

HYPNOSE analysis \downarrow **lock2-block3 interaction**

image sequence

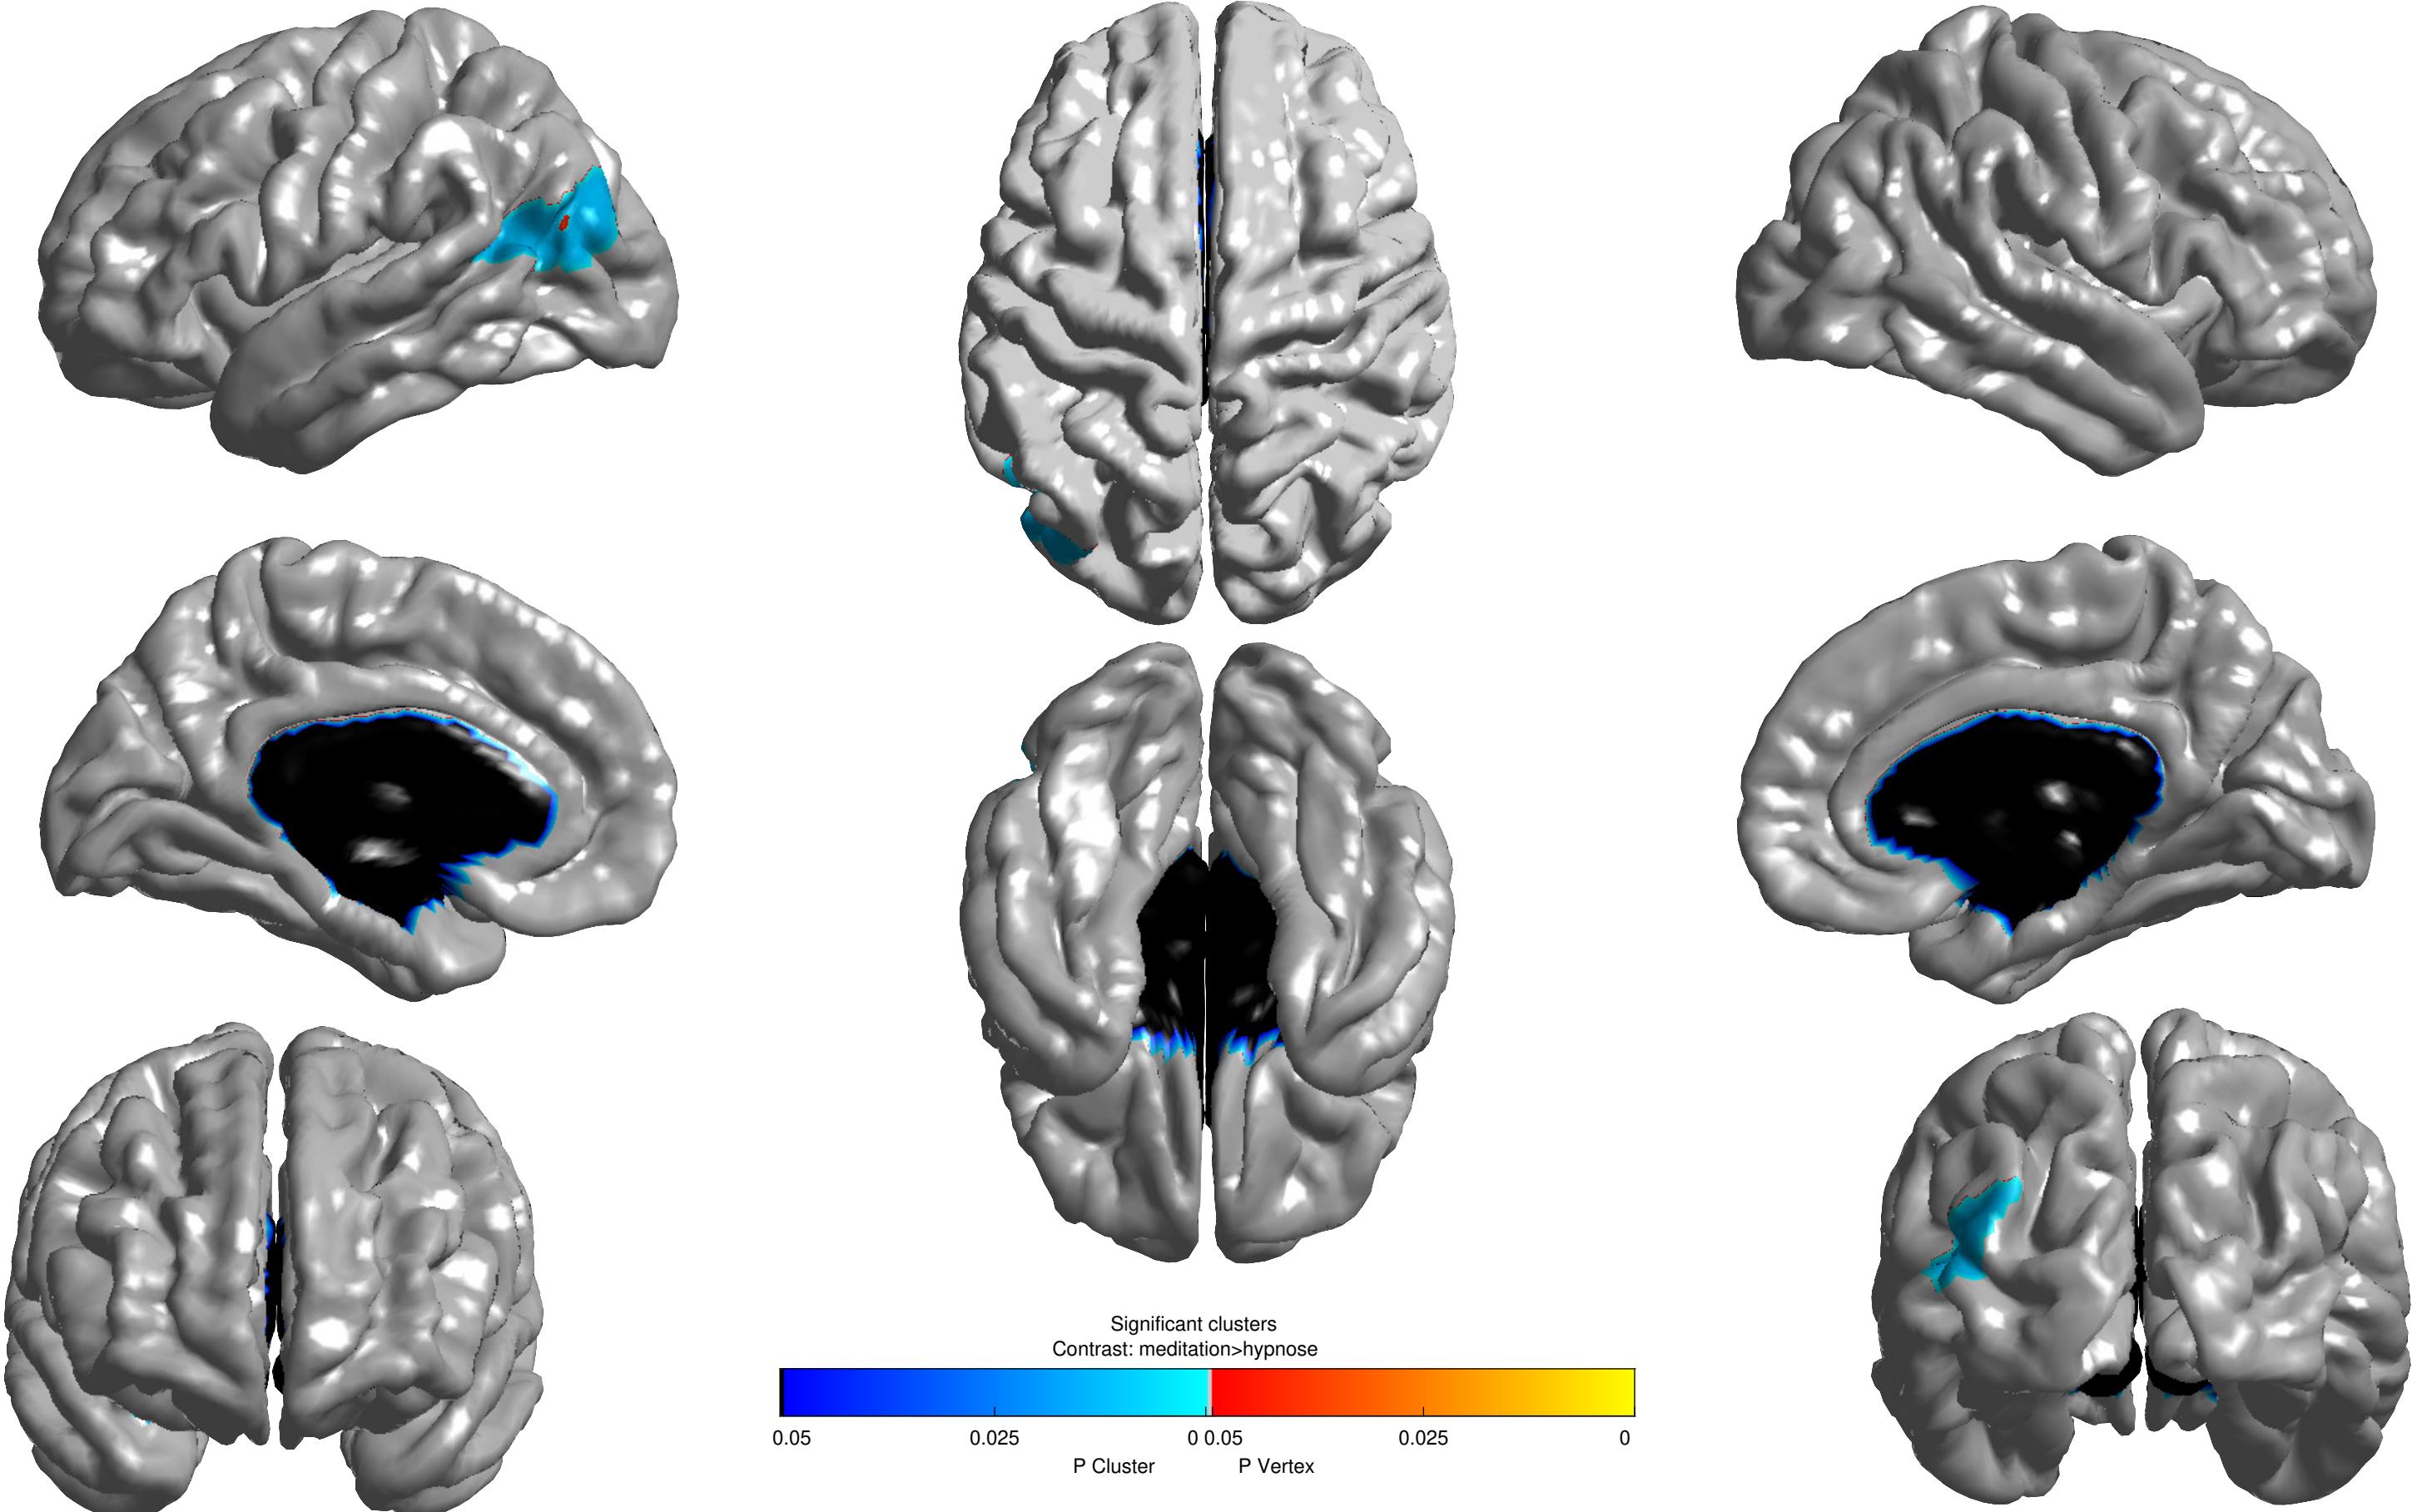

meditation Gradient (Dim1)

