

control analysis vs meditation analysis

image sequence

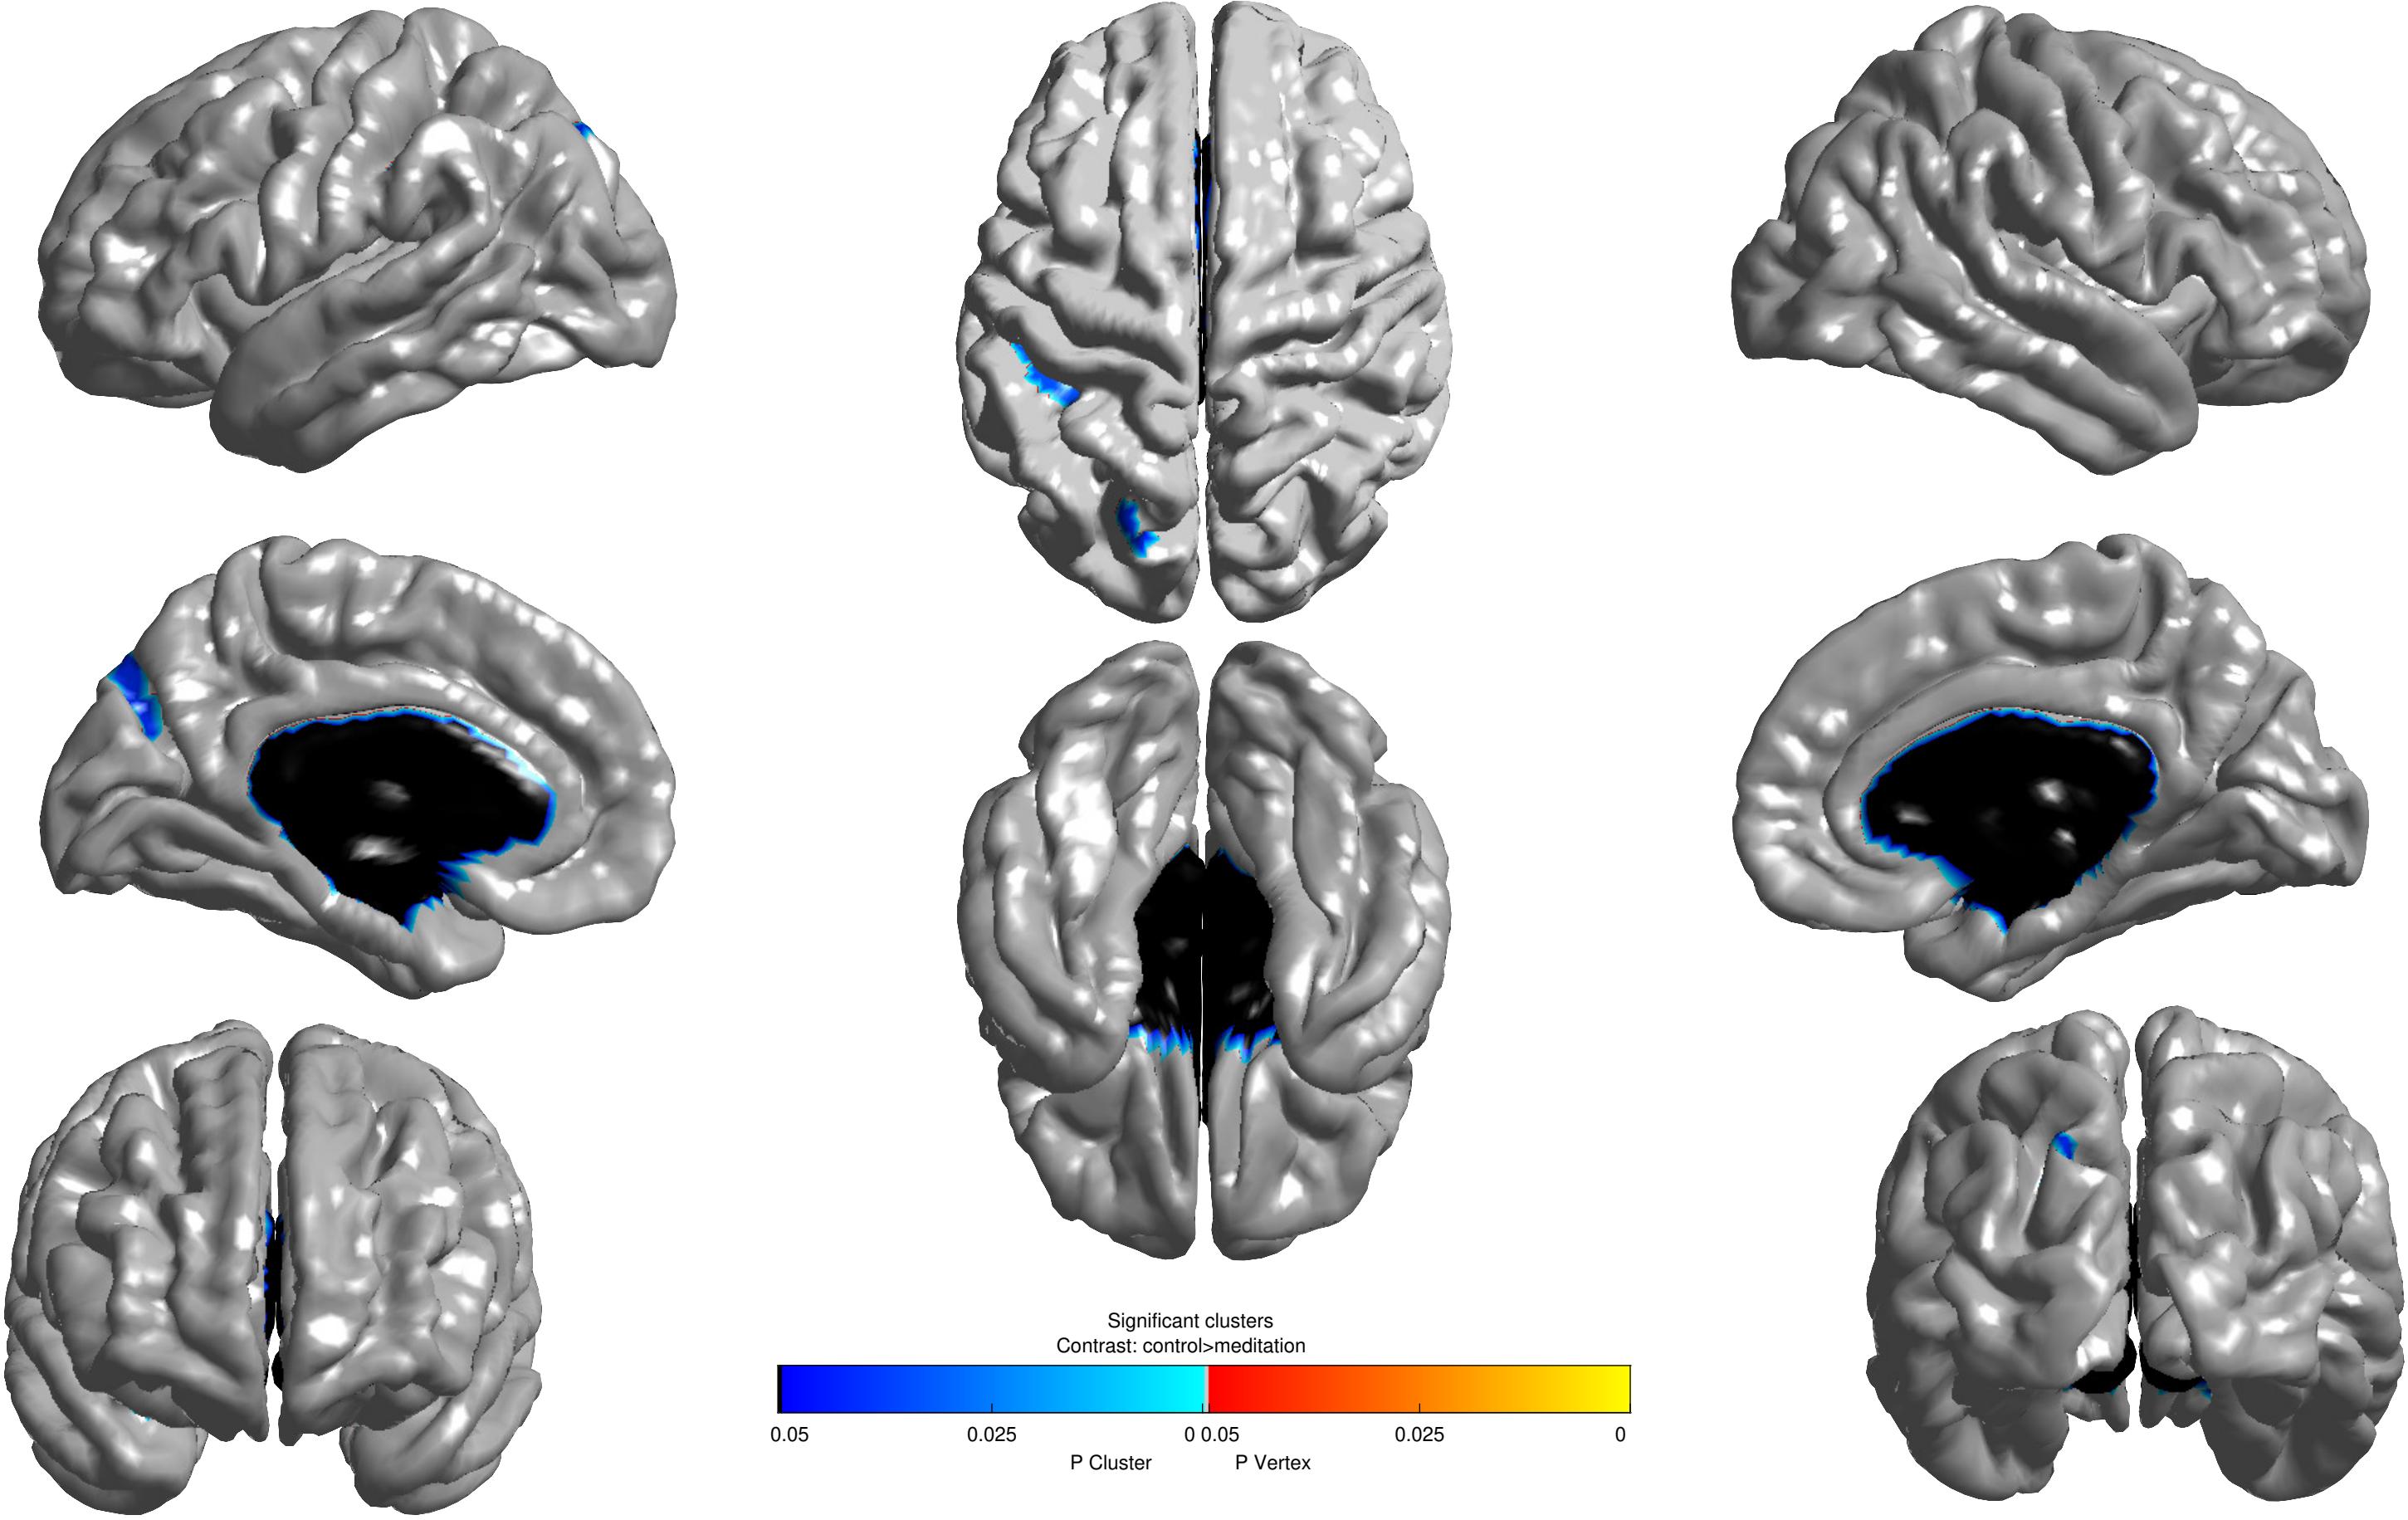

control Gradient (Dim1)

