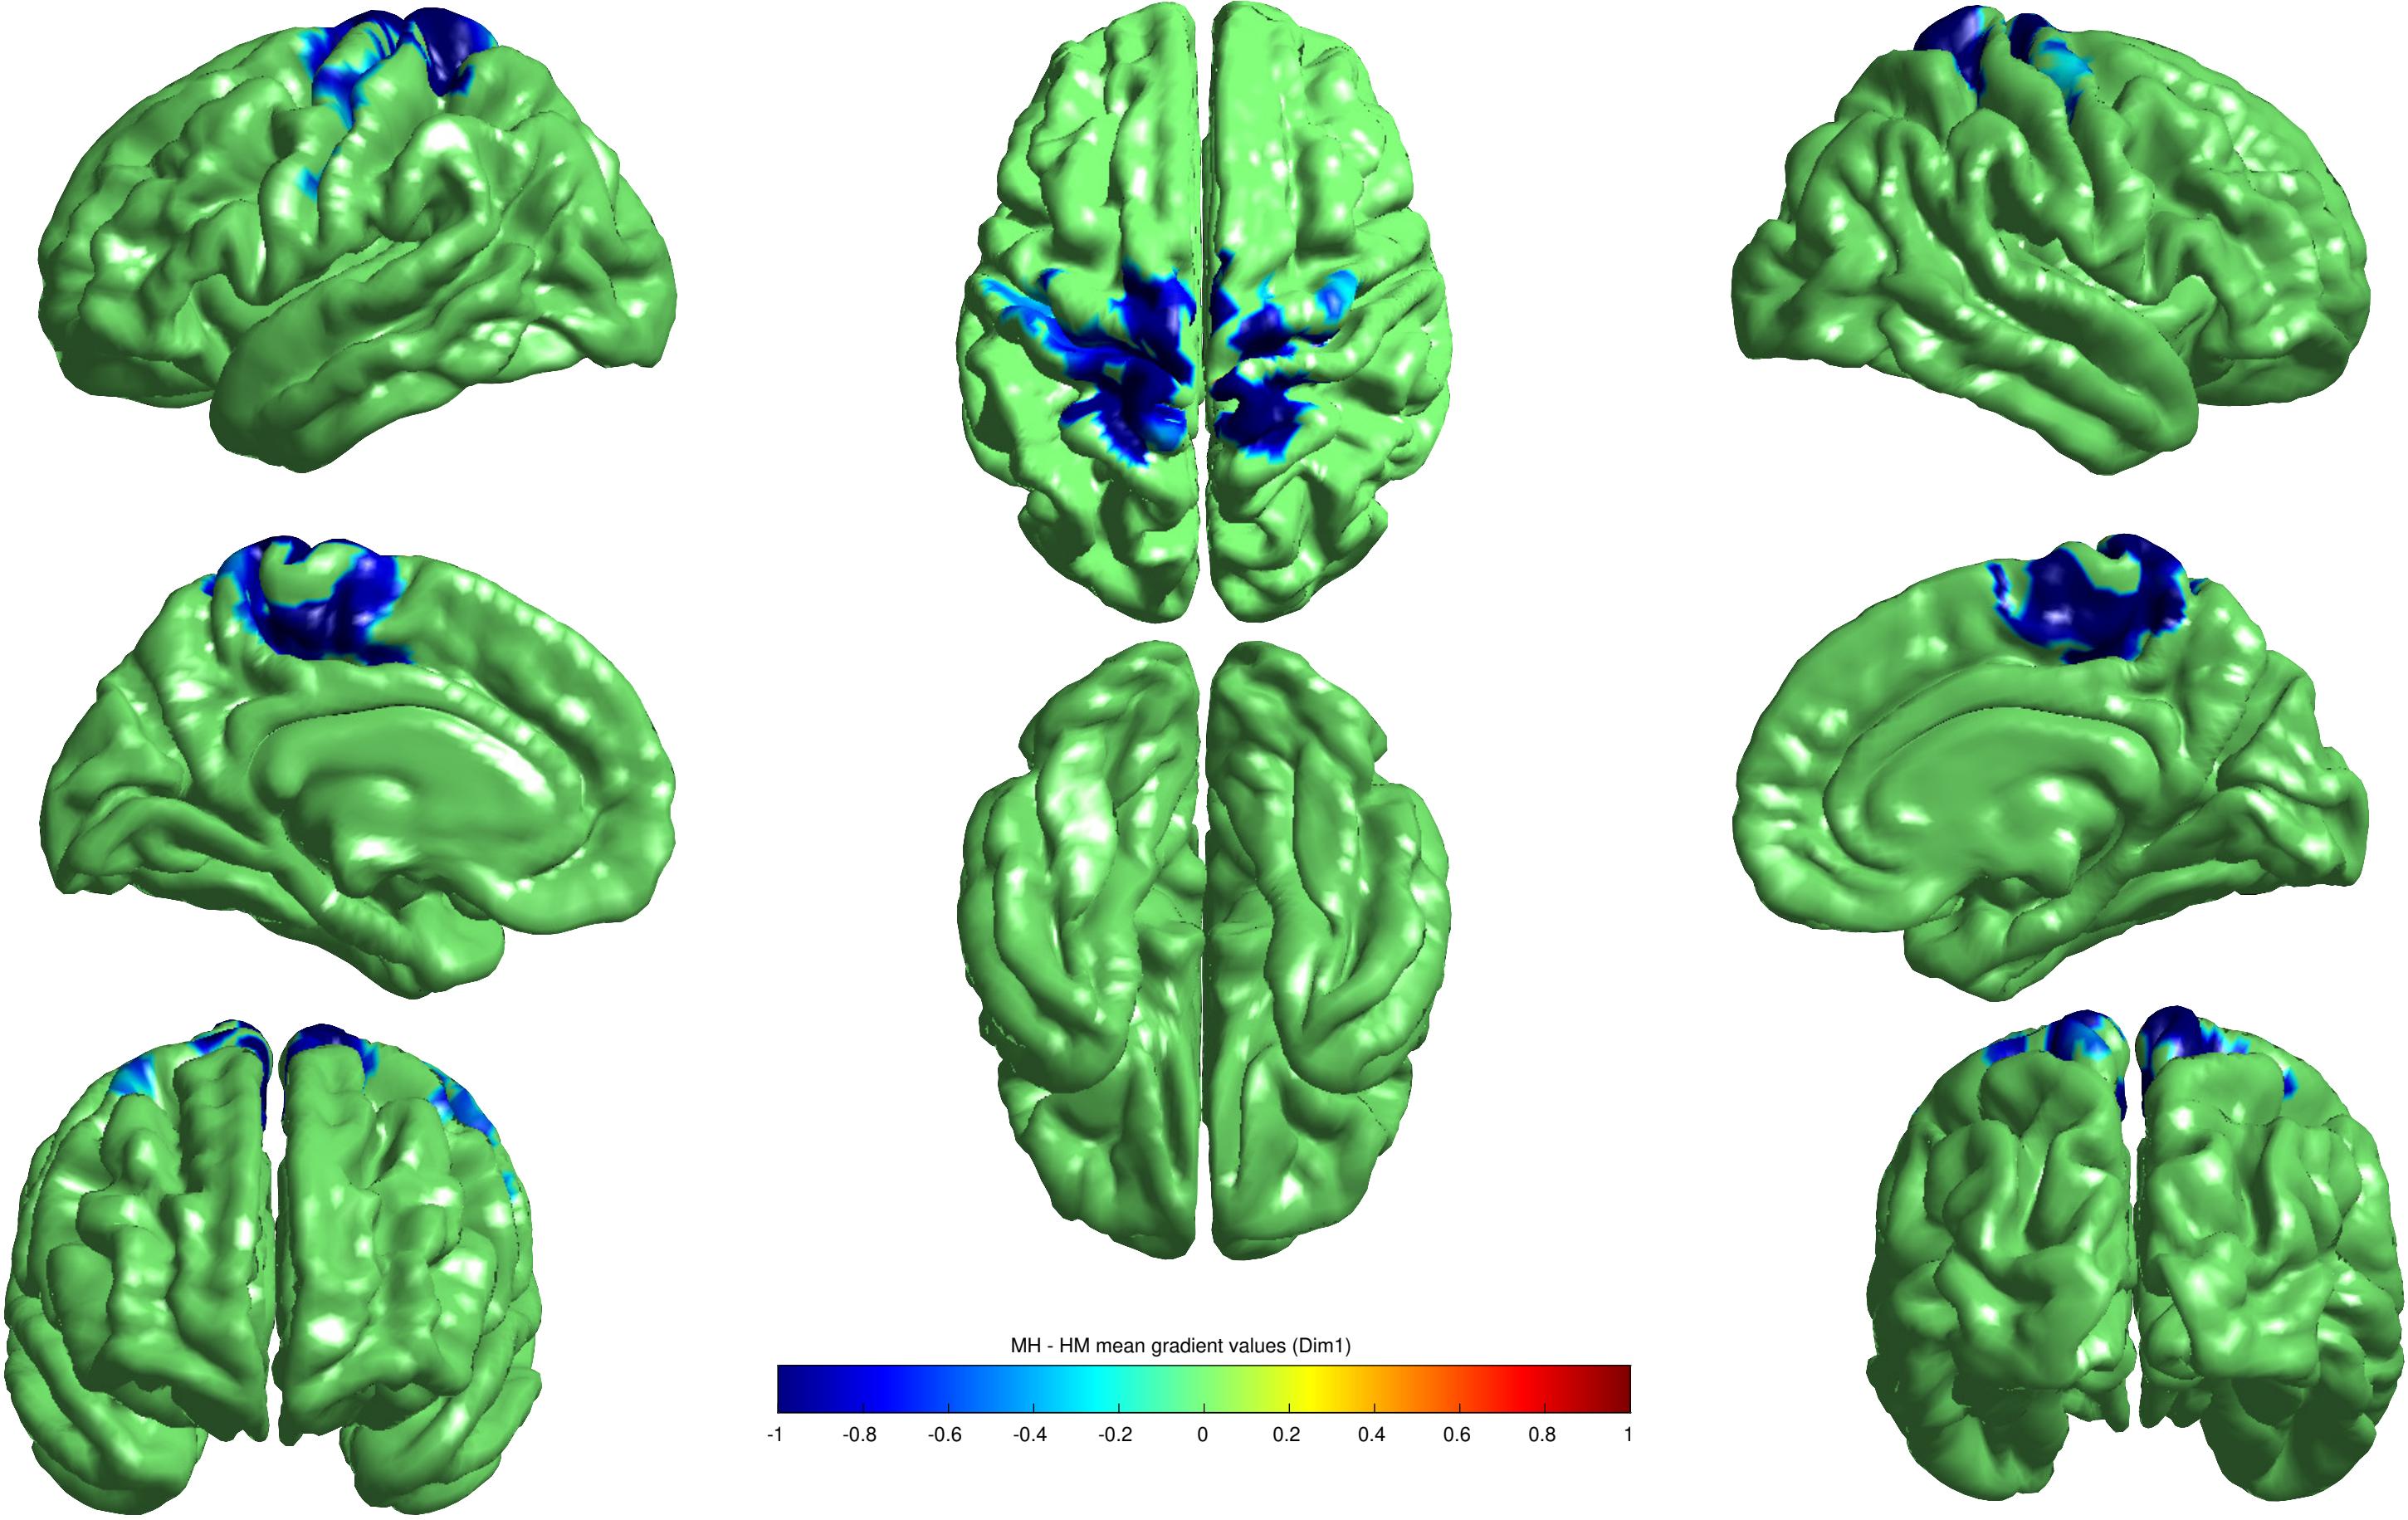

Significant clusters