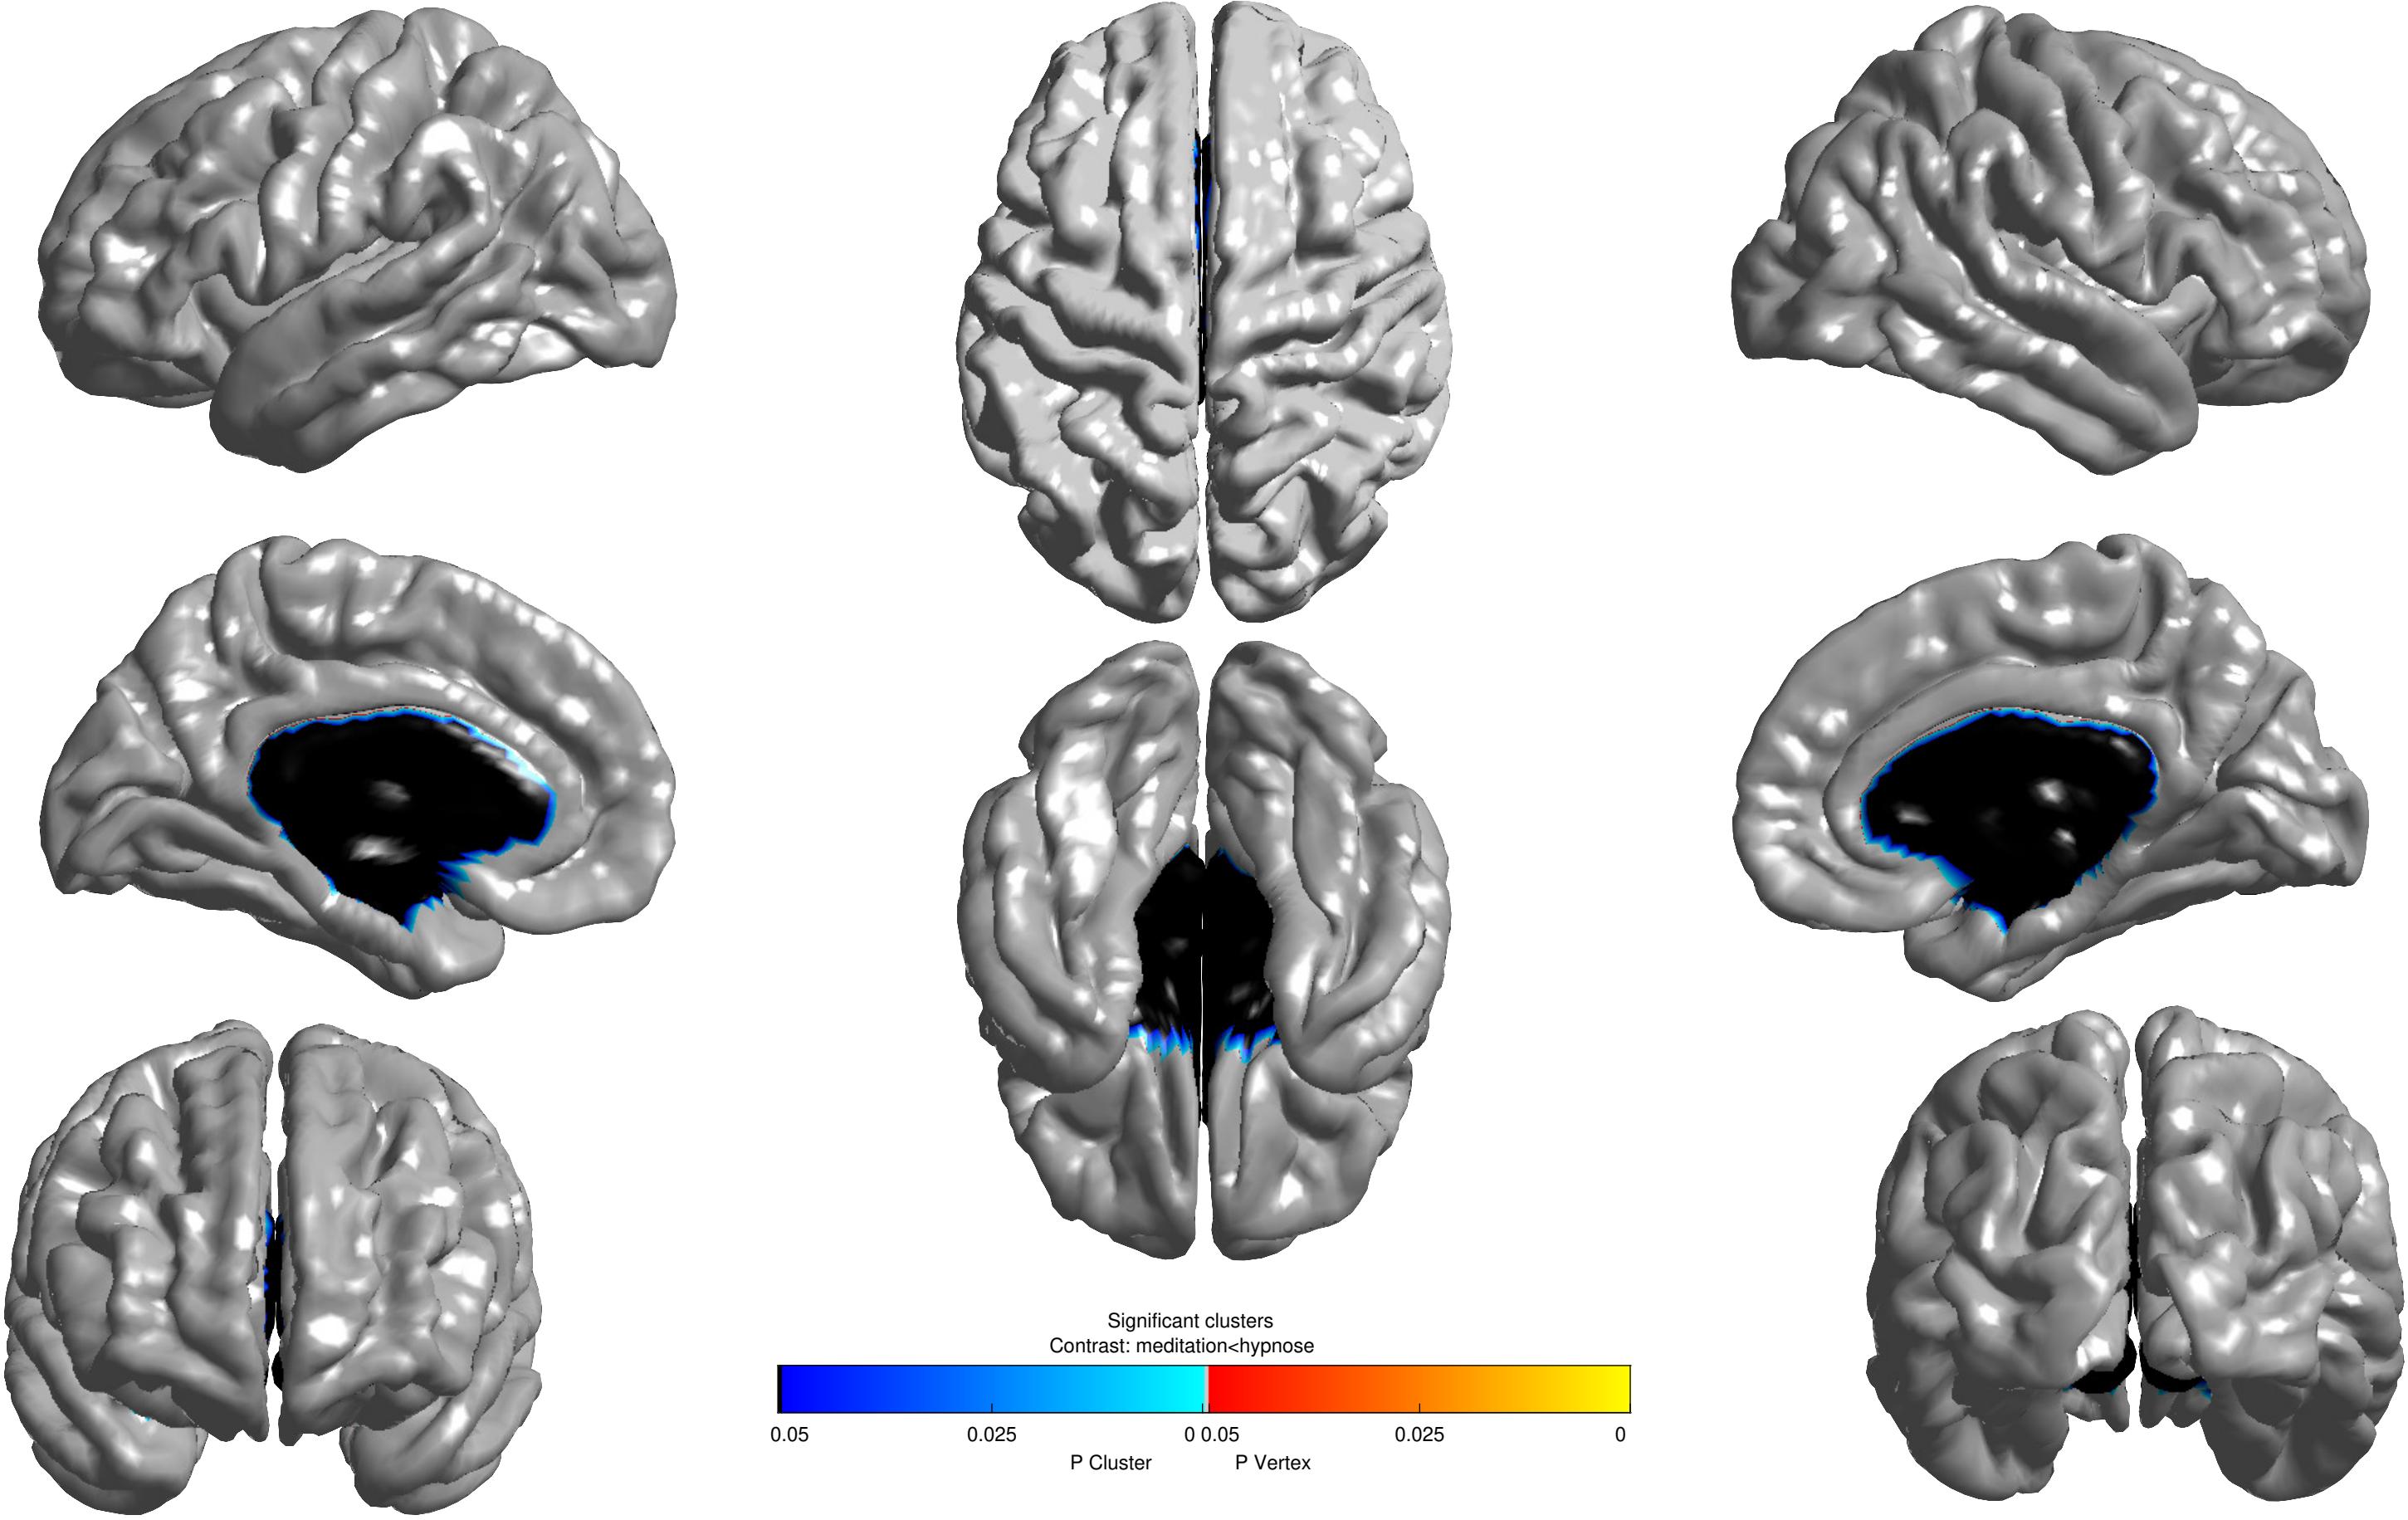

hypnose Gradient (Dim1)