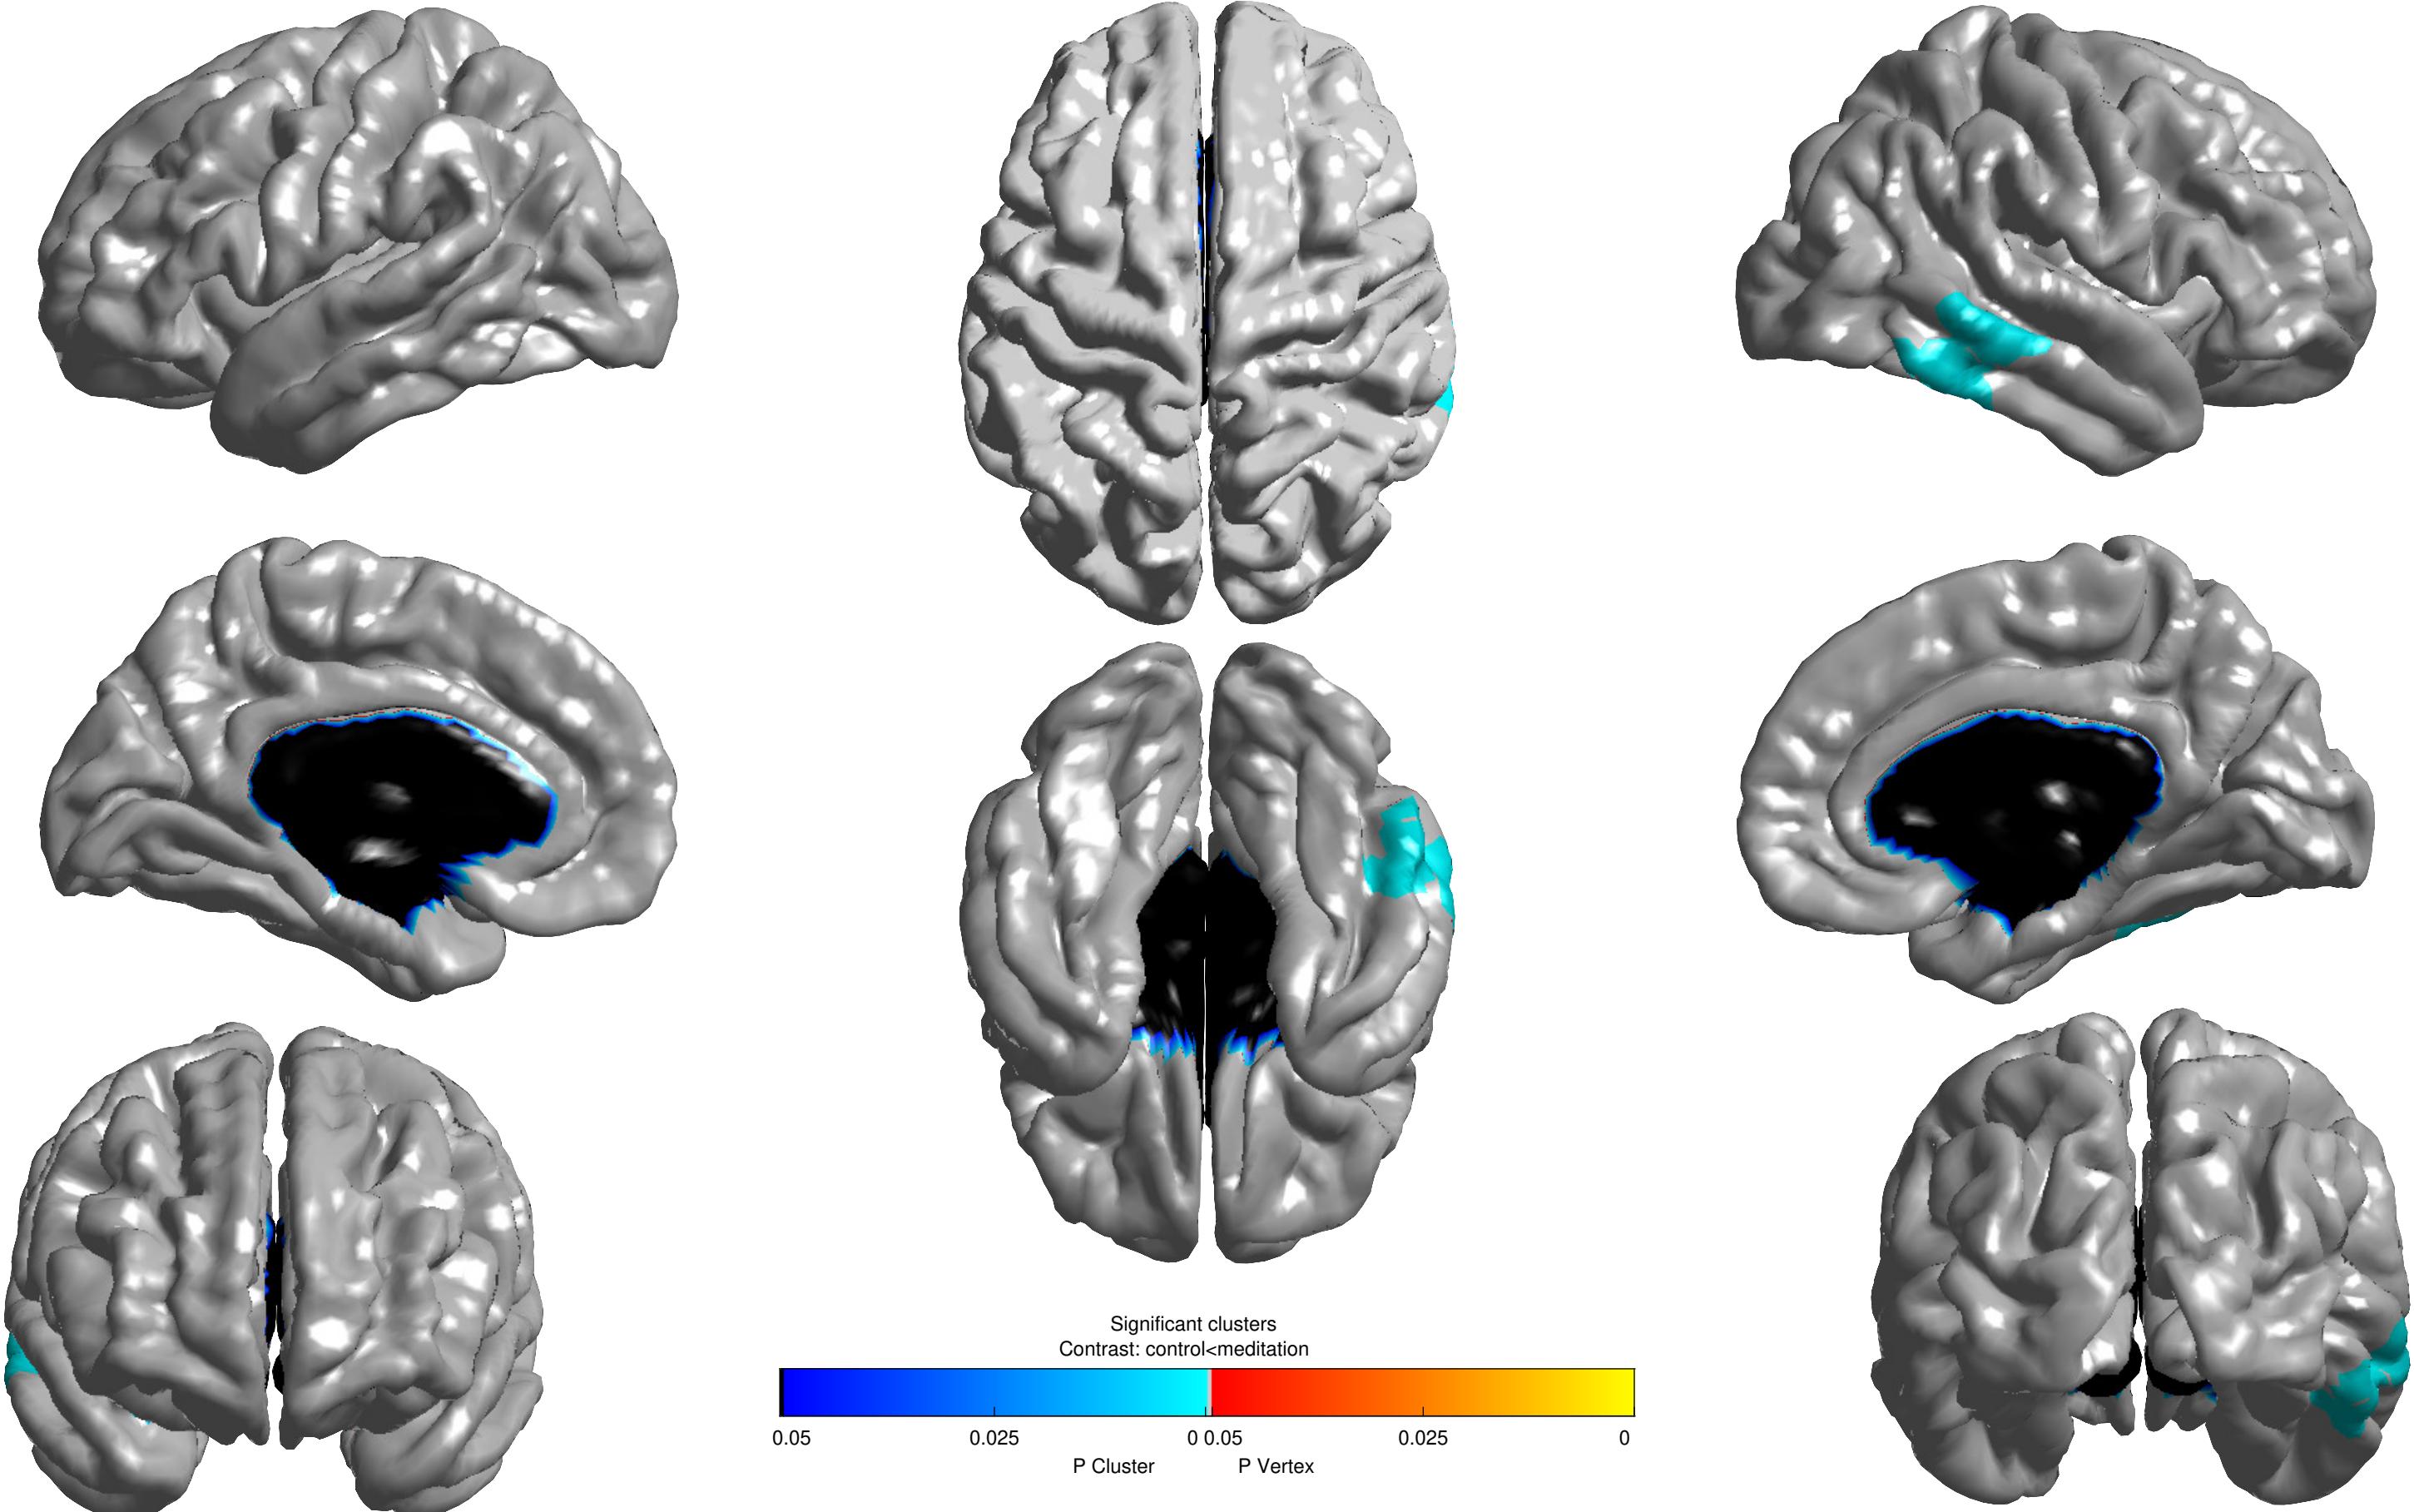

meditation Gradient (Dim1)