and vertices for dimension 1 (MH<HM) (corrected with RFT)

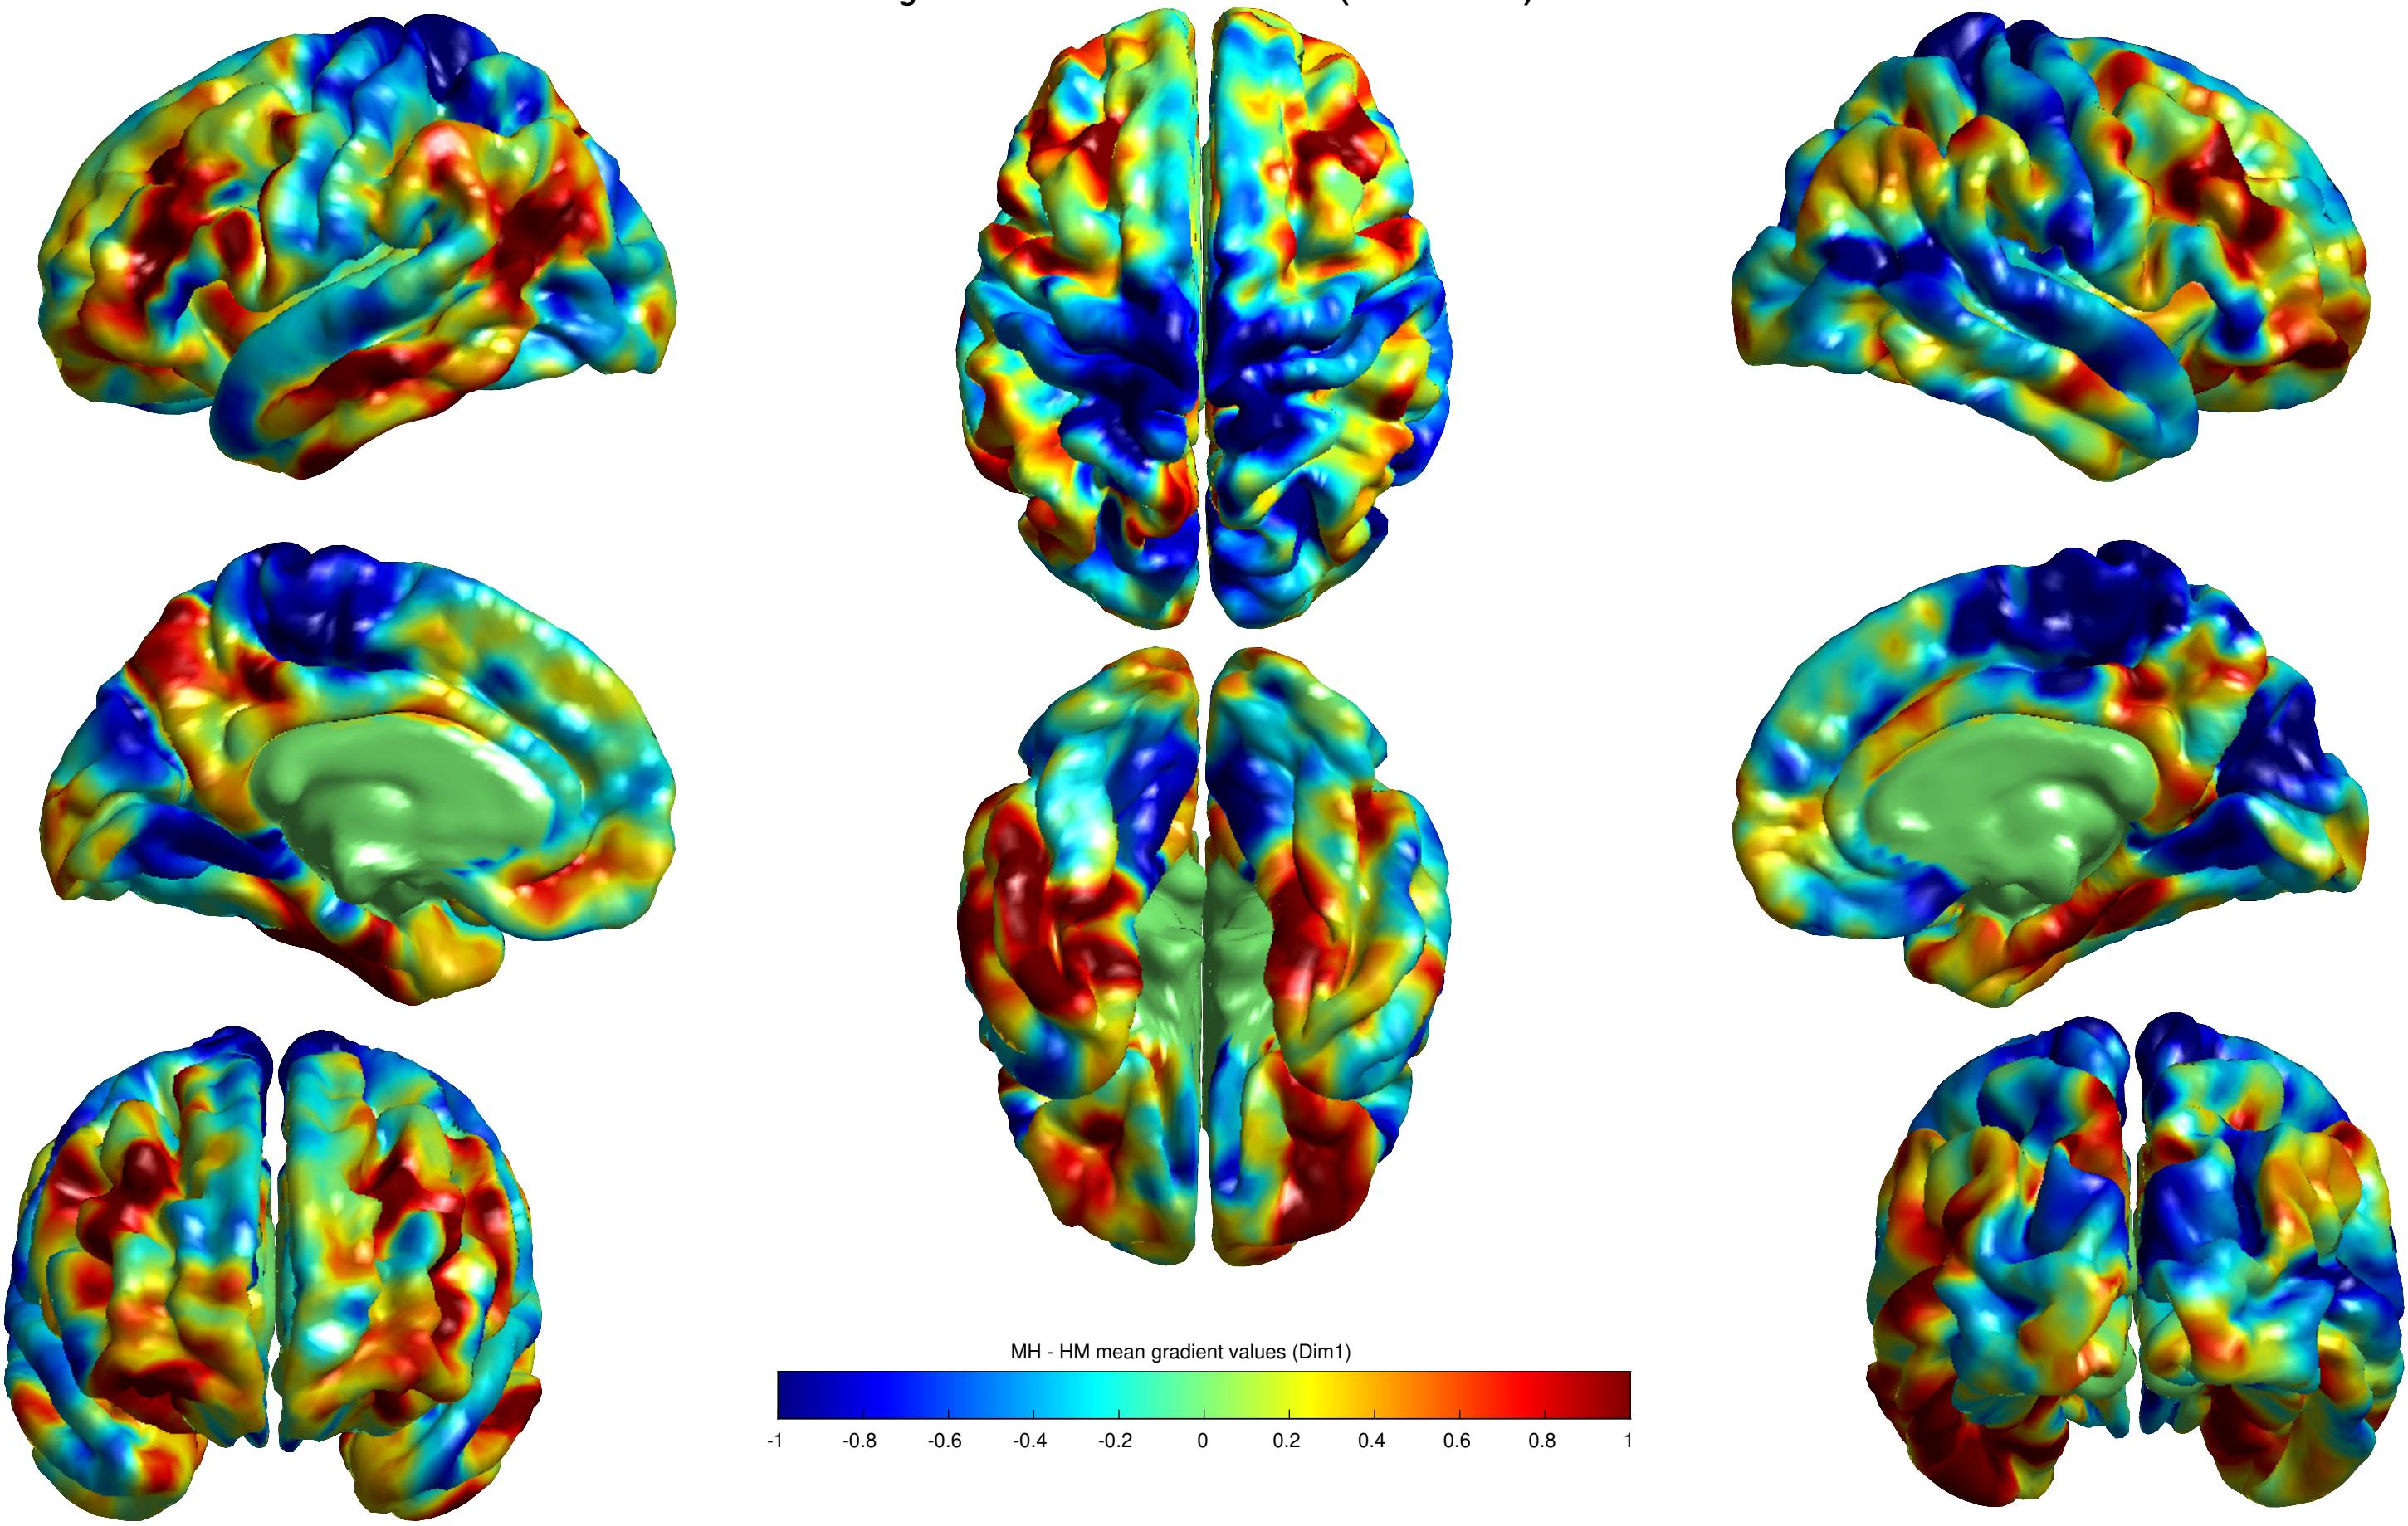

MH gradient (significant clusters only)

Difference of gradient between MH and HM (significant clusters only)

Difference of gradient between MH and HM (whole-brain)

# Histogram of the MH and HM gradients (Dim1)