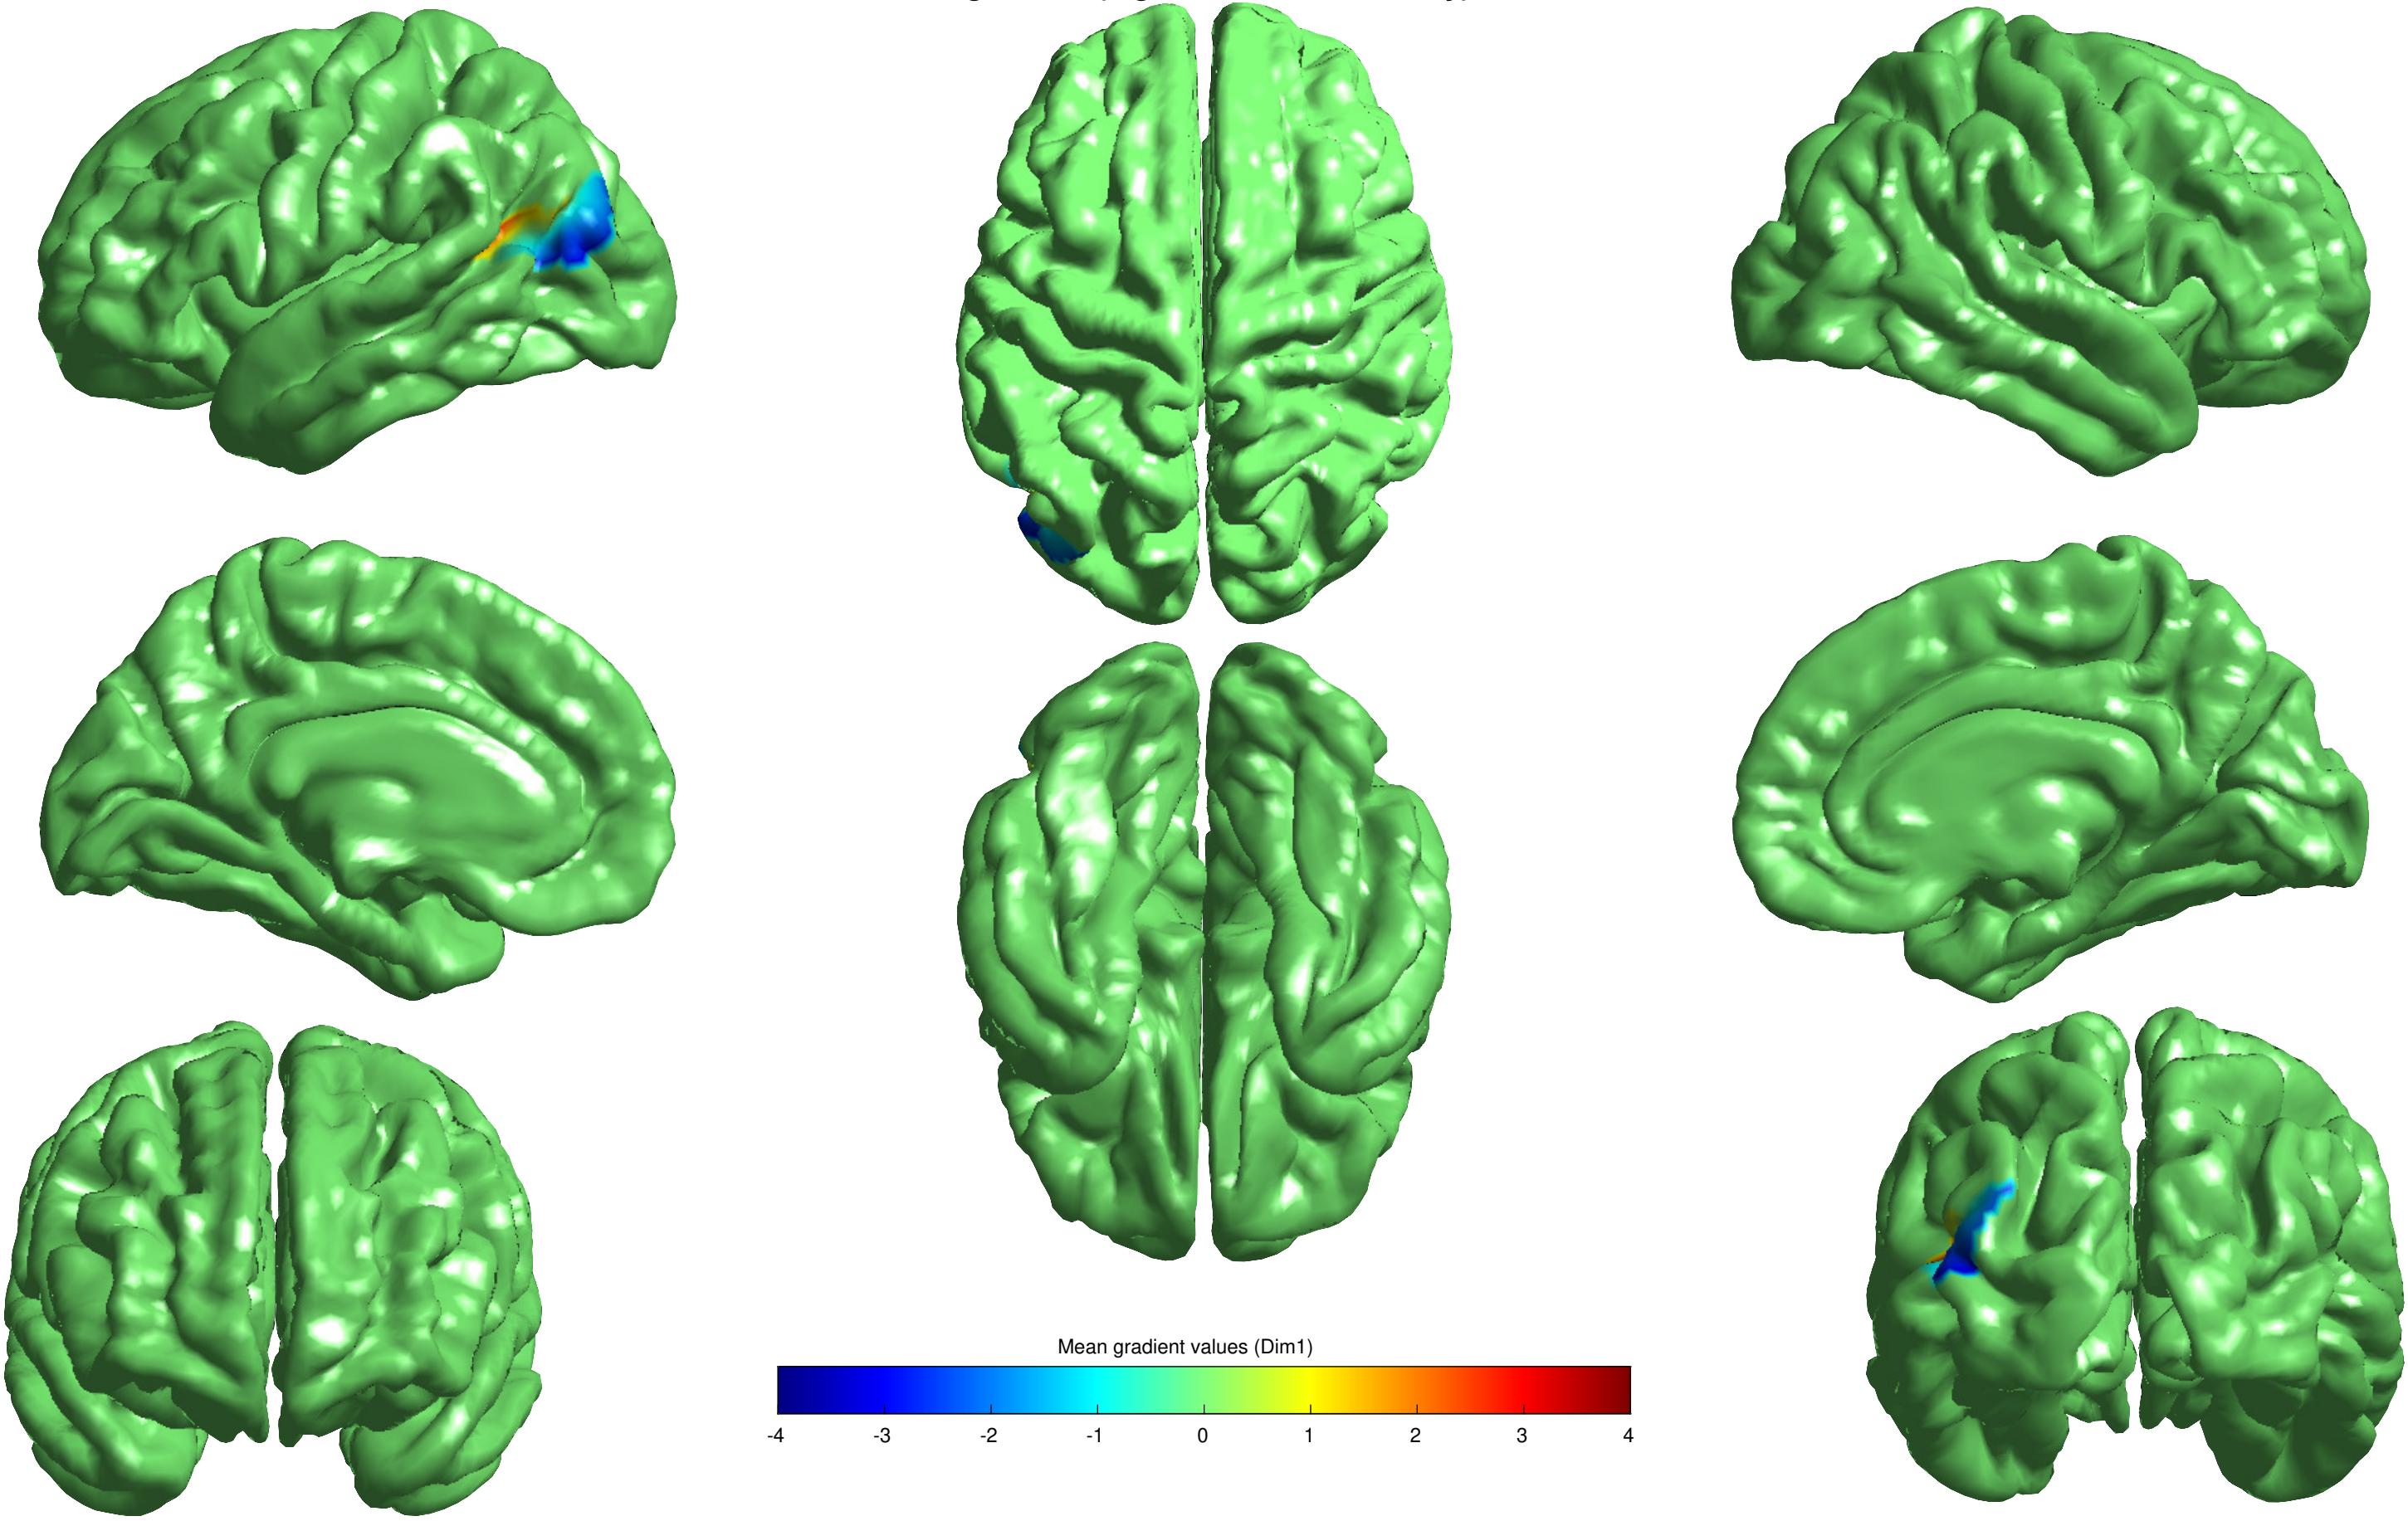

Significant clusters and vertices for dimension 1 (meditation>hypnose) (corrected with RFT)