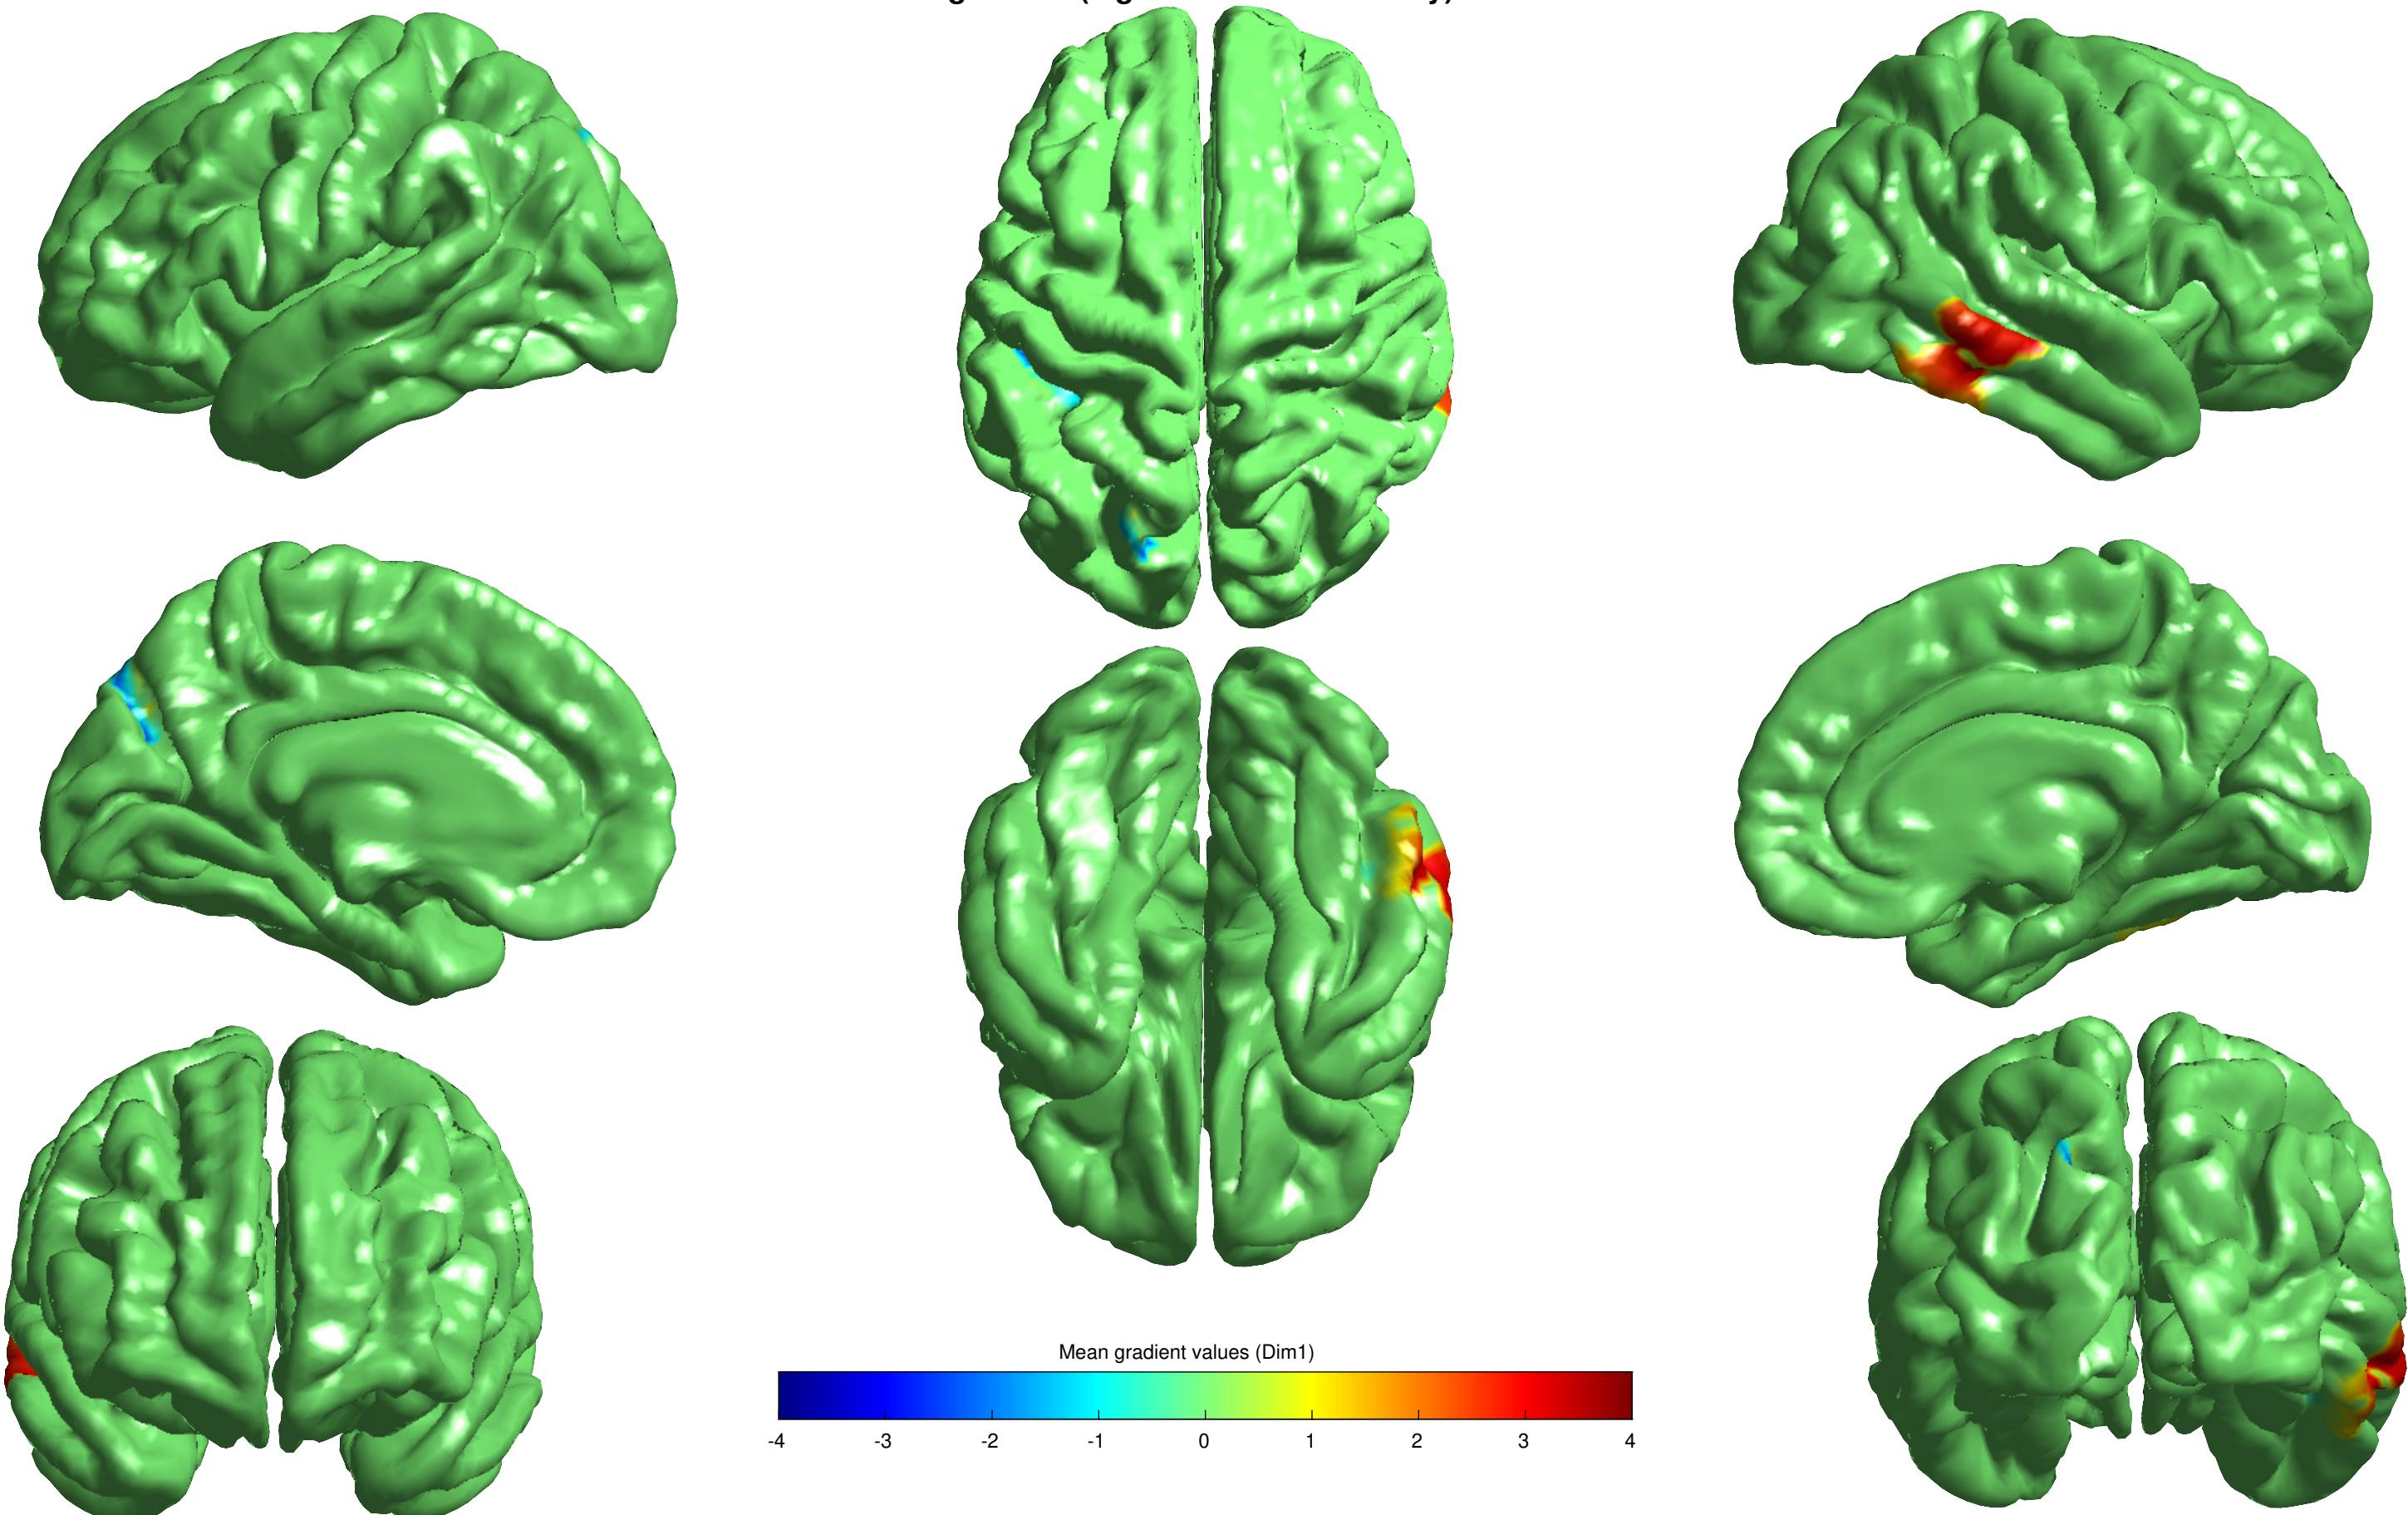

Significant clusters and vertices for dimension 1 (control>meditation) (corrected with RFT)

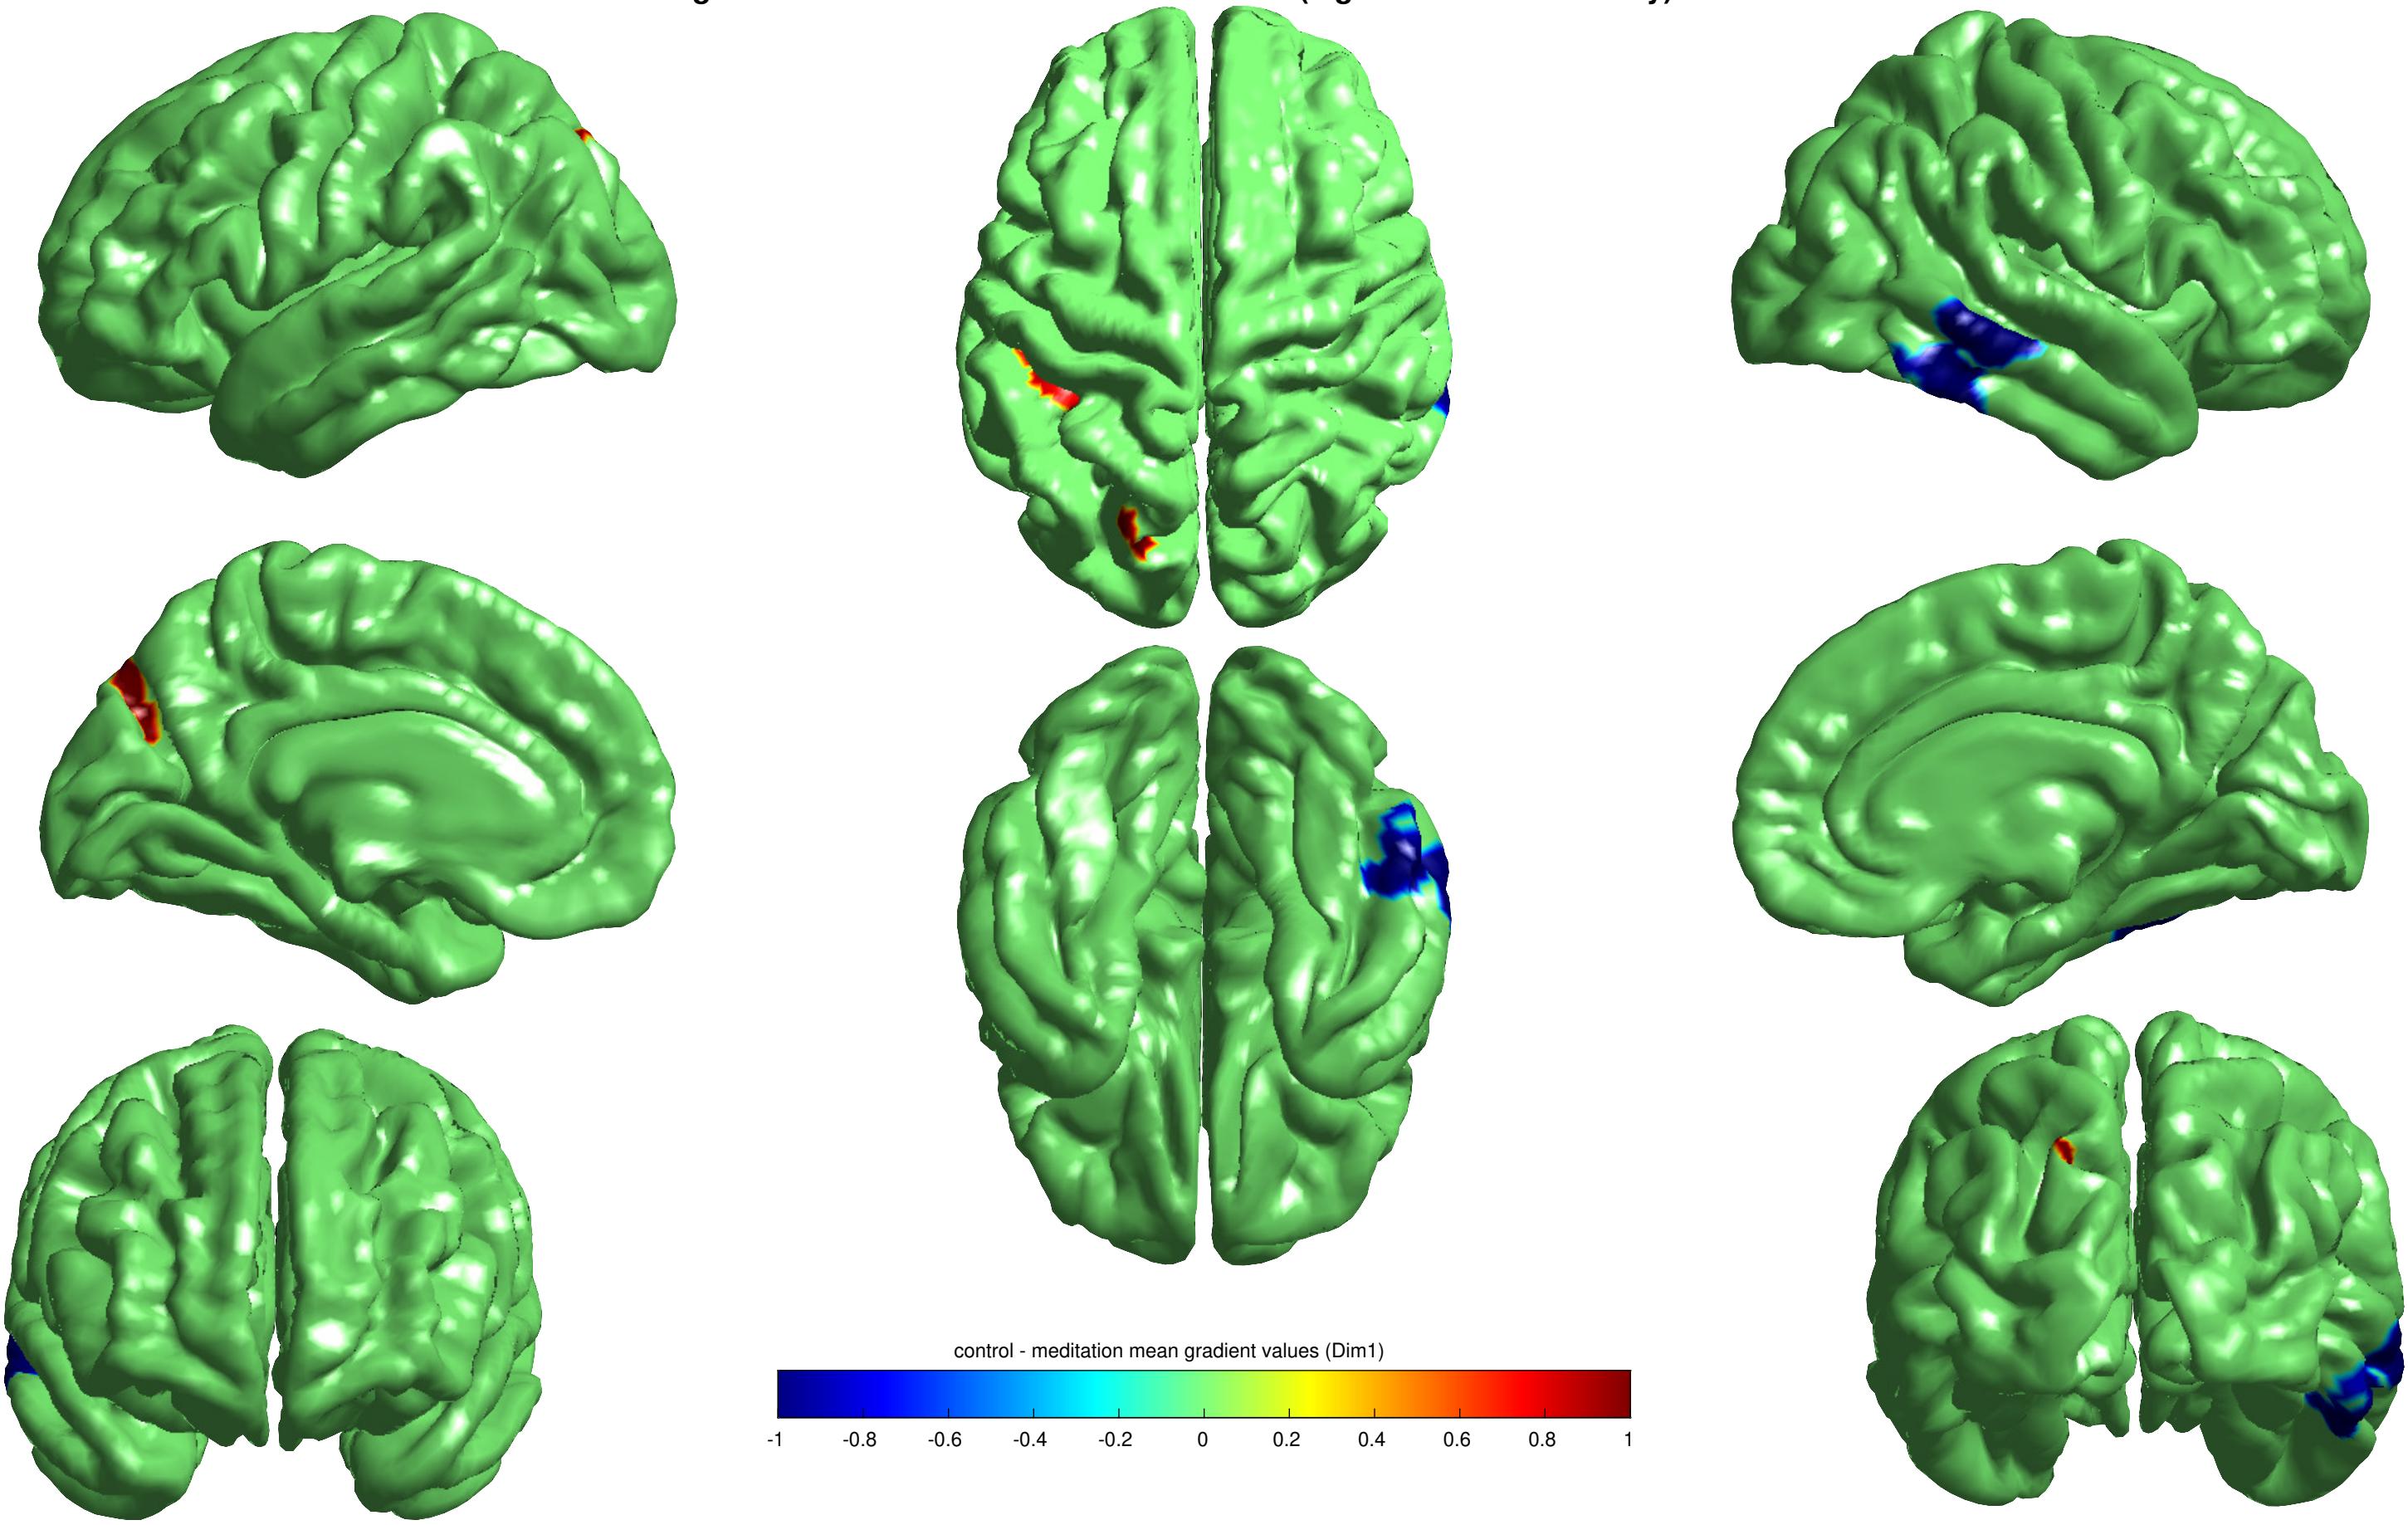

Significant clusters and vertices for dimension 1 (control<meditation) (corrected with RFT)