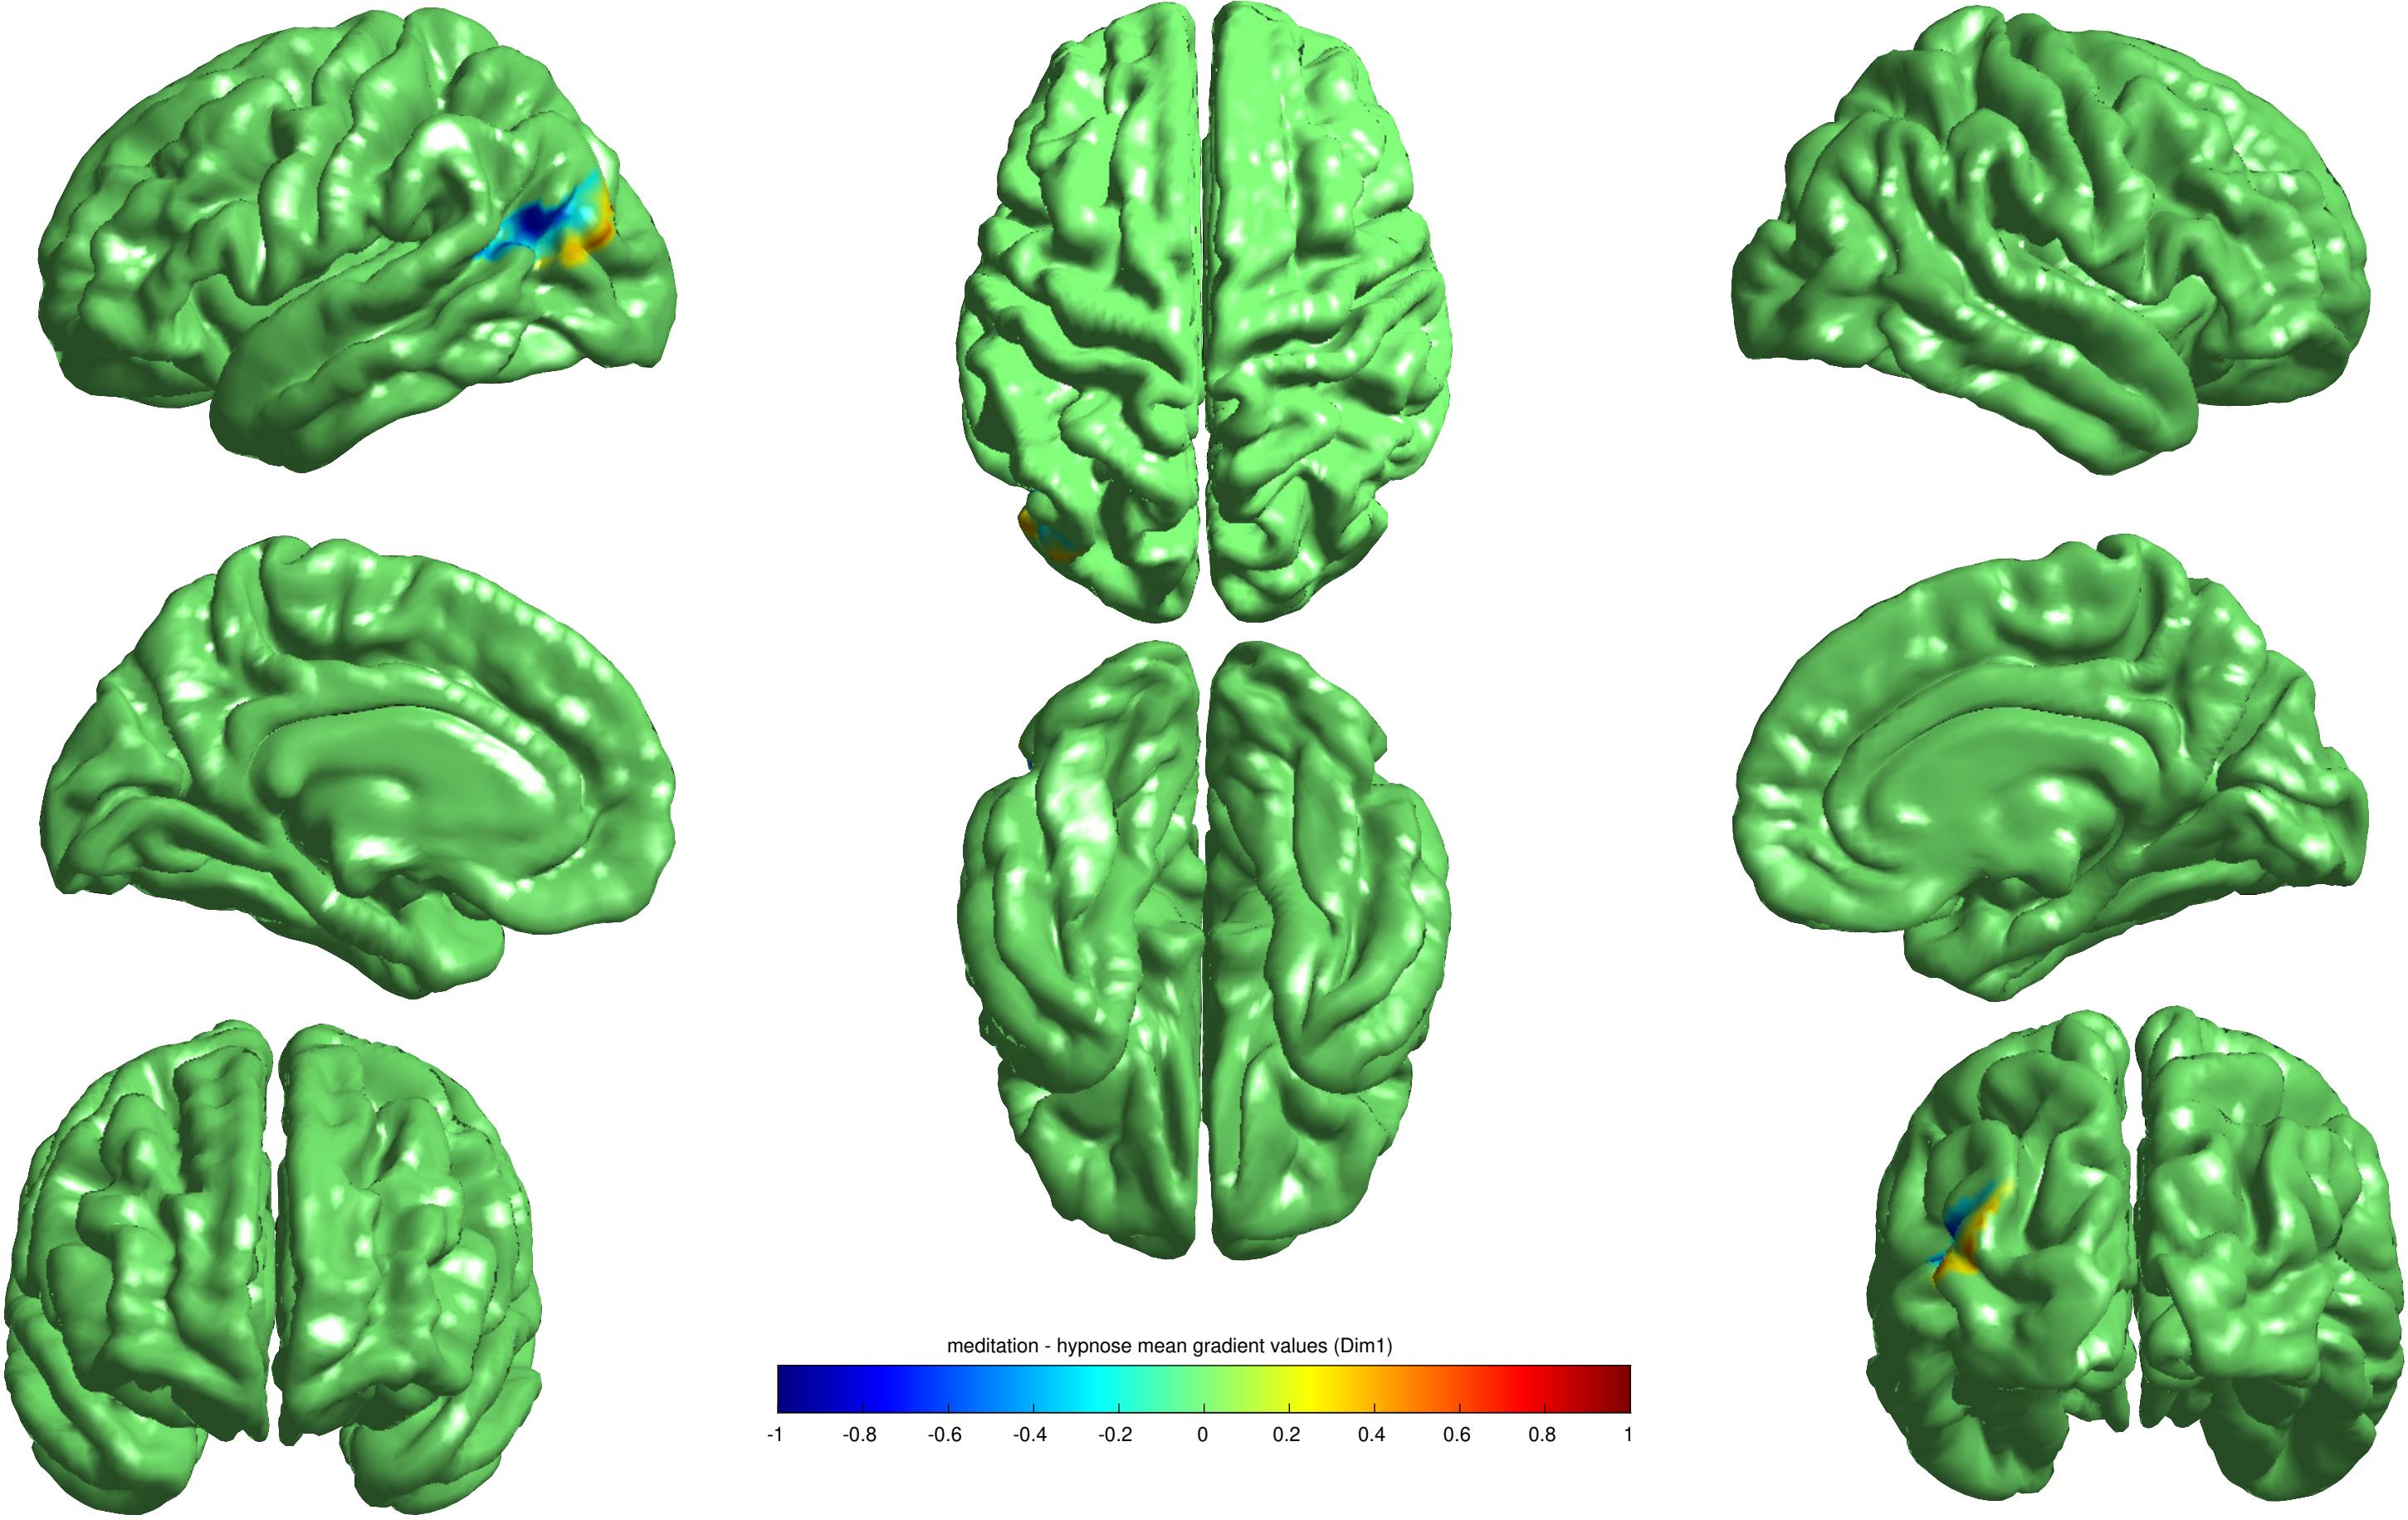

Significant clusters and vertices for dimension 1 (meditation<hypnose) (corrected with RFT)