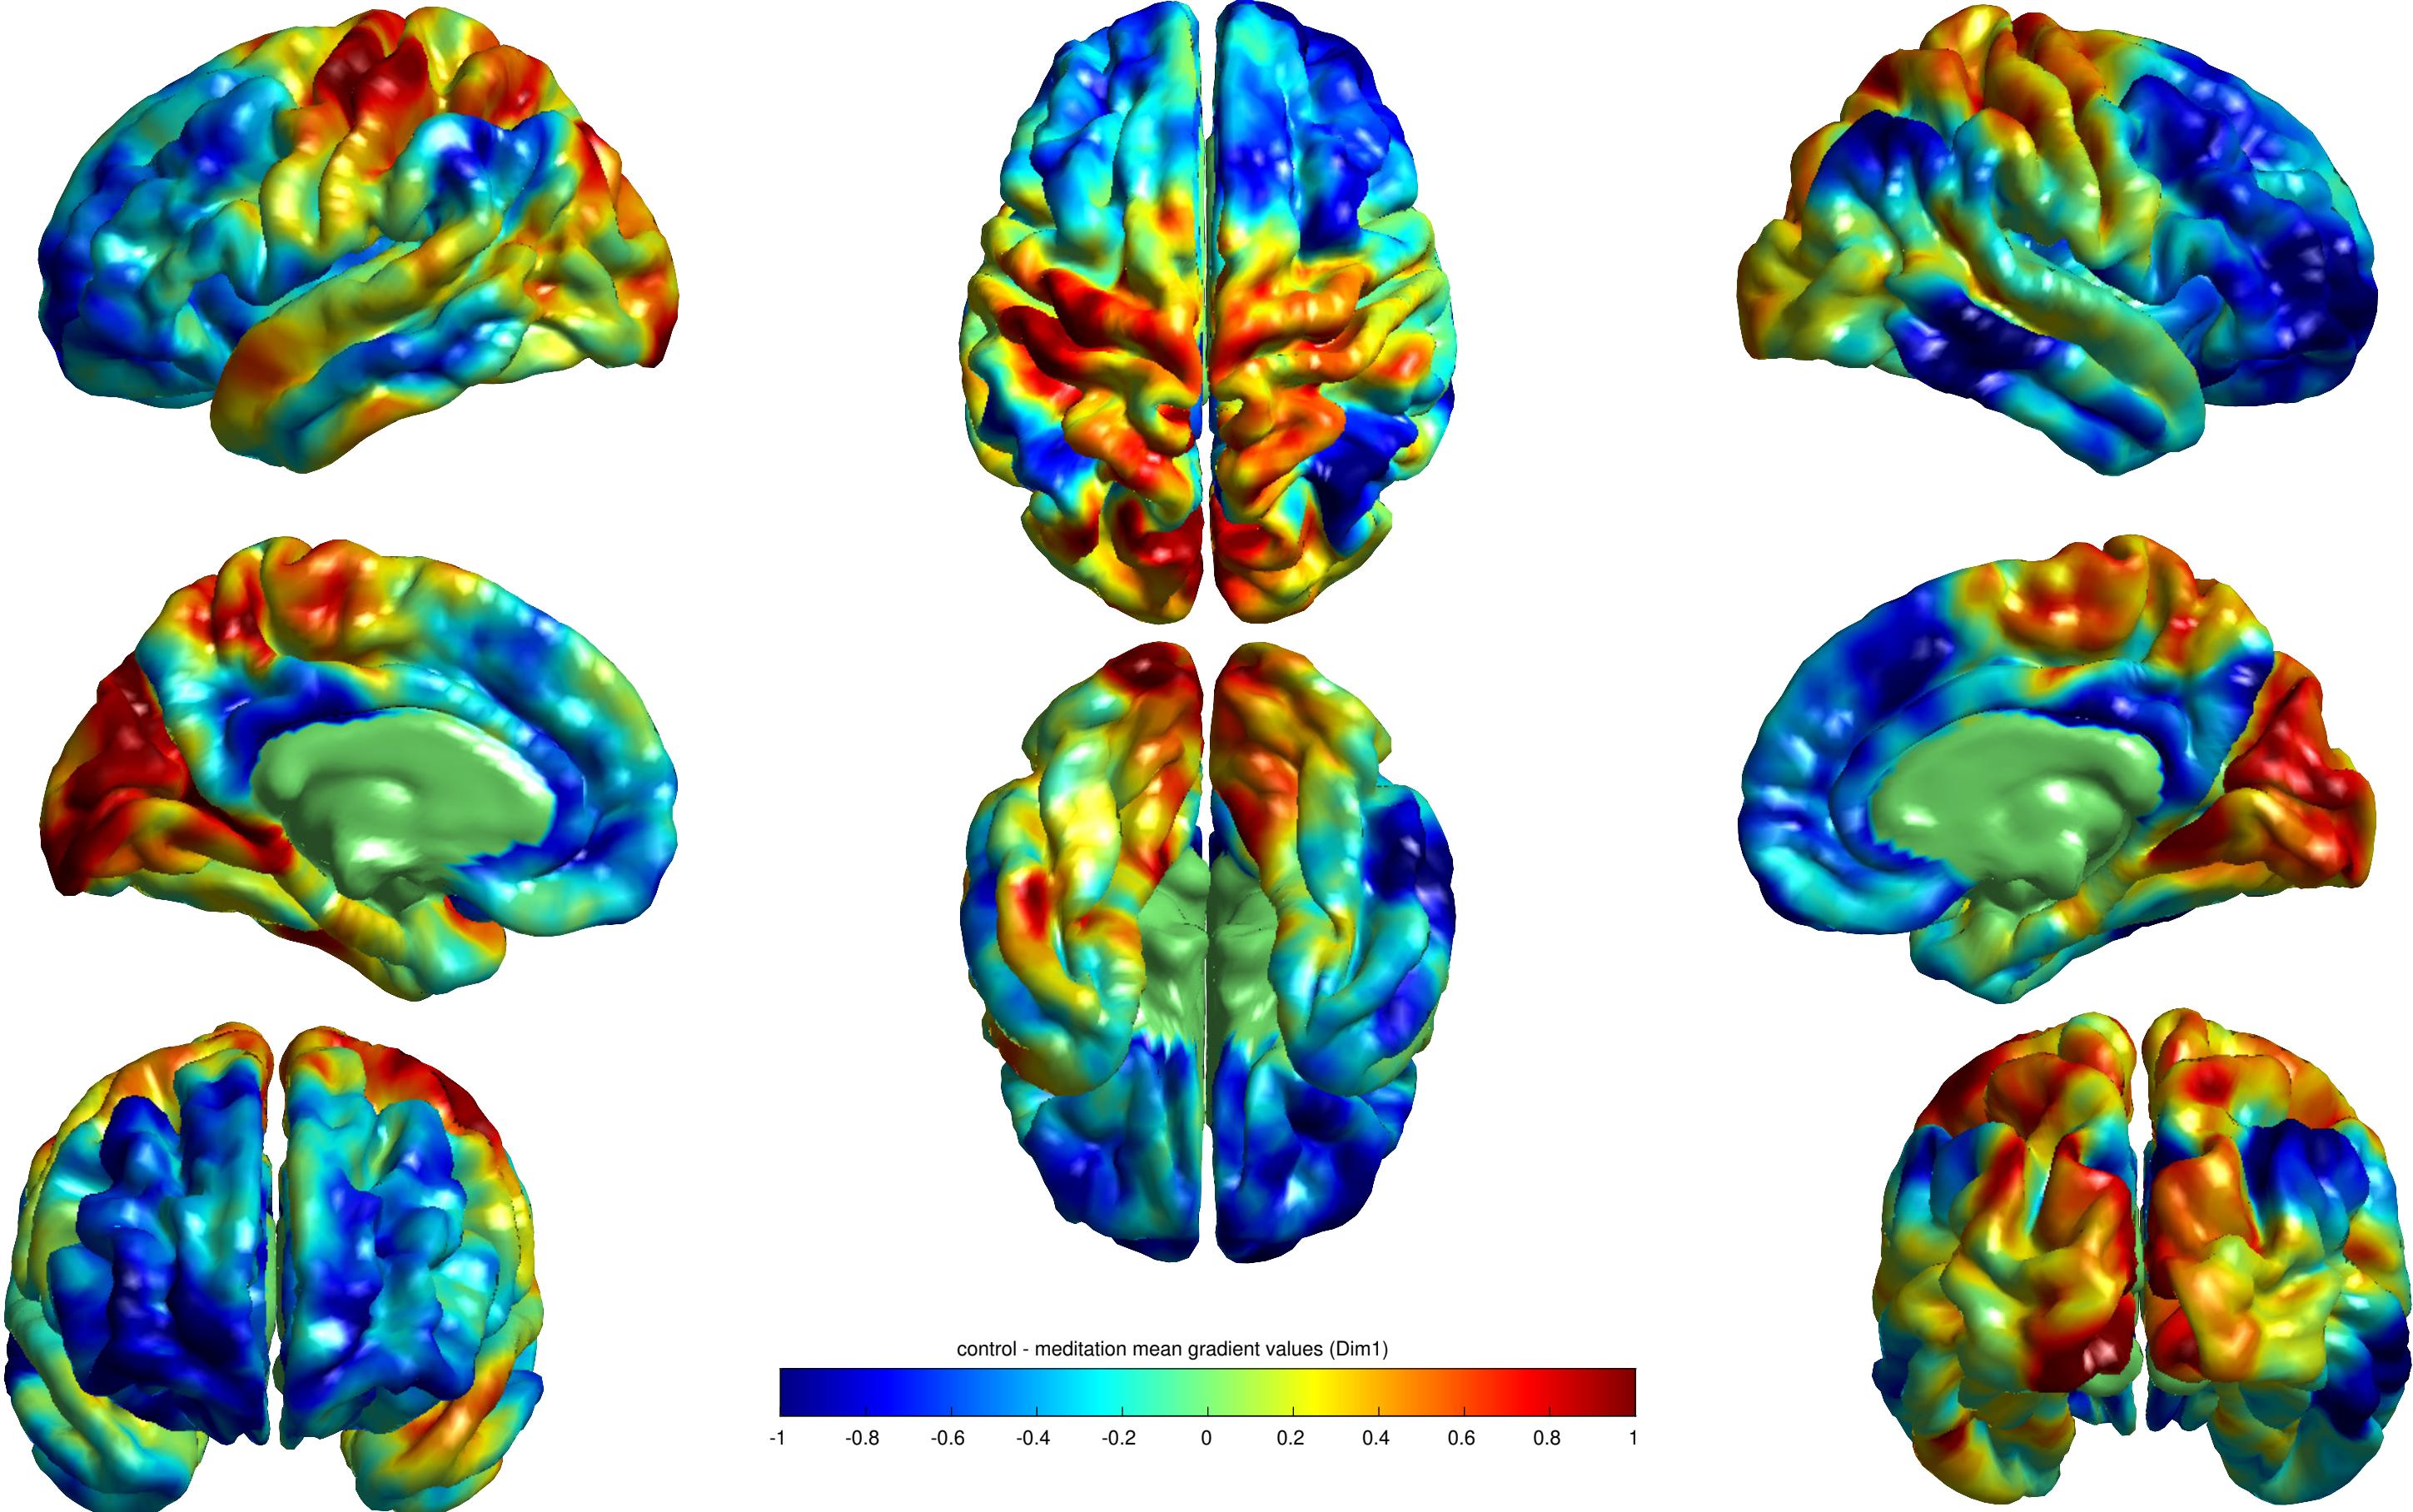

control gradient (significant clusters only)

Difference of gradient between control and meditation (significant clusters only)

Difference of gradient between control and meditation

# Histogram of the control and meditation gradients (Dim1)