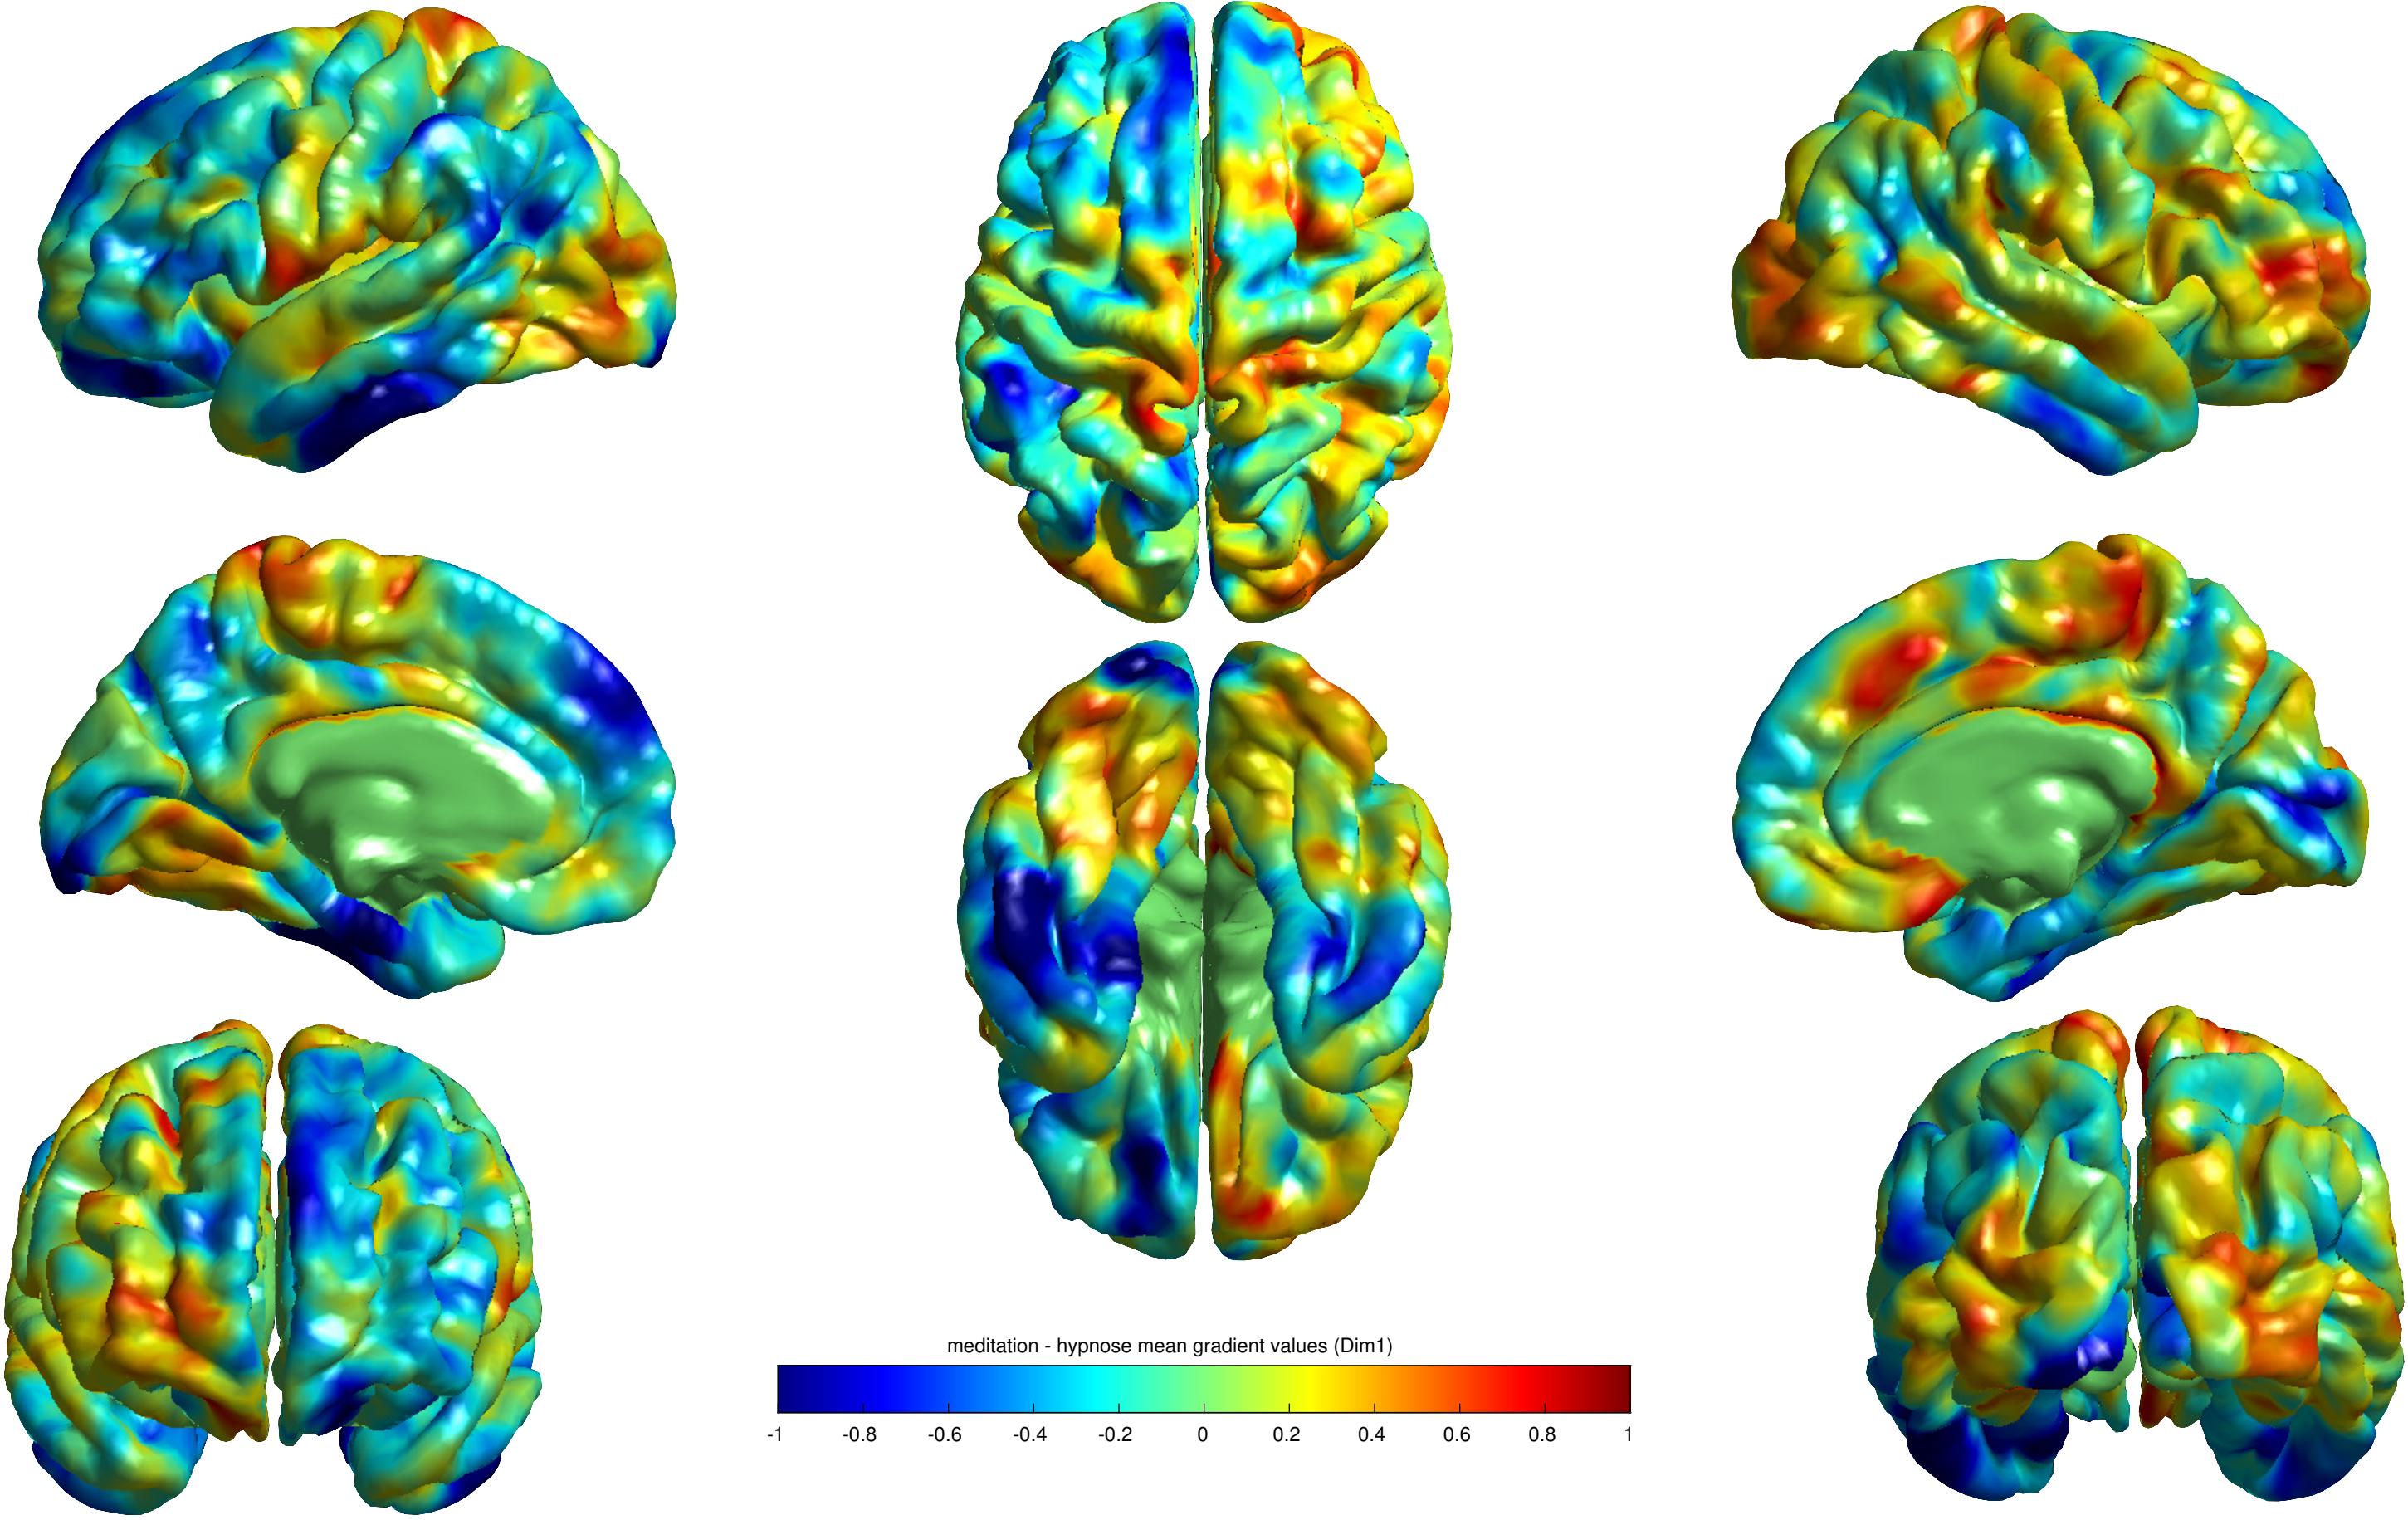

meditation gradient (significant clusters only)

Difference of gradient between meditation and hypnose (significant clusters only)

Difference of gradient between meditation and hypnose (whole-brain)

Histogram of the meditation and hypnose gradients (Dim1)
